- (c) personal service.

(2) Proper address

- (a) An **Operator's** proper address is the address set out in Schedule 1 or, as the case may be, the **Accession Agreement** which it signs, or any other address that it notifies in writing from time to time to the other **Operators** and the **RSP** as its proper address for the purpose of this Clause.
- (b) The **RSP's** proper address is the address specified in relation to it on page 1 of this Agreement or any other address that it notifies in writing from time to time to the **Operators** as its proper address for the purpose of this Clause.
- (c) Alternatively, the proper address of any party to this Agreement is the business address of any solicitor who is acting for that person in the matter in connection with which the service of the document in question is to be made.

(3) Date service is effected

Where service is made by post and the document is proved to have been posted (with the correct postage paid), the document in question is deemed to have been delivered in the ordinary course of post and the date of service is to be construed accordingly. Where service is made by leaving the document at the proper address of the person to be served, the document is deemed to have been served on the date on which it was left.

3-14 TIME LIMITS

Where any obligation under this Agreement is required to be performed within a specified time limit that obligation will continue after that time limit if it is not complied with within the time limit.

3-15 INVALIDITY

If any provision of this Agreement is held to be void, illegal, invalid or unenforceable, in whole or in part, under any enactment or rule of law, it will, to that extent, be deemed not to form part of this Agreement. However, the legality and enforceability of the remainder of this Agreement will not be affected.

3-16 TIME OF THE ESSENCE

In the performance by the parties to this Agreement of their duties and obligations, time will be of the essence. In other words, the parties are required to perform their duties and obligations strictly in accordance with any time limits specified in this Agreement.

3-17 WAIVERS

(1) Effect of a waiver

No waiver by the **RSP** and/or any **Operator** of the performance of any of the provisions of this Agreement is to operate or be construed as a waiver of any other or of any further default, whether of a similar or a different character.

(2) Failure to exercise etc. rights and remedies

A failure to exercise or delay in exercising a right or remedy under this Agreement will not constitute a waiver of the right or remedy or a waiver of any other rights or remedies.

No single or partial exercise of any right or remedy under this Agreement will prevent any further exercise of that right or remedy or the exercise of any other right or remedy.

3-18 LIABILITY OF THE OPERATORS

(1) Several liability

Except where this Agreement provides otherwise, the **Operators** will be severally liable under this Agreement. In other words, no **Operator** is liable for a default by another **Operator**.

(2) Consequential loss

Clause 17 of the **Claims Handling Agreement** will not prevent the recovery of compensation for loss of revenue, or other consequential loss, that arises as a result of a breach of this Agreement.

3-19 FORCE MAJEURE

(1) Effect of a Force Majeure Event

If any party to this Agreement is prevented, hindered or delayed from or in performing in full any of its obligations under this Agreement by a **Force Majeure Event**:-

(a) that party's obligations under this Agreement will be suspended for as long as the **Force Majeure Event** continues, but only to the extent that the party is so prevented, hindered or delayed;

(b) as soon as reasonably practicable after commencement of the **Force Majeure Event**, that party must notify the other party or parties to whom the relevant obligation is owed in writing of the occurrence and nature of the **Force Majeure Event**, the date of the commencement of the **Force Majeure Event** and the effect of the **Force Majeure Event** on its ability to perform its obligations under this Agreement;

(c) that party must use all reasonable efforts to mitigate the effects of the **Force Majeure Event** upon the performance of its obligations under this Agreement; and

(d) as soon as reasonably practicable after the cessation of the **Force Majeure Event** that party must notify the other parties in writing of the cessation of the **Force Majeure Event** and must resume the full performance of its obligations under this Agreement.

(2) Meaning of “**Force Majeure Event**”

For the purposes of sub-Clause (1) above, “**Force Majeure Event**” means, to the extent beyond the reasonable control of a party, acts of God, war, riot, civil commotion, malicious damage, compliance with any law or governmental order, rule, regulation or direction (in each case made after the date of this Agreement), or any overriding emergency procedures, accident, fire, flood, storm and strikes or any other industrial action (in each case by employees of any person other than that party).

3-20 GENERAL VAT INDEMNITY

(1) Charging VAT on supplies

Where anything done under this Agreement represents consideration for a taxable supply, the party making that supply will be entitled in addition to charge any applicable **VAT** on it in accordance with the relevant regulations in force at the time of making the supply.

(2) Reimbursing costs

Where under this Agreement one party has agreed to reimburse another party in respect of a payment made or cost incurred by that other party, the first party must also reimburse any **VAT** paid by the other party which forms part of its payment or costs incurred to the extent that such **VAT** is not available for credit for the other party under Sections 25 and 26 of the **VAT Act**.

(3) Exception

Sub-Clauses (1) and (2) above are subject to any other provision in this Agreement which provides expressly for **VAT** in relation to anything done under this Agreement.

3-21 COMPLIANCE WITH VAT PROCEDURES

(1) Compliance

Each **Operator** and the **RSP** must:-

- (a) account for any **VAT** that becomes due under this Agreement as a result of the **Acceptance for Clearing** of any **Rail Products** or **Non-Rail Products**; and
- (b) comply with the obligations imposed on it under the **VAT Act** in respect of these amounts,

in each case in accordance with any **VAT** compliance procedures agreed with H.M. Customs & Excise on behalf of the **RSP**.

(2) Procedures

Once agreed, these procedures will be distributed to the **Operators** by the **RSP**. However, they may be changed, with the agreement of H.M. Customs & Excise, by a resolution of the **Ticketing and Settlement Scheme Council**. Notification of any such changes will be distributed to the **Operators** by the **RSP**.

3-22 GOVERNING LAW AND DISPUTE RESOLUTION

(1) Governing law

This Agreement is to be governed by and construed in accordance with English law.

(2) Disputes

Disputes or claims between any parties to this Agreement which arise out of or in connection with this Agreement are to be resolved by:-

- (a) agreement between those parties; or, failing that
- (b) in accordance with Clauses 14-4 to 14-14 below.

CHAPTER 4: THE INTRODUCTION OF RAIL PRODUCTS AND NON-RAIL PRODUCTS

PART I: CREATION OF FARES

4-1 THE FARES SETTING ROUND

(1) Requirements for Fares Setting Rounds

At the times specified by the **RSP** from time to time, the fares setting procedure set out in Part I of Schedule 4 will take place, each of which is known as a “**Fares Setting Round**”. There must be at least three **Fares Setting Rounds** each year.

(2) The current position

The **Fares Setting Rounds** will end in January, May and September of each year unless the **Ticketing and Settlement Scheme Council** resolves otherwise. The intervals between the end of each **Fares Setting Round** must be approximately equal unless the **Authority** agrees otherwise.

4-2 TYPES OF FARE

There are three types of **Fare**:-

- (a) “**Permanent Fares**”, whose terms are determined in a **Fares Setting Round** or outside a **Fares Setting Round** in accordance with sub-Clause 4-10(4);
- (b) “**Temporary Fares**”, whose terms are not determined in a **Fares Setting Round** but which have been notified to the **RSP** in accordance with Part II of Schedule 4; and
- (c) “**Special Fares**”, which are intended to be **Sold** only to persons who are within one of the categories listed in Schedule 5 and which have been notified to the **RSP** in accordance with Part III of Schedule 4.

4-3 PROCESS OF CREATING A FARE

A **Fare** is **Created** by means of determining the **Price** and other terms and providing details of those terms to the **RSP** in accordance with Part I or, as the case may be, Part II of Schedule 4.

4-4 REQUIREMENT TO CREATE FARES PRIOR TO SELLING THEM

An **Operator** may not offer any **Fare** for **Sale**, or authorise another person to do so, unless that **Fare** has been **Created** in accordance with this Chapter (and has not been discontinued or replaced).

4-5 THE CREATION OF FARES BY OPERATORS

(1) Circumstances in which **Fares** may be **Created**

Subject to sub-Clauses (3) and (4) below, an **Operator** may (by itself or in conjunction with any other **Operator(s)**) only **Create** a **Fare** if it is allowed to do so pursuant to Clause 4-15, 4-16 or 4-33 below or required to do so pursuant to Clause 4-20 below.

(2) Obligation to **Create Fares**

Except as provided in Clause 4-20 below, no **Operator** is required to **Create** a **Fare** for any **Flow**.

(3) Restriction on the **Creation** of **Temporary Fares**

(a) An **Operator** may (by itself or in conjunction with any other **Operator(s)**) only **Create** a **Temporary Fare** if:

(i) the period during which it may be offered for **Sale** (as specified in the relevant **Product Implementation Form**) is 34 weeks or less and no other **Temporary Fare** in respect of the same or substantially the same **Flow** and with substantially the same **Rights and Restrictions** and **Price**, has been offered for **Sale** at any time during the previous 17 weeks; or

(ii) the **Operator** has made a written request to the **Authority** for consent to the **Creation** of that **Temporary Fare** and that consent has been granted pursuant to sub-Clauses (c) – (g) below.

(b) Notification by the **Authority**

Following a request for consent pursuant to paragraph (ii) of sub-Clause (a) above, the **Authority** will notify any other **Operator(s)** which he reasonably believes might be affected if he gives his consent.

(c) Contents of Representations to the **Authority**

Any representations made under this Clause 4-5(3) must be made in such form and contain such details, and within such times, as the **Authority** specifies from time to time, either generally or in any particular case.

(d) Representations by other **Operators**

(i) In seeking the views of affected **Operator(s)** the **Authority** may give those **Operator(s)** any information about the request and the representations made by the **Operator** that the **Authority** considers appropriate.

(ii) However, the **Operator** making the request may ask the **Authority** to keep any representations confidential. The **Authority** will comply with such a request, but may refuse to consider further the giving of his consent to the **Creation** of the proposed **Temporary Fare** if he believes it will not be practicable to seek the views of the other **Operators** which might be affected if the information is not disclosed.

(e) Further information

The **Authority** may require any **Operator** making any representations to provide any further information that he needs, either orally or in writing. Sub-Clause (d) above will also apply to these representations.

(f) Notification of the **Authority's** Decision

If the **Authority** gives his consent to a request under this Clause 4-5(3), he will notify its terms to the **RSP** and the **Operators** as soon as reasonably practicable.

(4) Restriction on the **Creation of Special Fares**

An **Operator** may (by itself or in conjunction with any other **Operator(s)**) only **Create** a **Special Fare** if the **Fare** is only valid for use by a person who falls within one of the categories set out in Schedule 5.

(5) Requirement to honour **Permitted Routes**

The **Rights and Restrictions** applicable to a **Fare** may not prohibit a **Purchaser** of that **Fare** from travelling via a route which is one of the **Permitted Routes** for the **Flow** to which the **Fare** relates.

(6) Creation of **Child Fares** and similar **Fares**

A **Fare** may be **Created** with **Rights** and **Restrictions** that enable it to be used only by a **Child**, or by any other particular type of person.

4-6 **NATIONAL CLASSES OF ACCOMMODATION**

(1) Designation of **Fares**

Each **Fare** must be designated with one of the **National Classes of Accommodation**. This designation is one of the **Rights and Restrictions** applicable to the **Fare**.

(2) Use of carriages

(a) As a consequence of the designation referred to in sub-Clause (1) above, the **Purchaser** of the **Fare** will be entitled to use the carriages (or parts of carriages) referred to in Clause 10-3 below.

(b) However, this does not prevent an **Operator**, by including an appropriate specification in the **Rights and Restrictions**, from **Creating** a **Fare** which also entitles the **Purchaser** to use carriages on that **Operator's** trains which are not available to the **Purchasers** of other **Fares**, even if those **Fares** are designated with the same **National Class of Accommodation**.

4-7 **CREATION OF NEW FLOWS, MODIFICATION AND ABOLITION OF EXISTING FLOWS**

(1) **Fares to be Created only in respect of existing Flows**

A **Fare** may only be **Created** in respect of an existing **Flow**. If an **Operator** wishes to **Create** a **Fare** for a **Flow** that does not exist that **Flow** must first be **Created** pursuant to this Clause 4-7.

(2) **Refunds**

The **Rights and Restrictions** applicable to a **Fare** may not prohibit the **Purchaser** of that **Fare** from obtaining a **Refund** in respect of the **Fare** unless the prior approval of the **Authority** has been obtained in accordance with Clause 8-13(3).

(3) **Procedure for Creating a new Flow**

Subject to sub-Clause (6) below, a new **Flow** may be **Created** by any **Operator** which provides scheduled passenger rail services over all or part of the proposed **Flow** or which has access rights that entitle it to do so. To **Create** the **Flow**, the relevant **Operator** must send a notice substantially in the form set out in Part I of Schedule 9 to the **RSP**.

(4) **Modification of Flows**

Subject to sub-Clause (6) below, an existing **Flow** may be modified subject to the consent, either by agreement, or pursuant to Clauses 4-8(4) or 4-8(5) below, of each **Operator**:

(a) whose **Credits** (exclusive of **VAT**) from **Fares** that were **Sold** in respect of that **Flow** and were **Accepted for Clearing** in the previous financial year of the **RSP** were at least five per cent. of the sum of the **Credits** (exclusive of **VAT**) that were received by all the **Operators** from those **Fares** (excluding, in each case, any **Private Settlement Credits**); or

(b) the **Regulation** of whose **Fares** would be affected by the modification of the **Flow**.

To modify the **Flow**, the **Operators** which have agreed to the modification must send a notice substantially in the form set out in Part III of Schedule 9 to the **RSP**. If the **Flow** subject to modification is a **Compulsory Inter-Available Flow**, the designated **Lead Operator** will be unchanged unless altered pursuant to Clause 4-28.

(5) Abolition of **Flows**

Subject to sub-Clause (6) below, an existing **Flow** may be abolished with the agreement by consent or pursuant to Clauses 4-8 (4) or 4-8 (5) below, of each **Operator**:

- a) whose **Credits** (exclusive of **VAT**) from **Fares** that were **Sold** in respect of that **Flow** and were **Accepted for Clearing** in the previous financial year of the **RSP** were at least five per cent. of the sum of the **Credits** (exclusive of **VAT**) that were received by all the **Operators** from those **Fares** (excluding, in each case, any **Private Settlement Credits**).
- b) the **Regulation** of whose **Fares** would be affected by the abolition of the **Flow**.

To abolish the **Flow**, the **Operators** which have agreed to the abolition must send a notice substantially in the form set out in Part II of Schedule 9 to the **RSP**.

(6) Requirement for the **Authority's** consent

- (a) The prior consent of the **Authority** is required for:-
 - (i) the **Creation** of a **Flow** if any **Compulsory Inter-available Flow** exists between the origin and destination **Stations** of the proposed **Flow**; or
 - (ii) the modification or abolition of a **Compulsory Inter-available Flow**; or
 - (iii) the modification or abolition of any **Flow** if any **Operator's Fares** for that **Flow** are **Regulated**.
- (b) A request for this consent must be made in accordance with Clause 4-8 below.

(7) Date on which new **Flow** is **Created** or existing **Flow** is modified or abolished

The **Creation** of a new **Flow** or, as the case may be, the modification or abolition of an existing **Flow** will take effect on the date, specified by the **RSP**, on which the **RSP** records the change in accordance with its usual procedures.

4-8 PROCEDURE FOR OBTAINING THE **AUTHORITY'S** CONSENT

This is set out in Schedule 4 Part VIII

4-9 EXISTING PRODUCTS

(1) **Fares and Discount Cards** which are deemed to have been **Created**

(a) The **Fares and Discount Cards** which may be **Purchased** at the date of this Agreement are deemed to have been **Created** by the **Operators** specified in the **RSP's** records. In the case of most **Fares**, this information can be obtained from the **Fares Manuals** that are in issue at the date of this Agreement.

(b) The **Operator** specified as such in the **RSP's** records for each **Fare** which may be **Purchased** at the date of this Agreement and which includes a right to goods and services that are to be provided by a person which is not an **Operator** is deemed to be the **Sponsoring Operator** in respect of that **Fare**.

(2) Discontinuing **Special Fares**

(a) **Special Fares** (as specified in Schedule 5) will be discontinued if any of the **Operators** which are deemed to have **Created** it serve a written notice to this effect on the other **Operators** (if any) which are deemed to have **Created** it and the **RSP**. However, such a notice may not be served if the discontinuation of the **Fare** would breach an agreement that has been entered into with a person who is not an **Operator**.

(b) Where a notice is validly served pursuant to this sub-Clause (2), the **Fare** to which it relates will be discontinued with effect from the end of the first **Fares Setting Round** to begin after the notice is received by the **RSP**.

4-10 CHANGING OR REMOVING A **FARE**

(1) **Permanent Fares**

(a) Subject to paragraph (c) below, a **Permanent Fare** may only be discontinued or replaced, or its **Price** or other terms altered, in a **Fares Setting Round** or outside a **Fares Setting Round** in accordance with sub-Clause (4) below and only by:-

(i) the **Operator(s)** which **Created** the **Fare**; or

(ii) if it was **Created** pursuant to Clause 4-20 below, the **Lead Operator** for the relevant **Flow** at the time of the proposed change.

(b) Details of each **Permanent Fare** will continue to be supplied to **Approved TIMs**, **Approved Information Systems** and **Approved Reservation Systems** in accordance with Clause 4-52 below unless and until that **Permanent Fare** is discontinued or replaced, or its **Price** or other terms altered, in a **Fares Setting Round** or outside a **Fares Setting Round** in accordance with sub-Clause (4) below.

(c) If an **Operator** ceases to be a **Major Flow Operator** for a **Flow** on which it has **Created** a **Fare** pursuant to Clause 4-33 below, it must notify the **RSP** immediately. Where this notification is made, or a **Major Flow Operator** ceases to be bound by this Agreement, the **RSP** will, with effect from the end of the first **Fares Setting Round** to begin after the date of the notification or, as the case may be, the date on which it becomes aware that the **Operator** is no longer bound by this Agreement, withdraw details of the **Permanent Fares** that were **Created** by that **Major Flow Operator** from the **Approved TIMs**, **Approved Information Systems** and **Approved Reservation Systems** referred to in Clause 4-56 below.

(2) **Temporary Fares**

(a) Subject to paragraph (b) below, a **Temporary Fare** may only be discontinued or replaced, or its **Price** or other terms altered, in accordance with the procedure set out in Part II of Schedule 4 and only by:-

(i) the **Operator(s)** which **Created** the **Fare**; or

(ii) if it was **Created** pursuant to Clause 4-20 below, the **Lead Operator** for the relevant **Flow** at the time of the proposed change.

(b) If an **Operator** ceases to be a **Major Flow Operator** for a **Flow** on which it has **Created** a **Fare** pursuant to Clause 4-33 below, it must notify the **RSP** immediately. Where this notification is made, or a **Major Flow Operator** ceases to be bound by this Agreement, the **RSP** will, as soon as reasonably practicable, notify this fact to each **Operator** which was authorised to **Sell** any **Temporary Fares** that the former **Major Flow Operator** **Created**. Upon the receipt of this notification those **Operators** will cease to be authorised to **Sell** those **Temporary Fares**.

(3) **Special Fares**

A **Special Fare** may only be discontinued or replaced, or its **Price** or other terms altered, by the **Operator(s)** which **Created** it, and in accordance with the procedure specified in Part III of Schedule 4.

(4) **Creating or Changing Permanent Fares when incorrect**

A **Permanent Fare** may be **Created**, or discontinued or replaced, or its **Price** or other terms may be altered, otherwise than in a **Fares Setting Round**, but otherwise in accordance with sub-Clause (1) above, only if the **Permanent Fare** is incorrect and in accordance with the provisions of this sub-Clause (4).

(a) Conditions

In order to make a request for consent pursuant to this sub-Clause, the **Operator** concerned must fulfil either condition (i) or condition (ii) or condition (iii) or condition (iv) or condition (v) or condition (vi) below.

(i) **Fares** that have been deleted in error during a **Fares Setting Round**;
or

(ii) **Fares** that have been amended in error during a **Fares Setting Round** causing a situation referred to in Clause 16.1 Part I Schedule 4; or

(iii) The **Operator** has been notified by the **Authority** that the **Fare** should be altered; or

(iv) A new train service requires new **Flows** and **Fares**, provided that the new **Flows** and **Fares** are **Created** in accordance with the requirements of Chapter 4; or

(v) Where a **Passenger Transport Executive** has instructed the **Operator** in a timely fashion for the **Creation**, amendment or deletion of a **Permanent Fare** in a **Fares Setting Round**, but the **Operator** has failed to implement those instructions; or

(vi) Where the **Operator** has obtained the consent of the other **Operators** which are bound to honour a **Fare** that relates to the same **Compulsory Inter-Available Flow** or any parallel **Compulsory Inter-Available Flow**. A parallel **Compulsory Inter-Available Flow** is either a **Flow** with the same origin and destination **Station** or if the origin or destination is a group of **Stations** any single **Station** which is part of that group of **Stations**.

(b) Requirement for consent

If an **Operator** wishes to **Create**, discontinue, replace or alter a **Permanent Fare** outside a **Fare Setting Round**, it must obtain the consent of both the **Ticketing and Settlement Scheme Council**; and the **Authority**.

The request for this consent must be made in accordance with the following provisions of the sub-Clause (4).

(c) Representations

A request made pursuant to sub-Clause (b) above must be supported by written representations by the **Operator** requesting it and demonstrating that one of the relevant conditions in sub-Clause (a) applies.

(d) Contents of Representations

Any representations made under sub-Clause (c) must be made in such form and contain any details, and within such times, as the **Ticketing and Settlement Scheme Council** and the **Authority**, respectively, specify from time to time, either generally or in any particular case.

(e) Further information

The **Ticketing and Settlement Scheme Council** and the **Authority** may require any **Operator** making any representations to provide any further information that they need, either orally or in writing. Sub-Clause (d) above will also apply to these representations.

(f) **Ticketing and Settlement Scheme Council** Delegation

The **Ticketing and Settlement Scheme Council** may delegate its decision as to whether or not to give consent to such other persons or body as it may from time to time consider appropriate. If the **Ticketing and Settlement Scheme Council** or its representative refuses its consent, the **Operator** referred to in sub-Clause (b) above may refer the dispute for resolution in accordance with Clause 14-4 below.

(g) Notification of decision to the **Operator**

If the **Ticketing and Settlement Scheme Council** and the **Authority**, where appropriate, give their consent to a request that is made under this sub-Clause (4), they will notify its terms to the **Operator** referred to in sub-Clause (b) above as soon as reasonably practicable.

(h) Notification of decision to the **RSP**

The **Operator** will then notify the **RSP** of the consent and the **RSP** will implement the decision as soon as possible in such manner as the **RSP**, acting reasonably, thinks fit in accordance with Clauses 4-56 and 4-58 below.

(i) Fault/Service charges

The **Operator** will pay the **RSP** all its direct costs arising from the provision of this service, unless, in the case of a change to correct an incorrect **Permanent Fare**, the **RSP** agrees that the **Permanent Fare** is incorrect due to an error by the **RSP**, in which case the **RSP** will bear all such costs. The **Operator** and the **RSP** will use their reasonable endeavours to resolve any dispute as to whether or not the **RSP** is in

error, but, in the absence of a resolution of the dispute after 4 weeks, either party may refer the dispute for resolution in accordance with Clause 14-4 below.

(5) Effect of changes to the rate of VAT

Sub-Clauses (1) to (3) above are subject to Clause 4-63 below.

PART II: INCLUDING RIGHTS TO OTHER GOODS AND SERVICES IN A FARE

4-11 ABILITY TO INCLUDE OTHER RIGHTS WITHIN A FARE

(1) General

A **Fare** may include rights to goods or services other than a journey on the **Network** using the **Operators'** trains or the carriage of luggage on such a journey. For example, it may include a right to use another person's transport services, to enter a place which is not a **Station**, to obtain complimentary refreshments or to obtain a reduction in price of any goods or services that would otherwise apply. However, the inclusion of these rights within a **Fare** is subject to the restrictions set out in this Clause 4-11.

(2) The Sponsoring Operator

Rights to goods or services that are to be provided by a person who is not an **Operator** may only be included as part of a **Permanent Fare** or a **Temporary Fare** if that person has entered into an agreement with one or more **Operators** (referred to as the "**Sponsoring Operator**") which allows each **Operator** to include those rights as part of any **Fare** it **Creates** (or as part of any **Fare** it **Creates** that satisfies certain criteria).

(3) Creation of Fares by the Sponsoring Operator

Before a **Sponsoring Operator** for any goods or services **Creates** a **Permanent Fare** or a **Temporary Fare** (by itself or in conjunction with any other **Operator(s)**) that includes the right to obtain those goods or services it must:-

(b) notify the **RSP** of the amount (including any applicable **VAT**) that is to be received by the **Sponsoring Operator** in respect of that right following the **Sale** of any **Fare** which includes that right (whether **Created** by the **Sponsoring Operator** or by any other **Operator(s)**) and the extent (if at all) to which that amount is to be reduced where the **Fare** is **Purchased** by the holder of a **Discount Card** that entitles the **Purchaser** to a discount in respect of a **Fare**.

(c) Ensure that the terms upon which such goods or services are made available include the right to a full **Refund** if it is not possible for **Purchasers** to exercise the right to obtain those goods or services due to a failure on the part of an **Operator's**

services. The **Rights and Restrictions** applicable to a **Fare** including the right to obtain those goods or services may not prohibit the **Purchaser** of that **Fare** from obtaining a **Refund** in respect of the **Fare** unless the prior approval of the **Authority** has been obtained in accordance with Clause 8-13(3).

(7) Requirement for restrictions to apply generally

The period during which a right to obtain any goods or services may be included as part of a **Fare**, and any criteria that such a **Fare** is required to satisfy, must apply to the **Sponsoring Operator** as well as the other **Operators**.

(8) Incidental travel rights

Sub-Clause (3) above does not apply to any rights which are set out in the **National Rail Conditions of Travel** or, as the case may be, the **CIV Rules** (as opposed simply to being set out in a document which is referred to in the **National Rail Conditions of Travel** or the **CIV Rules**). To the extent that they are applicable, those rights are automatically part of each **Fare**.

4-12 INCLUSION OF RIGHTS WITHIN **FARES** BY OTHER **OPERATORS**

(1) Ability to include rights within **Fares**

(a) An **Operator** which is entitled pursuant to Clause 4-5(1) above to **Create** a **Fare** may include the right to any goods or services as part of the **Fares** it **Creates**.

(b) However, if the notification to the **RSP** set out in Clause 4-11 (3) (b) states that this right may only be included as part of a **Fare** which satisfies certain criteria it may only be included as part of a **Fare** which satisfies those criteria.

(2) Time limit

The ability to include the right referred to in sub-Clause (1) above as part of a **Fare** applies until the expiry of the period specified in the notification made pursuant to Clause 4-11(3)(b) above or, as the case may be, the date on which the **Sponsoring Operator** notifies the other **Operators** in writing that they are no longer allowed to do so.

4-13 SETTLEMENT WITH THIRD PARTIES

(1) Allocation to the **Sponsoring Operator**

The **Sponsoring Operator** for any goods or services will receive a Credit in respect of each **Sale** of a **Fare** which includes those goods or services in accordance with Clause 11-13 below unless the person who has agreed to provide those goods or services is an **Approved Third Party** (in which case a **Credit** will be received by that **Approved Third Party**).

(2) Payment to the third party

The **Sponsoring Operator** for any goods or services is responsible for ensuring that any person who is due to receive a payment in return for agreeing to provide those goods or services receives that payment unless that person is an **Approved Third Party** (in which case the **RSP** will be responsible for this). However, if that **Operator** is bound by Chapter 12, with the consent of the **RSP**, it may, pursuant to Clause 12-15 below, elect to clear that payment through the **RSP** as an **Inter-User Payment**.

PART III: CREATION OF FARES UNILATERALLY OR BY AGREEMENT

4-14 APPLICATION OF PART III

Clauses 4-15 and 4-16 below apply to each **Operator**, whether it is a **Franchise Operator**, an **Open-access Operator**.

4-15 DEDICATED FARES

Subject to Clause 4-25 below (where this applies), each **Operator** may **Create Dedicated Fares** in respect of journeys on its own trains.

4-16 THROUGH FARES AND INTER-AVAILABLE FARES CREATED BY AGREEMENT BETWEEN OPERATORS

(1) Ability to Create such a Fare

Unless they are prohibited from doing so by Clause 4-25 below, any two or more **Operators** may, pursuant to an agreement reached between them, **Create:-**

- (a) a **Through Fare** which is valid for a journey that involves the use of the trains of more than one of those **Operators**;
- (b) an **Inter-available Fare** which entitles the **Purchaser** of it, in making a journey, to choose between the trains of any of those **Operators**; or
- (c) a **Fare** which falls within both paragraph (a) and paragraph (b) above.

Such an agreement must be substantially in the form of Schedule 7. A **Product Implementation Form** signed by the relevant **Operators** will satisfy the requirements of Schedule 7.

(2) Rights and Restrictions

The **Price** of such a **Fare** and (subject to Chapter 8 and the other provisions of this Chapter) the **Rights and Restrictions** applicable to it will be determined by the **Operators** which agree to **Create** it.

**PART IV: CREATION BY LEAD OPERATORS OF THROUGH FARES AND INTER-
AVAILABLE FARES ON COMPULSORY INTER-AVAILABLE FLOWS**

4-17 **APPLICATION OF PART IV**

(1) **The effect of Part IV**

Clauses 4-18 to 4-30 below entitle **Lead Operators** to **Create Permanent Fares** and **Temporary Fares** on **Compulsory Inter-available Flows** in certain circumstances and restrict the circumstances in which certain **Operators** may **Create Fares** pursuant to Clauses 4-15 and 4-16 above.

(2) **The Participating Operators**

Clauses 4-18 to 4-30 below apply only to:-

- (a) **Franchise Operators** which have agreed in a **Franchise Agreement** to be bound by those Clauses;
- (b) **Open-Access Operators** and other **Franchise Operators** which have agreed in an **Accession Agreement** or a **Supplemental Accession Agreement** to be bound by those Clauses; and

These **Operators** are referred to as the “**Participating Operators**”.

4-18 **COMPULSORY INTER-AVAILABLE FLOWS**

All **Flows** without a **Route** restriction, or which include a geographical **Route Code** are **Compulsory Inter-available Flows** except:-

- (a) those specified in Schedule 8; and
- (b) those specified by the **Authority** in an **Inter-Availability Direction** made pursuant to Clause 4-26 below.

4-19 **THE LEAD OPERATOR**

The **Lead Operator** for a **Compulsory Inter-available Flow** is the **Operator** specified as such in the **RSP's** records from time to time. The **Lead Operator** for such a **Flow** may, however, be changed pursuant to Clause 4-28 below.

4-20 **CREATING FARES FOR A COMPULSORY INTER-AVAILABLE FLOW**

(1) **Creation of Fares by Lead Operators**

(a) Subject to Clauses 4-21 to 4-25 below, each **Lead Operator** must **Create** at least one **Inter-available Fare** in respect of each **Compulsory Inter-available Flow** for which it is the **Lead Operator**. This **Fare** must be a **Permanent Fare**.

(b) Subject to Clauses 4-21 to 4-25 below, the **Lead Operator** may also **Create** one or more other **Inter-available Fares** in respect of that **Flow**. These may be **Permanent Fares** or **Temporary Fares**.

(c) Any **Fare** that is **Created** pursuant to this Clause 4-20 may also be a **Through Fare**.

(d) The **Price** of any **Fare** that is **Created** pursuant to this Clause 4-20 and the **Rights and Restrictions** applicable to it are (subject to Chapter 8 and the other provisions of this Chapter) at the discretion of the **Lead Operator**.

(2) **Honouring by other Operators**

Fares Created by a **Lead Operator** pursuant to sub-Clause (1) above must be honoured by any other **Participating Operators** which run trains on all or part of the relevant **Flow**.

(3) **e-Ticket Fares**

A **Lead Operator** may only **Create** an e-Ticket Fare pursuant to sub-Clause (1) above with the consent of each **Operator** who receives a **Percentage Allocation** in respect of the Flow(s) concerned.

4-21 **DUTY OF THE LEAD OPERATOR TO ACT IN AN EVEN-HANDED MANNER**

In **Creating** a **Fare** pursuant to Clause 4-20 above, the **Lead Operator:-**

(a) must act in an even-handed manner between the **Participating Operators** which run trains on the relevant **Flow**; and

(b) must not engage in disruptive or anti-competitive or other pricing policies which restrict, or might reasonably be expected to restrict, passengers' freedom to choose between the services of the **Operators** which run trains on the relevant **Flow**.

4-22 RESTRICTION ON THE CREATION OF ADVANCE PURCHASE TRAIN-SPECIFIC FARES

(1) Fares covered by the restriction

A **Lead Operator** may not **Create** a **Fare** pursuant to Clause 4-20 above which is an "**Advance Purchase Train-specific Fare**".

(2) Ability to **Create Fares** under Part III

Sub-Clause (1) above does not prevent a **Lead Operator** from **Creating** an **Advance Purchase Train-specific Fare** pursuant to Clause 4-15 or 4-16 above.

4-23 RESTRICTION ON THE CREATION OF FARES WHICH REQUIRE A RESERVATION

A **Lead Operator** may not **Create** a **Fare** pursuant to Clause 4-20 above in relation to which the **Rights and Restrictions** require a **Reservation** to be acquired before that **Fare** is valid. However, this does not prevent the **Lead Operator** (or any other **Operator** which is bound to honour that **Fare**) from requiring a **Reservation** to be acquired pursuant to Clause 4-46 below.

4-24 RESTRICTION ON THE CREATION OF FIRST CLASS FARES

(1) Restrictions on **Lead Operators**

A **Lead Operator** may not **Create** a **First Class Fare** pursuant to Clause 4-20 above in respect of a **Flow** for which it does not provide first class accommodation on its trains unless it is required to do so pursuant to sub-Clause (2) below.

(2) Circumstances in which a **Lead Operator** may be required to **Create a First Class Fare**

(a) Where, in respect of a **Compulsory Inter-available Flow**, the **Lead Operator** does not provide first class accommodation on its trains, but one or more other **Participating Operators** do, those **Participating Operator(s)** may, pursuant to a unanimous agreement amongst themselves (if there is more than one of them), require the **Lead Operator** to **Create** one or more **First Class Fares** in respect of that **Flow** having the **Price** and **Rights and Restrictions** specified by them.

(b) However, the **Price** of each **First Class Fare** that is **Created** in this way must be equal to or greater than the **Price** of the **Standard Class Fare Created** by the **Lead Operator** in respect of that **Flow** whose **Rights and Restrictions** are closest to those of the proposed **First Class Fare** in terms of:-

- (i) the range of trains on which travel may be made; and/or
- (ii) the days of the week on which travel may be made; and/or
- (iii) the types of person who are entitled to travel.

(3) Types of **Fare Created**

Any **Fare** which is **Created** pursuant to sub-Clause (2) above will be an **Inter-available Fare**. It may also be a **Through Fare**.

4-25 RESTRICTION ON THE **CREATION OF FARES** UNDER PART III

(1) The **Lead Operator** for a **Flow** may only **Create** a **Fare** in respect of that **Flow** pursuant to Clause 4-15 or Clause 4-16 above if at least one of paragraphs (a) to (f) below applies:-

(a) the **Fare** is a **First Class Fare** and its **Price** is equal to or greater than the **Price** of the **Standard Class Fare Created** in respect of that **Flow** by the **Lead Operator** whose **Rights and Restrictions** are closest to the proposed **First Class Fare** in terms of:-

- (i) the range of trains on which travel may be made;
 - (ii) the days of the week on which travel may be made; and
 - (iii) the types of person who are entitled to travel;
- (b) the **Fare** is an **Advance Purchase Train-specific Fare**;
- (c) the period during which the **Fare** can be used in the 52 weeks ending on the last day of that period, plus the periods during which any other **Fares Created** by the **Lead Operator** for the same, or a substantially similar, **Flow** pursuant to Clause 4-15 or 4-16 above (other than any which fall within paragraph (a) or (b) above) can be used during the same 52 week period, is not more than 12 weeks; or
- (d) the **Fare** is a **Special Fare**.
- (e) the **Lead Operator** has:
 - (i) made a written request to the **Authority** for consent to the **Creation** of that **Fare** and that consent has been granted pursuant to sub-Clauses (2) - (6) below; and
 - (ii) consulted with the **RPC(s)** in whose area the **Flow** to which that **Fare** relates is situated (determined in accordance with the Act), and supplied the results of that consultation to the **Authority**. When consulting with the **RPC(s)** the **Lead Operator** shall stipulate that the **RPC(s)** must respond to the notice within 28 days of the service of the notice and the **Lead Operator** shall not be obliged to submit any response received after such time to the **Authority**.

The **Lead Operator** may, if it wishes, consult with other **Operators** in relation to the **Creation** of that **Fare**, and shall submit any response received to that consultation to the **Authority** together with the written request referred to in sub-paragraph (i) above.

- (f) the fare is a Temporary Fare other than one created pursuant to paragraphs (a) to (e) above, and the Operator has obtained the express consent of all other Operators entitled to a percentage allocation for the flow. Notification of a Dispute does not

provide evidence that express consent has been obtained. The requirement in Chapter 4-5(3) (a)(i) for no similar Temporary Fare to have been offered for sale during the previous 17 weeks need not apply for fares created under this Clause.

(g) the **Fare** is an **e-Ticket Fare** and its **Price** is equal to or greater than the **Price** of the **Standard Class Fare Created**, pursuant to Clause 4-20 above, in respect of that **Flow** by the **Lead Operator** whose **Rights and Restrictions** are closest to the proposed **e-Ticket Fare** in terms of:-

- (i) the range of trains on which travel may be made;
- (ii) the days of the week on which travel may be made, and
- (iii) the types of person who are entitled to travel.

(2) Notification by the **Authority**

Following a request for consent pursuant to paragraph (e) of sub-Clause (1) above, the **Authority** will:

- a) notify the **Regulator**
- b) notify any other **Operator(s)** which he reasonably believes might be affected if he gives his consent; and
- c) consider any representations made by the **Lead Operator** seeking his consent and any representation made by the **Regulator** (insofar as such representation relates to the condition of an **Operator's** Licence relating to predatory fares and exclusionary behaviour), other **Operator(s)** and **RPC(s)**.

(3) Contents of Representations to the **Authority**

Any representations made under this Clause 4-25 must be made in such form and contain such details, and within such times, as the **Authority** specifies from time to time, either generally or in any particular case.

(4) Representations by other **Operators**

(a) In seeking the views of affected **Operators** and the **Regulator** pursuant to sub-Clause (2) above, the **Authority** may give those **Operator(s)** and the **Regulator** any information about the request and the representations made by the **Lead Operator** that the **Authority** considers appropriate.

(b) However, the **Lead Operator** making the request may ask the **Authority** to keep any representations confidential. The **Authority** will comply with such a request, but may refuse to consider further the giving of his consent to the **Creation** of the proposed **Dedicated Fare** if he believes it will not be practicable to seek the views of the other **Operators** which might be affected and the **Regulator** if the information is not disclosed.

(5) Further Information

The **Authority** may require any **Operator** making any representations to provide any further information that he needs, either orally or in writing Sub-Clause (4) above will also apply to these representations.

(6) Notification of the **Authority's** Decision

If the **Authority** gives his consent to a request under this Clause 4-25, he will notify its terms to the **RSP**, the **Regulator** the **Operators** and **RPC(s)** referred to in sub-Clause (2) above as soon as reasonably practicable.

4-26 **INTER-AVAILABILITY DIRECTIONS**

(1) The making of **Inter-availability Directions** by the **Authority**

The **Authority** may direct that one or more **Compulsory Inter-available Flows** (or proposed **Compulsory Inter-available Flows**) will, from the date specified in that direction, be regarded as a **Flow** which is not a **Compulsory Inter-available Flow** either in all respects or with respect to one or more **Fare(s)**, **Fare Type(s)** and/or **Operator(s)**. Such a direction is referred to as an “**Inter-availability Direction**”.

(2) The **Authority's** discretion

(a) The **Authority** may agree to make an **Inter-availability Direction** on a provisional or temporary basis and subject to any conditions that he may specify.

(b) The **Authority's** decision whether or not to make an **Inter-availability Direction** and as to the terms and conditions on which, and the period for which, it is granted will be binding on the **Operators**.

(3) **Inter-availability Directions made at the initiative of the Authority**

(a) An **Inter-availability Direction** may be made by the **Authority** following the receipt of a request made pursuant to Clause 4-27(1) below or on the **Authority's** own initiative. However, the **Authority** will only make an **Inter-availability Direction** on his own initiative if he has sought and considered the views of all the **Operators** which he believes might be affected if it is made and any relevant **RPC(s)**, as described in Clause 4-27(2) below.

(b) If the **Authority** makes an **Inter-availability Direction** on his own initiative he will notify those **Operators** and the **RSP** accordingly in accordance with Clause 4-27(5) below.

4-27 **PROCEDURE FOR MAKING AN INTER-AVAILABILITY DIRECTION**

This is set out in Schedule 4 Part IX

4-28 **CHANGING THE LEAD OPERATOR**

(1) **Requesting a change in the designation of the Lead Operator**

(a) Any **Operator** which receives income in respect of a **Compulsory Inter-available Flow**, but which is not the **Lead Operator** for that **Flow**, may at any time request a change in the identity of the **Lead Operator** for that **Flow**.

(b) The **Lead Operator** itself may not request a change from its designation as the **Lead Operator**.

(2) **Procedure for requesting the change**

The **Operator** requesting a change of **Lead Operator** must serve a notice substantially in the form of Schedule 10 (nominating itself as the proposed **Lead Operator**) on:-

- (a) the existing **Lead Operator** in respect of that **Flow**;
- (b) the other **Operators** which receive **Credits** in respect of the **Flow**;
- (c) the **Authority**; and
- (d) where relevant, the proposed **Lead Operator**.

(3) Agreeing the identity of the **Lead Operator**

Following the service of the notice referred to in sub-Clause (2) above, the relevant **Operators** will attempt to reach an agreement as to which **Operator** should be the **Lead Operator**. If, within four weeks of the service of this notice they have been unable to reach an agreement, Clause 14-4 below will apply.

(4) Criteria for resolving a dispute

Where Clause 14-4 below applies, the **ATOC Schemes Committee** (or the arbitrator or expert appointed in accordance with the **ATOC Dispute Resolution Rules**) will determine whether, in its or his reasonable opinion in the circumstances, the existing **Lead Operator** or the person specified in the notice better satisfies overall the following criteria in relation to the relevant **Compulsory Inter-available Flow**:-

- (a) it is the principal revenue earner (calculated exclusive of **VAT**);
- (b) it is in the best position to understand the market served by the relevant **Flow**, for example a commuter, local or long haul market;
- (c) its appointment is more likely to ensure the avoidance of price anomalies between **Compulsory Inter-available Flows**;
- (d) it is likely to want to set the highest **Price** for the **Fares** on that **Compulsory Inter-available Flow**;

(e) the total revenue (exclusive of **VAT**) earned in respect of the **Flow** by all **Operators** is likely to be greater if it is the **Lead Operator**; and

(f) if the **Compulsory Inter-available Flow** must involve the use of the trains of more than one **Operator**, it runs trains for the longer or longest part of the journey.

4-29 NOTICE TO THE **RSP** OF A NEW **LEAD OPERATOR**

Within seven days of any agreement that is reached or determination that is made as to the identity of a new **Lead Operator**, that **Lead Operator** must send to the **RSP**:-

(a) a notice substantially in the form of Schedule 11 and a copy of the determination or, as the case may be, written evidence of the agreement signed by each of the parties to it; and

(b) such supporting information and/or documents as the **RSP** may from time to time require, generally or in any particular case.

4-30 THE POWERS OF THE NEW **LEAD OPERATOR**

A new **Lead Operator**:-

(a) may not **Create** a **Permanent Fare** pursuant to Clause 4-20 above until the next **Fares Setting Round** to start after the information referred to in Clause 4-29 above has been received by the **RSP**; but

(b) except as otherwise provided above, may **Create Temporary Fares** as soon as it is appointed as the **Lead Operator**.

PART V: CREATION OF THROUGH FARES BY MAJOR FLOW OPERATORS

4-31 **APPLICATION OF PART V**

Clauses 4-32 to 4-36 below enable **Major Flow Operators** to **Create Permanent Fares** and **Temporary Fares** in certain circumstances on **Flows** which are not **Compulsory Inter-available Flows**. However, these Clauses apply only to the **Participating Operators**.

4-32 **MAJOR FLOW OPERATORS**

In respect of a **Flow** between two **Stations** which is not a **Compulsory Inter-available Flow**, each **Operator** which provides services for over half the length of that **Flow** is known as a “**Major Flow Operator**” for that **Flow**. For this purpose the length of a **Flow** is to be determined by the shortest track distance over which a **Fare Created** in respect of that Flow would be valid.

4-33 **CREATING A THROUGH FARE FOR A NON-COMPULSORY INTER-AVAILABLE FLOW**

(1) **A Major Flow Operator may Create the Fare**

(a) Subject to sub-Clause (2) below, a **Major Flow Operator** for a **Flow** which is not a **Compulsory Inter-available Flow** may **Create** one or more **Through Fares** in respect of that **Flow**. However, each **Through Fare** that is **Created** pursuant to this sub-Clause (1) must require the **Purchaser** to use the **Major Flow Operator’s** trains for the part of the **Flow** on which they run.

(b) A **Major Flow Operator** may only **Create** a **Fare** pursuant to this Clause 4-33 which entitles the **Purchaser** to travel between two specified **Stations**.

(c) The **Price** of each of these **Through Fares** and (subject to Chapter 8 and the other provisions of this Chapter) the **Rights and Restrictions** applicable to them are at the discretion of the **Major Flow Operator**.

(d) The **Fares Created** pursuant to this Clause 4-33 may be **Permanent Fares** or **Temporary Fares**.

(2) **Imposition of inter-availability on the secondary leg**

If, on any part of the **Flow** on which the relevant **Major Flow Operator** does not run trains, two or more other **Participating Operators** do run trains (and these stop at the furthest **Station** that the **Major Flow Operator's** trains reach), a **Through Fare Created** by that **Major Flow Operator** must entitle the **Purchaser** to travel on the trains of any other **Participating Operators** without further payment when deciding how to complete his journey.

(3) Honouring by other **Operators**

Fares Created by a **Major Flow Operator** pursuant to sub-Clauses (1) and (2) above must be honoured by the **Operators** referred to in sub-Clause (2) above.

4-34 RESTRICTION ON THE CREATION OF ADVANCE PURCHASE TRAIN-SPECIFIC FARES

(1) **Fares** covered by the restriction

A **Major Flow Operator** may not **Create** a **Fare** pursuant to Clause 4-33 above which is an **Advance Purchase Train-specific Fare**.

Sub-Clause (1) above does not prevent a **Major Flow Operator** from **Creating** an **Advance Purchase Train-specific Fare** pursuant to Clause 4-15 or 4-16 above.

4-35 RESTRICTION ON THE CREATION OF FARES WHICH REQUIRE A RESERVATION

A **Major Flow Operator** may not **Create** a **Fare** pursuant to Clause 4-33 above in relation to which the **Rights and Restrictions** require a **Reservation** to be acquired before that **Fare** is valid. However, this does not prevent the **Major Flow Operator** (or any other **Operator** which is bound to honour that **Fare**) from requiring a **Reservation** to be acquired pursuant to Clause 4-46 below.

4-36 DUTY OF THE MAJOR FLOW OPERATOR TO ACT IN AN EVEN-HANDED MANNER

If, on the part of the **Flow** on which the relevant **Major Flow Operator** does not run trains, two or more other **Operators** do run trains (and these stop at the furthest **Station** that the **Major Flow Operator's** trains reach), in **Creating** any **Fare** pursuant to Clause 4-33 above, the **Major Flow Operator:-**

- (a) must act in an even-handed manner between the **Operators** which are bound to honour that **Fare** and those which are bound to honour any other **Through Fare(s) Created** by the **Major Flow Operator** in respect of the **Flow**; and
- (b) if a **Purchaser** of a **Through Fare** can choose between the trains of two or more **Operators** which run trains on the part of the **Flow** on which the **Major Flow Operator** does not run trains, must not engage in disruptive or anti-competitive or other pricing policies which restrict, or might reasonably be expected to restrict, passengers' freedom to choose between them.

No **Operator** is required to **Create** a **Non-Rail Product** in any circumstances.

4-39 CHANGING OR REMOVING A NON-RAIL PRODUCT

4-43 **DISCOUNT CARDS EXISTING AT THE DATE OF THIS AGREEMENT**

(1) **The Discount Card Agreements**

The **Operators** which are parties to the **Discount Card Agreements** have agreed to **Create** the **Discount Cards** referred to in the **Discount Card Agreements**.

(2) Staff travel

Each of the documents referred to in the first column of Schedule 12 issued by any of the companies referred to in the second column of that Schedule is a **Discount Card** which has been **Created** by the **Operators** which are parties to the **Staff Travel Scheme**. 4-44 CHANGING OR REMOVING A **DISCOUNT CARD** OR **DISCOUNT SCHEME**

(1) **Operators**

A **Discount Card** or **Discount Scheme** may only be discontinued or replaced, or the **Price** of a **Discount Card** or the other terms of a **Discount Card** or a **Discount Scheme** altered, by all the **Operator(s)** which **Created** it, acting in accordance with the procedure set out in Part V of Schedule 4.

4-48 **OPERATORS’ ABILITY TO REQUIRE OR MAKE AVAILABLE RESERVATIONS**

(1) **Requiring Reservations**

(a) An **Operator** may require a **Reservation** to be **Purchased** before the **Purchaser** of a **Fare** is entitled to use particular trains of that **Operator**, even though the **Rights and Restrictions** applicable to the **Fare** do not require a **Reservation** to be **Purchased**. Such an **Operator** is not bound to carry the **Purchaser** of the **Fare** on those trains if a **Reservation** has not been **Purchased**.

(b) However:-

(i) if the **Operator** is a **Franchise Operator**, it must comply with the terms of its **Franchise Agreement**;

(2) Making **Reservations** available

In addition, an **Operator** on whose trains a **Fare** is valid may permit **Reservations** to be **Purchased** in respect of those trains.

(3) **Refunds**

(a) If a new **Station** is built which is not within sub-Clause (1) above, the **Operators** which propose to operate trains which call at that **Station** may decide, by agreement amongst themselves, which **Operator** is the **Lead Retailer**. In the event of a dispute between them, the **Authority** will decide the matter. In reaching his decision he will seek and consider the views of the **Operators** which he believes might be affected by the decision.

(b) Any **Operator** which is likely to be affected by such a decision may make representations to the **Authority** about these matters. In reaching his decision the

Authority will also seek and consider the views of the **Operators** which he believes might be affected by the decision and any other person who is responsible for operating the relevant **Station**.

(3) Notification of changes

The **Authority** will notify each of the **Operators** of any decision he makes pursuant to sub-Clause (2) above as soon as reasonably practicable after making it.

6-3 CHANGING THE LEAD RETAILER

(1) Requesting a change

(a) A request to change the **Lead Retailer** at a **Station** may be made to the **Authority** by:-

(i) that **Lead Retailer**; or

(ii) any other **Operator** whose trains stop at that **Station** for the purpose of allowing passengers on and off the train, or which has access rights which allow them to do so.

(b) The request must nominate an **Operator** as the new **Lead Retailer** and must be supported by written representations by the **Lead Retailer** or other **Operator** seeking the change. No **Operator** may be nominated as a replacement **Lead Retailer** unless it has given its prior consent to the nomination or it is itself seeking the change.

(2) Obtaining the **Authority's** consent

Following the receipt of a request to change a **Lead Retailer**, the **Authority** will:-

(a) notify any other **Operators** which he believes might be affected by the change; and

(b) consider the representations made by the **Lead Retailer** or other **Operator** seeking the change and any made by the **Operators** notified pursuant to sub-Clause (1) above.

(3) The coming into effect of the change

(a) If the **Authority** agrees to a request made pursuant to sub-Clause (1) above, the **Lead Retailer** will be changed accordingly.

(b) The change will take effect four months after the **Authority** notifies the outgoing **Lead Retailer**, the **Operator** which is to become the **Lead Retailer** in its place and the **RSP** of his decision. The change may, however, occur earlier if the **Authority** and all the **Operators** concerned agree.

6-4 WHERE THE LEAD RETAILER'S TRAINS NO LONGER STOP AT A STATION

(1) Change of Lead Retailer

If, after the date of this Agreement, an **Operator** ceases to run trains which stop at a **Station** for which it is the **Lead Retailer**, it must notify the **Authority** as soon as reasonably practicable. The **Authority** will then appoint another **Operator** whose trains do stop at that **Station** as the **Lead Retailer** in place of that **Operator**.

(2) Notification and representations

The **Authority** will only change the **Lead Retailer** at a **Station** pursuant to sub-Clause (1) above if he has first:-

(a) notified that **Lead Retailer**, the **Operator** which he proposes should become the **Lead Retailer** in its place and any other **Operator(s)** which he believes might be affected by the change; and

(b) considered any representations made by that **Lead Retailer** and those **Operator(s)**.

(3) The coming into effect of the change

The change of **Lead Retailer** referred to in sub-Clause (1) above will take effect four months after the **Authority** notifies the persons referred to in sub-Clause (2) above of his decision. The change may, however, occur earlier if the **Authority** and all the **Operators** concerned agree and it is reasonably practicable for the **RSP** to record the change in accordance with its usual procedures at or before the time agreed by them.

6-5 PROCEDURE FOR THE MAKING OF CHANGES

(1) Contents of representations to the **Authority**

Any representations required by Clause 6-3 or 6-4 above must be made in such form and within such times, and must contain such information, as the **Authority** specifies from time to time, either generally or in any particular case.

(2) Representations by other **Operators**

(a) If the **Authority** seeks the views of affected **Operators** pursuant to Clauses 6-3 or 6-4 above, he may give those **Operators** any information about the application and the representations made by the applicant that the **Authority** considers appropriate.

(b) However, the applicant may ask the **Authority** to keep any representations it makes confidential. The **Authority** will comply with such a request, but may refuse to consider further the making of a change if he believes it will not be possible to seek the views of other **Operators** properly if that information is not disclosed to them. If the **Authority** does refuse to do so, he will notify the **Operator(s)** concerned.

(c) If the **Authority** seeks the views of an affected **Operator** about a proposed change, that **Operator** may make representations to the **Authority**. However, the representations must be made in such form and within such times, and must contain such information, as the **Authority** specifies from time to time, either generally or in any particular case.

(d) The **Authority** may require any **Operator** making such representations to provide any further information that he needs, either orally or in writing. Paragraph (b) above will also apply to these representations.

(3) The **Authority's** discretion

The **Authority** may agree to change a **Lead Retailer** pursuant to Clause 6-3 or 6-4 above on a permanent or a temporary basis and subject to any conditions that he may specify. The **Authority's** decision will be binding on the **Operators**.

(4) Notification of changes

(a) If the **Authority** agrees to change a **Lead Retailer** pursuant to Clause 6-3 or 6-4 above, he will notify the change to the **RSP** as soon as reasonably practicable.

(b) As soon as reasonably practicable after the **RSP** receives this notification, it will notify the **Operators** of the relevant change.

Such **Operator(s)** must also supply any bar code or other device specified by the **RSP** that is needed to record the **Sale** of the **Fare**.

(3) Special Fares

(a) Subject to Clause 6-7 below, an **Operator** may **Sell** any **Special Fare** that has been **Created** (and which has not been discontinued or replaced) if:-

Such **Operator(s)** must also supply any bar code or other device that is needed to record the **Sale** of the **Fare**.

(4) **Excess Fares**

(a) An **Operator** may **Sell** any **Excess Fare** that gives the **Purchaser** of it the rights described in paragraph (b) below and those rights are the same as the rights that arise under a **Permanent Fare** or a **Temporary Fare** which that **Operator** is entitled to **Sell**. However, before it does so it must take reasonable steps to ensure that the **Purchaser** already holds a valid **Fare** for the same **Flow** or (in the case of an **Excess Fare** which falls within paragraph (b)(v) below) part of that **Flow**.

(b) An **Excess Fare** may only be **Sold** if it entitles the **Purchaser** of it to:-

(i) travel via a different route than the one he would otherwise be entitled to use;

(ii) travel at a different time or on a different day than he would otherwise be entitled to travel;

(iii) terminate or break and resume his journey at a **Station** at which he would not otherwise be entitled to do this;

(iv) use a better class of accommodation;

- (vi) start his journey at a **Station** that is on the **Permitted Route** for the **Flow** that he is entitled to use, where he would not otherwise be entitled to do this.

(5) **Discount Cards**

An **Operator** may **Sell** any **Discount Card** that has been **Created** (and which has not been discontinued or replaced) if:-

- (ii) it has been notified by the **Operator(s)** which **Created** it that it is permitted to **Sell** it.

- (b) A **Reservation** may be **Sold** by an **Operator** even if that **Operator** has not **Sold** or been asked to **Sell** a **Fare** that is valid for travel on the relevant train and even if the **Purchaser** does not hold a **Ticket** for such a **Fare** at the time of the **Sale**.

6-7 **RESTRICTIONS ON THE SALE OF FARES**

(1) **Restrictions on the Sale of Fares which have not been properly Created**

An **Operator** may not offer any **Fare** for **Sale**, or authorise another person to do so, unless that **Fare** has been **Created** pursuant to Chapter 4 (and has not been discontinued or

replaced). This restriction applies to all **Fares**, including **Dedicated Fares** which are **Sold** by the **Operator** on whose trains they are valid.

(2) Restrictions on the Sale of Temporary Fares

(a) A **Temporary Fare** may only be offered for **Sale** during the period specified in the **Product Implementation Form** that was used to **Create** it.

(b) Each **Operator** which **Sells** a **Temporary Fare** must comply with the terms of that **Product Implementation Form**.

(3) Restriction on the Sale of Special Fares

(a) Some **Special Fares**, as specified in Schedule 5, may not be **Sold** at a **Station** or a **TTL Station** (except by an **ATOC Travel Agent**).

(b) Furthermore, where a **Special Fare** is to be **Sold** only to a particular type of person or together with a right to obtain a particular type of service, it may only be **Sold** to that person or together with that right.

(4) Restriction on the Sale of e-Ticket Fares

(a) An **Operator** may not **Sell** any **e-Ticket Fare** that has been **Created** (and which has not been discontinued or replaced) unless:-

(i) it **Created** that **Fare** (by itself or in conjunction with any other **Operator(s)**); or

(ii) it has been notified by the **(Operator(s))** which **Created** it that it is permitted to **Sell** that **Fare**.

(b) The **Operator(s)** which have **Created** an **e-Ticket Fare** must notify (in accordance with Part III of Schedule 4) any **Operator** which is to be permitted to **Sell** that **Fare** of the terms of the **Product Implementation Form**.

(5) Photocards

- (a) The **Rights and Restrictions** applicable to a **Season Ticket Fare** may require **Purchasers** of that **Fare** to hold a photocard and where, under the **National Rail Conditions of Travel**, they are required to produce a **Ticket** evidencing that **Season Ticket Fare** on demand, to produce the photocard at the same time.
- (b) If a person provides a photograph of himself at a **Ticket Office**, the **Operator** must issue him with a photocard.
- (c) If the **Rights and Restrictions** applicable to a **Season Ticket Fare** require the **Purchaser** of the **Fare** to hold a photocard, an **Operator** may only **Sell** that **Season Ticket Fare** at a **Ticket Office** if the **Purchaser** holds a photocard.
- (d) All photocards which are issued must comply with the standards specified in writing from time to time by the **RSP** for this purpose.

6-8 THE ISSUE OF PERMITS TO TRAVEL

(1) Issue and use of **Permits to Travel**

- (a) An **Operator** may, in any area in which **Penalty Fares** may be charged, issue **Permits to Travel** from machines installed at **Stations** for that purpose.
- (b) **Permits to Travel** may only be issued if the **Ticket Office** at the relevant **Station** is closed or there is no **Ticket Office** there.

(2) Contents of **Permits to Travel**

- (a) Each **Permit to Travel** must state the date and time of the issue, the amount paid for it and the name of the **Station** at which it was issued. It must also contain the following statement, or a statement to the same effect:-

"This permit authorises the holder to travel during one journey from the station named and on the date shown providing that it is exchanged promptly for a valid ticket and any balance of fare due is paid at the first opportunity and in any case within two hours of the time stamped hereon. This document is issued subject to the National Rail Conditions of Travel."

(b) Other than in exceptional circumstances, unless the **Permit to Travel** could only be validly presented on the trains of the **Operator** which issues it, it must:-

(i) be printed in a format specified from time to time by the **Ticketing and Settlement Scheme Council**; and

(ii) comply with any technical specifications determined by the **RSP** with a view to reducing the risk of fraud.

6-9 **NON-RAIL PRODUCTS THAT MAY BE SOLD**

(1) **Operators which may Sell Non-Rail Products**

An **Operator** may **Sell** any **Non-Rail Product** that has been **Created** if:-

(a) it **Created** that **Non-Rail Product** (by itself or in conjunction with any other **Operator(s)**); or

(b) it has been notified by the **RSP** or the **Operator(s)** which **Created** it that it is permitted or required to **Sell** it.

(2) **Supply of bar codes**

The **Operator(s)** which have **Created** a **Non-Rail Product** must supply any **Operator** which is to be permitted or required to **Sell** that **Non-Rail Product** with any bar code or other device specified by the **RSP** that is needed to record the **Sale** of that **Non-Rail Product**.

6-10 **AMOUNT THAT MAY BE CHARGED**

(1) **Fixed price Rail Products**

(a) The **Rail Products** listed in paragraph (b) below may only be **Sold** for an amount equal to the **Price** of the **Rail Product**, less any discount to which the **Purchaser** is entitled:-

(i) by virtue of being a **Child** or presenting a **Discount Card**; or

- (ii) pursuant to an **Operator's Passenger's Charter**.

However, the **Operator** is not required to give a discount pursuant to an **Operator's Passenger's Charter** if the **Sale** takes place through a **Self-service TIM**.

- (b) The **Rail Products** referred to in paragraph (a) above are:-

- (i) **Special Fares**;

- (ii) **Fares** which entitle the **Purchaser** to take an item of luggage or an animal on a journey on the **Network** (where this right does not exist under the **National Rail Conditions of Travel** or, as the case may be, the **CIV Rules** except on the payment of a fee);

- (iii) **Reservations**; and

- (iv) **Upgrades**.

(2) **Excess Fares**

- (a) Subject to paragraph (b) below, an **Excess Fare** may only be **Sold** for an amount equal to the difference between:-

- (i) the **Price** of the **Fare** whose **Rights and Restrictions** are the same as those to which the **Purchaser** is entitled following the **Sale** of the **Excess Fare**, less any discount to which he would have been entitled by virtue of being a **Child** or presenting a **Discount Card** if he had **Purchased** that **Fare**; and

- (ii) the amount (including any **VAT**) which was paid for the **Fare** that the **Purchaser** has already **Purchased**.

- (b) An **Excess Fare** for travel in one direction only may be **Sold** even if the **Fare** that the **Purchaser** already holds is a return **Fare**. In this event, the amount that must be charged for the **Excess Fare** is:-

- (i) calculated in accordance with paragraph (a) above, but using 50 per cent. of the amounts determined in accordance with paragraphs (a)(i) and (ii) above; or

(ii) as the case may be, any higher amount (not exceeding the amount calculated in accordance with paragraph (a) above) specified by the **Operator** which **Created** the **Fare** which the **Purchaser** of the **Excess Fare** has already **Purchased**.

(3) **Other Rail Products**

(a) The amount that may be charged to the **Purchaser** of any **Rail Product** which is not specified in sub-Clauses (1) or (2) above is at the discretion of the **Operator** which **Sells** that **Rail Product**. However, it must not exceed the **Price** of the **Rail Product**, less any discount to which the **Purchaser** of it is entitled:-

(i) by virtue of being a **Child** or presenting a **Discount Card**; or

(ii) pursuant to an **Operator's Passenger's Charter**.

(b) The **Operator** is not required to give a discount pursuant to an **Operator's Passenger's Charter** if the **Sale** takes place through a **Self-service TIM**.

(c) Where an **Operator Sells** a **Rail Product** for less than the amount determined in accordance with the second sentence of paragraph (a) above, it will nevertheless receive a **Debit** of that amount in accordance with Clause 11-4(1) below.

(4) **Non-Rail Products**

With the exception of a product exercisable against the companies shown in Schedule 46, a **Non-Rail Product** may only be **Sold** for an amount equal to the **Price** of the **Non-Rail Product**.

(5) **Payment made at another Station**

(a) An **Operator** may agree to **Sell** a **Rail Product** or a **Non-Rail Product** in return for a payment that is made at another **Station** (whether or not at that **Operator's Ticket Office**).

(b) The **Operator** which received the payment is required to account for the sum received from the **Purchaser** of the **Rail Product** or **Non-Rail Product** to the

Operator which **Sold** it (less any reasonable administrative charge made by it). Each **Operator** agrees that it will receive such payment in these circumstances.

(c) This sum will be an **Inter-User Payment** which will be **Accepted for Clearing** by the **RSP** when information about the **Sale** of the **Fare** is received by it.

(d) For the purposes of this Agreement, any such charge that is made is not regarded as comprising part of the amount paid for the **Rail Product** or **Non-Rail Product**.

6-11 DISCOUNTS FOR CHILDREN

(1) Amount of the discount

The discount to which a **Child** is entitled in respect of a **Rail Product** is the amount or percentage determined, and notified to the **RSP**, by:-

(a) (in the case of a **Fare** or a **Discount Card**) the **Operator(s)** which **Created** it; or

(b) (in the case of a **Reservation** or an **Upgrade**) the **Operator** which notified its availability to the **Operators** pursuant to Clauses 4-47 or 4-49 above.

A **Child** is not entitled to a discount in respect of a **Rail Product** which may only be used by a **Child**.

(2) Notification by the RSP of Child discounts

(a) If the **RSP** is notified pursuant to sub-Clause (1) above that **Children** are to receive a discount in respect of a **Permanent Fare**, it will notify the **Operators** (other than the one(s) which **Created** the **Fare**) accordingly.

(b) If **Children** are to receive a discount in the case of any other **Rail Product**, the **Operator(s)** which **Created** it or (in the case of a **Reservation** or an **Upgrade**) permitted or required it to be **Sold**, must notify the other **Operators** who are permitted or required to **Sell** it accordingly.

**PART III: RAIL PRODUCTS AND NON-RAIL PRODUCTS WHICH OPERATORS
MUST OFFER FOR SALE**

6-12 REGULATED STATIONS

(1) Existing Regulated Stations

(a) The **Stations** at which **Rail Products** are offered for sale at staffed points of sale at the time this Agreement is entered into are referred to as "**Regulated Stations**". They are listed in Schedule 17.

(b) A **Station** which is closed, as permitted by Section 41 or 42 of the **Act**, will cease to be a **Regulated Station** and the **RSP** will delete it from Schedule 17 accordingly.

(2) Stations becoming Regulated Stations

(a) Where:-

(i) a new **Station** that is to have a staffed **Ticket Office** is constructed and Clause 6-2(1) above does not apply; or

(ii) the **Lead Retailer** starts to **Sell Rail Products** at a **Ticket Office** at a **Station** at which it did not previously operate a **Ticket Office**,

the **Lead Retailer** for that **Station** must notify the **Authority** accordingly.

(b) On a date which is between 12 and 18 months after that **Ticket Office** first opened, the **Lead Retailer** must also notify the **RSP** of the opening hours of the **Ticket Office** and the range of **Rail Products** which has been **Sold** at that **Station** during the previous 6 months.

(c) Such a **Station** will, from the date of the notification to the **RSP**, be a **Regulated Station** and the **RSP** will amend Schedule 17 accordingly.

6-13 DEFINITION OF "BASIC PRODUCT"

A **Basic Product** is a **Rail Product** which:-

(a) is valid for one or more journeys on the **Network** in Great Britain and, if it gives the **Purchaser** or any other person the right to obtain goods or other services (for example, entry to a place which is not a **Station** or a **TTL Station**, complimentary refreshments or a discount off the price of any goods or services that would otherwise apply), that right is evidenced by the **Ticket** or **Reservation Voucher** issued in respect of the **Rail Product** and not by any other document; and

(b) can be **Purchased** with any of the methods of payment referred to in Clause 7-1 below.

6-14 **LEAD RETAILERS' OBLIGATIONS IN RESPECT OF BASIC PRODUCTS**

(1) **Basic Products** available at the date of this Agreement

Subject to sub-Clause (2) and Clauses 6-17 to 6-19 below, the **Lead Retailer** at each **Regulated Station** must offer for **Sale** at that **Station** during its opening hours:-

(a) all **Permanent Fares** which are **Basic Products** and which relate to the **Flows** that are listed in those **Fares Manuals** in existence at the date of this **Agreement** that are specified in Schedule 17 against the name of that **Station** (and any new **Flows** listed in any **Fares Manuals** that replace them, to the extent that they cover the same or substantially the same geographical areas);

(b) the **Young Person's Railcard** and the **Senior Railcard**; and

(c) **Reservations** for trains which run on any of the **Flows** referred to in paragraph (a) above.

(2) **Exceptions**

A **Lead Retailer's** obligation to offer any **Rail Products** for **Sale** at a particular **Regulated Station** pursuant to sub-Clause (1) above is subject to the following exceptions:-

(a) if the word "APTIS" appears in Schedule 17 against the name of that **Station** (and no times are specified there) it is only required to offer for **Sale** at that **Station**

the **Rail Products** which are capable of being **Sold** on an **APTIS Machine** (as described in Schedule 18);

(b) if the word "SPORTIS" appears in Schedule 17 against the name of that **Station** (and no times are specified there), it is only required to offer for **Sale** at that **Station** the **Rail Products** which are capable of being **Sold** on a **SPORTIS Machine** (as described in Schedule 19);

(c) if the words "APTIS" and "SPORTIS" each appear in Schedule 17 against the name of that **Station** (and a range of times appear after each):-

(i) it is only required to offer for **Sale** at that **Station** between the times stated against the word "APTIS" the **Rail Products** which are capable of being **Sold** on an **APTIS Machine** (as described in Schedule 18); and

(ii) it is only required to offer for **Sale** at that **Station** between the times stated against the word "SPORTIS" the **Rail Products** which are capable of being **Sold** on a **SPORTIS Machine** (as described in Schedule 19); and

(d) the exceptions stated in the fifth column of Schedule 17 against the name of that **Station**.

(3) **Basic Products notified by other Operators**

A **Lead Retailer** at any **Station** which has a **Ticket Office** must offer for **Sale** at that **Station** a **Temporary Fare** or a **Discount Card** which is a **Basic Product** if:-

(a) it is required to do so by the **Operator(s)** that **Created** it;

(b) it is capable of **Selling** it on the **Approved TIM(s)** that it operates at that **Station**; and

(c) the information specified in the relevant **Product Implementation Form** and any bar code or other device specified by the **RSP** that is needed to record the **Sale** of the **Fare** or **Discount Card** is provided to that **Lead Retailer**.

(4) **Direct train services**

The **Lead Retailer** at any **Station** which has a **Ticket Office** must offer for **Sale** at that **Station** during its opening hours all **Fares** that are available for journeys that can be made from that **Station** to any other **Station** in the **Network** in Great Britain without changing train.

(5) Exception

Clauses 6-14(1)(a), 6-14(1)(c), 6-14(3) and 6-14(4) shall not apply, between 1200 on 24 December 2004 and 1200 on 27 December 2004, to **Reservations** or other **Rail Products** which incorporate an entitlement to a place, seat, a sleeper or the carriage of an item of luggage or an animal on a particular train.

(6) Methods of payment

Nothing in this Clause 6-14 requires a **Lead Retailer** to accept any method of payment for a **Basic Product** which is not specified in Clause 7-1 below.

6-15 APTIS AND SPORTIS

Where "APTIS" and/or "SPORTIS" appears against the name of a **Regulated Station** in Schedule 17, the **Lead Retailer** of that **Station** must continue to have an **APTIS Machine** and/or, as the case may be, a **SPORTIS Machine** (or, in either case, an **Approved TIM** which has at least the same **Ticket** issuing capability) at that **Station**. However, if a range of times appears against those words, it need do so only between the times specified.

6-16 TICKET OFFICE OPENING

(1) Display of times

The opening hours of each **Ticket Office** must be prominently displayed at a location nearby that is accessible to members of the public at all times unless the **Authority** agrees otherwise.

(2) Minimum opening times

(a) The times during which a **Ticket Office** is open are at the discretion of the relevant **Operator**. However, the **Lead Retailer** at a **Regulated Station** must use its

reasonable endeavours to ensure that the **Ticket Office** specified in Schedule 17 against the name of that **Station** is open for the times specified except:

- (i) on Christmas Day, Boxing Day and additionally in Scotland on New Year's Day holidays; and
 - (ii) on other Public or Bank Holidays at **Stations** served by a "Saturday", "Sunday", or "Special" train service, when the **Lead Retailer** at a **Regulated Station** must use its reasonable endeavours to ensure that a **Ticket Office** at that **Station** is open during the "Saturday" or "Sunday" times specified in Schedule 17, or in the case of a "Special" train service during the times which are appropriate for that service; and
 - (iii) during periods when no trains call at that **Station** due to planned engineering work, unless the **Operator** responsible for the **Ticket Office** concerned provides a replacement bus or other service to substitute for the trains that would normally call at the **Station** concerned.
- (b) The **Operator** which is responsible for a **Ticket Office** must use its reasonable endeavours to ensure that the **Ticket Office** is open during the opening hours displayed pursuant to sub-Clause (1) above.

6-17 MINOR CHANGES TO THE SCOPE OF A LEAD RETAILER'S OBLIGATIONS

(1) Types of change that are permitted

An **Operator** may change the range of **Basic Products** that it is required to offer for **Sale** at a **Regulated Station**, the hours during which its **Ticket Office** at a **Regulated Station** is required to be open or the range of **Credit Cards** that it is required by Clause 7-1 below to accept at a **Regulated Station**:-

- (a) in the case of a change in the range of **Basic Products** or the opening hours, the change is in response to a material shift in the timing of demand for the **Sale** of **Rail Products** and the total time during which the relevant **Ticket Office** is open each day is not materially reduced; or

(b) in the case of a change in the range of **Credit Cards**, it has been unable (despite its reasonable endeavours) to negotiate with an appropriate **Credit Card Company** an agreement relating to the acceptance of the relevant **Credit Card**, except on terms which are unreasonably onerous to that **Operator** (having regard to the terms available to it in relation to other **Credit Cards** and the terms available to the British Railways Board at the date of this Agreement); or

(c) in either case, the change does not have a material adverse effect on passengers or other **Operators' Sales** through the relevant **Ticket Office**, particularly in relation to the range of **Rail Products** that can be **Purchased** or, as the case may be, the range of **Credit Cards** that may be used to Purchase them.

The change must be made by following the procedure set out in sub-Clause (2) below.

(2) Procedure

(a) An **Operator** that wishes to make any of the changes referred to in sub-Clause (1) above must serve a written notice on each of the other **Operators**, the **Authority** and the **RSP** specifying the nature of the proposed change.

(b) Any **Operator** may object to the proposed change on the basis that it does not fulfil either of the relevant criteria specified in sub-Clause (1) above by serving a notice in writing on the **Operator** that wishes to make it, the **Authority** and the **RSP**. The **Authority** may also object to the proposed change on the same basis by serving a notice in writing on the **Operator** that wishes to make it and the **RSP**.

(c) If no such notice is served within 28 days after the service of the notice referred to in paragraph (a) above, the proposal will be deemed to have been approved and will be binding on the **Operators** and the **RSP** accordingly.

(d) If a notice of objection is received from an **Operator** within the period referred to in paragraph (b) above and has not been withdrawn by the end of that period, the **Operator** wishing to make the relevant change must, at the end of the period, either:-

(i) withdraw the proposal (and send a written notice to the other **Operators**, the **Authority** and the **RSP** to that effect); or

(ii) refer the matter to the **ATOC Schemes Committee**.

(e) If a referral is made to the **ATOC Schemes Committee**, it (or the expert or arbitrator appointed pursuant to the **ATOC Dispute Resolution Rules**) will determine, in accordance with the **ATOC Dispute Resolution Rules**, whether either of the relevant criteria referred to in sub-Clause (1) above are satisfied in respect of the proposed change.

(f) If the proposed change is approved (or is deemed to have been approved) or the **ATOC Schemes Committee** (or the expert or arbitrator appointed pursuant to the **ATOC Dispute Resolution Rules**) determines that either of the relevant criteria referred to in sub-Clause (1) above are satisfied, the **Operator** which proposed the change must notify the **RSP** of this. The **RSP** will then update Schedule 17 and notify the other **Operators** accordingly.

(g) If a notice of objection is received from the **Authority**, the change may not take place pursuant to this Clause 6-17. However, the **Operator** wishing to make it may make a new application pursuant to this Clause 6-17 or may seek to make the change pursuant to Clause 6-18 below.

(3) **Experimental Changes**

(a) Before an **Operator** makes an **Experimental Change** it must notify the **Authority** of its intention to do so and the date on which the **Experimental Change** is to take effect.

(b) On a date which is between 12 and 18 months after the date of the notice, that **Operator** must notify the **RSP** of the opening hours of the **Ticket Office** in respect of which the **Experimental Change** is to be made and the range of **Rail Products** which has been **Sold** during the previous six months at the **Station** in which that **Ticket Office** is situated. The **RSP** will then amend Schedule 17 accordingly.

6-18 **MAJOR CHANGES TO THE SCOPE OF THE LEAD RETAILERS' OBLIGATIONS**

(1) **Types of change that are permitted**

(a) An **Operator** may change the range of **Basic Products** that it is required to offer for **Sale** at a **Regulated Station** or the hours during which its **Ticket Office** at a **Regulated Station** is required to be open if:-

(i) the change would represent an improvement on current arrangements in terms of quality of service and/or cost effectiveness and members of the public would continue to enjoy widespread and easy access to the **Purchase of Rail Products**, notwithstanding the change; or

(ii) the change is in response to a change in the requirements specified by a **Passenger Transport Executive**.

(b) The change may only be made by following the procedure set out in sub-Clause (2) below.

(c) This Clause 6-18 applies even if the proposed change does not comply with either of the criteria in Clause 6-17(1) above.

(2) Procedure

(a) An **Operator** that wishes to make any of the changes referred to in sub-Clause (1) above must serve a notice on each of the other **Operators**, the **RPC** in whose area the **Station** is situated (determined, in the case of the **RPC**, in accordance with the **Act**), any **Passenger Transport Executive** whose responsibilities relate to that area (or part of it), the **Authority** and the **RSP** specifying the nature of the proposed change and containing the information referred to in sub-Clause (3) below.

(b) Information about the proposed change must also be advertised at the **Station** no later than the day on which the notice is served. The advertisement must invite members of the public who wish to comment on the proposed change to write to the relevant **RPC** not later than 21 days after the service of the notice.

(c) Any **Operator** or the **RPC** may object to the proposed change on the basis that it does not fulfil either of the criteria specified in sub-Clause (1) above by serving a notice in writing on the **Operator** that wishes to make it, the **Authority** and the **RSP**. However, if no such notice is served within 28 days of the service of the notice

referred to in paragraph (a) above, the proposal will be deemed to have been approved and will be binding on the **Operators** and the **RSP** accordingly.

(d) If a notice of objection is received from the **RPC** within the period referred to in paragraph (d) above and has not been withdrawn by the end of that period, the **Operator** wishing to make the relevant change must, at the end of the period, either:-

(i) withdraw the proposal (and send a written notice to the other **Operators**, the **RPC**, any relevant **Passenger Transport Executive**, the **Authority** and the **RSP** to that effect); or

(ii) refer the matter to the **Authority**, who will deal with it in accordance with Clause 6-19 below.

(e) If a notice of objection is received from an **Operator** (but not from the **RPC**) within that period, the **Operator** wishing to make the relevant change must, at the end of the period, either:-

(i) withdraw the proposal (and send a written notice to the other **Operators**, the **RPC**, any relevant **Passenger Transport Executive**, the **Authority** and the **RSP** to that effect); or

(ii) refer the matter to the **ATOC Schemes Committee**.

(f) If such a referral is made to the **ATOC Schemes Committee**, it (or the expert or arbitrator appointed pursuant to the **ATOC Dispute Resolution Rules**) will determine, in accordance with the **ATOC Dispute Resolution Rules**, whether either of the criteria referred to in sub-Clause (1) above are satisfied in respect of the proposed change.

(g) If the **Authority** or the **ATOC Schemes Committee** (or the expert or arbitrator appointed pursuant to the **ATOC Dispute Resolution Rules**) determines that either of the criteria referred to in sub-Clause (1) above is satisfied, the **Operator** which proposed the change must notify the **RSP** of this. The **RSP** will then update Schedule 17 and notify the other **Operators** accordingly.

(3) Contents of the notice

(a) A notice which is served pursuant to sub-Clause (2)(a) above must state the reasons why the **Operator** wishing to make the relevant change believes the change would satisfy either of the criteria referred to in sub-Clause (1) above, taking into account:-

(i) current levels of accessibility to facilities for the **Sale of Fares**;

(ii) the need to safeguard the interests of passengers and other **Operators**;

(iii) the promotion of the use of the **Network**;

(iv) the existence (or the provision as part of the change proposal) of any alternative means, including new technology, of meeting the needs of passengers and other **Operators**;

(v) the sufficiency of those alternative means and the extent to which passengers and other **Operators** can be offered assurances that they will continue to be available;

(vi) the costs of providing existing facilities, the level of demand for those facilities, and the extent to which the proposals would meet the needs of dependent users and the costs of doing so;

(vii) the adequacy of the proposed alternatives in relation to the needs of passengers who are disabled;

(viii) the continued provision of clear standards of service which can easily be understood and monitored; and

(ix) the need to provide passengers with reasonable certainty about the new arrangements and avoid frequent changes.

(b) The notice which is served on the **RPC** must also state:-

- (i) that the **RPC** may object to the proposed change by serving a notice in writing to this effect within 28 days on the **Operator** which proposes to make the relevant change;
- (ii) the addresses to which any such notice must be sent; and
- (iii) that if such a notice is served, the matter will be referred to the **Authority**, who will consider whether the relevant criteria are satisfied.

6-19 CONSIDERATION OF MAJOR CHANGES BY THE **AUTHORITY**

(1) Notification of the **Authority**'s consideration of the application

If a proposal is referred to the **Authority** pursuant to Clause 6-18(2)(d) above, the **Authority** will notify the relevant **RPC** and any **Operators** (other than the one making the proposal) or **Passenger Transport Executives** which he believes may be affected by the proposed change and will consider any representations made by them or by the **Operator** making the proposal.

(2) Contents of representations to the **Authority**

Any representations made pursuant to sub-Clause (1) above must be made in such form and within such times, and must contain such information, as the **Authority** specifies from time to time, either generally or in any particular case.

(3) Representations by other **Operators**

(a) If the **Authority** seeks the views of any **Operators** or **Passenger Transport Executives** or a **RPC** pursuant to sub-Clause (1) above, he may give those **Operators** or **Passenger Transport Executives** or that **RPC** any information about the proposed change and the representations made by the **Operator** wishing to make it that the **Authority** considers appropriate.

(b) However, that **Operator** may ask the **Authority** to keep any representations it makes confidential. The **Authority** will comply with such a request, but may refuse to consider further the making of a change if he believes it will not be possible to seek the views of other **Operators** or **Passenger Transport Executives** or the **RPC** properly if that information is not disclosed to them.

(4) The **Authority**'s decision

After considering any representations made by the **Operators**, the **Passenger Transport Executives** or the **RPC**, the **Authority** will decide whether the proposed change he has been asked to consider satisfies either of the criteria set out in Clause 6-18(1)(a) above. The **Authority's** decision will be binding on the **Operators** and the **RSP**.

(5) Notification of changes

(a) If the **Authority** decides that either of the criteria in Clause 6-18(1)(a) above are satisfied, he will notify the **Operators**, the **Passenger Transport Executives** and the **RPC** as soon as reasonably practicable.

(b) If this notification is made, the proposed change may take place at any time after the date specified for this purpose in the notification (or if no such date is specified, immediately). Any such date that is specified by the **Authority** will be a reasonable time after the date of the notification.

(6) Appointment of an arbitrator

The **Authority** may delegate the consideration of a proposed change to an arbitrator selected by him. However, if he does so, he will instruct the arbitrator to follow the procedure set out in this Clause 6-19. If the arbitrator fails to follow that procedure, Clause 3-5(2)(a) above will apply.

The National Rail Conditions of Travel and a list of participating operators are available at ticket offices."

(b) Unless the **Ticket** or **Reservation Voucher** does not relate to an **RSP-settled Product**, it must also:-

(i) be printed in a format specified from time to time by the **Ticketing and Settlement Scheme Council**; and

(ii) comply with any technical specifications determined by the **RSP** with a view to reducing the risk of fraud and/or enabling the **Ticket** or **Reservation Voucher** to be issued on **Approved TIMs**.

(c) If the **Ticket** or **Reservation Voucher** does not relate to an **RSP-settled Product**, it must not be issued in a confusingly similar format to the format referred to in paragraph (b)(i) above and must clearly indicate the service to which it relates.

(4) **National Class of Accommodation**

(a) A **Ticket** for a **Fare** to which the **Standard National Class of Accommodation** applies must contain the words "standard class" or a recognised abbreviation of it.

(b) A **Ticket** for a **First Class Fare** must signify on it that a class other than standard class applies. However, the words that are used to do this are at the discretion of the **Operator** which issues the **Ticket**.

(5) **Fares not requiring the issue of a Ticket**

When an **Operator Sells** a **Fare** it is not required to issue a **Ticket**:-

(a) if the **Fare** is an **e-Ticket Fare**;

(b) if it has been notified accordingly by the **Operator(s)** which **Created** the **Fare** and it complies with any relevant conditions specified by those **Operator(s)**, and

(c) subject to using its reasonable endeavours to make the purchaser aware that the **Fare** is **Sold** subject to the **National Rail Conditions of Travel**.

(6) **Group travel**

If the **Rights** and **Restrictions** applicable to a **Fare** provide that the **Purchaser** of the **Fare** is only entitled to travel on the **Network** if he does so with one or more other persons who have **Purchased Fares** at the same time, the **Operator** which **Sells** those **Fares** must issue a single **Ticket** in respect of all of them at the time of the **Sale** unless the **Rights and Restrictions** entitle each **Purchaser** to a separate **Ticket**.

6-27 **SALE OF DISCOUNT CARDS**

(1) **Criteria for the Sale of a Discount Card**

Before **Selling** a **Discount Card** an **Operator** must use its reasonable endeavours to ensure that the **Purchaser** meets the criteria for the **Purchase** of the **Discount Card** notified to it by the **RSP** or the **Operator(s)** which **Created** that **Discount Card**.

(2) **Contents of Discount Cards**

(a) Each **Discount Card** that is issued by an **Operator** must state the conditions to which it is subject or contain a reference to another document which states them.

(b) Unless the **Discount Card** only entitles the holder to a discount off the **Price** of **Dedicated Fares** of that **Operator** which are **Purchased** from that **Operator**, it must also:-

(i) be issued in the format specified from time to time by or on behalf of the **Ticketing and Settlement Scheme Council**; and

(ii) comply with any technical specifications determined by the **RSP** with a view to reducing the risk of fraud or enabling the **Discount Card** to be issued on **Approved TIMs**.

6-28 DESIGNATION OF POINTS OF SALE

(1) Ways in which **Rail Products** may be Sold

(a) An **Operator** may only **Sell** a **Rail Product**:-

(i) at a **Dedicated Point of Sale**;

(ii) at an **Impartial Point of Sale**;

(iii) on a train; or

(iv) through a **Self-service TIM**.

(b) Paragraph (a) above applies whether the **Rail Product** is **Sold** by the **Operator** itself or by another person on its behalf, unless that other person is an **ATOC Travel Agent**, an **ITX Travel Agent** or an **Approved Third Party**.

(2) Designation of **Dedicated Points of Sale**

(a) Each **Dedicated Point of Sale** must be designated in such a way that it is clear to potential **Purchasers** that the **Operator** which is responsible for it does not give impartial advice about **Rail Products** at that **Dedicated Point of Sale**, or **Sell Rail Products** on an impartial basis there. A staffed point of sale or a **Telephone Sales Office** or an **Internet Site** or a **Site** which is not designated in this way is an **Impartial Point of Sale** (unless it is on a train).

(b) Each **Dedicated Point of Sale** and each **Impartial Point of Sale** must make it clear:-

(i) whether it is open or closed; and

(ii) whether it is restricted to the **Sale** of certain types of **Fare**.

(3) Designation of **Impartial Points of Sale**

(a) Subject to Clause 6-28(3)(b) and Clause 6-28(3)(c) an **Impartial Point of Sale** must not be marked in such a way that it suggests (expressly or by implication) a connection to a particular **Operator**.

(b) An **Internet Site** or a **Telephone Sales Office** or a **Site** that is an **Impartial Point of Sale** may be marked in a way that suggests a connection to a particular **Operator** provided that the **Operator** can demonstrate through the **Annual Survey** specified in the appropriate **ATOC Standard** that it provides information impartially and **Sells Rail Products** in an impartial manner.

(c) An **Internet Site** or a **Site** that is an **Impartial Point of Sale** must be marked in such a way that it is clear to members of the public using it that it gives impartial information and **Sells Rail Products** and **Non-Rail Products** impartially.

(4) Advertisements promoting **Internet Sites** and **Telephone Sales Offices** and **Sites** that are **Impartial Points of Sale**

Any advertisement issued by an **Operator** to promote an **Internet Site** or **Telephone Sales Office** or a **Site** that is an **Impartial Point of Sale** must make it clear to members of the public using it that the **Operator** gives impartial advice about **Rail Products**, or **Sells Rail Products** on an impartial basis from that **Internet Site** or **Telephone Sales Office** or **Site**.

6-29 DESIGNATION OF **INFORMATION CENTRES**

(1) Types of **Information Centre**

An **Information Centre** may be:-

- (a) a **Dedicated Information Centre**; or
- (b) an **Impartial Information Centre**.

(2) Designation of **Information Centres**

An **Operator** which operates a **Dedicated Information Centre** must make it clear to persons who visit the **Information Centre** that it does not give impartial advice there. If it fails to do this, the **Information Centre** will be an **Impartial Information Centre**.

6-30 THE IMPARTIALITY OBLIGATION

(1) The general rule

- (a) An **Operator** which **Sells Fares**, or provides information about them, on a train or at an **Impartial Point of Sale** or an **Impartial Information Centre** must act fairly and impartially between **Operators**. Any such information that is provided must be factual, accurate and impartial.
- (b) At least 51 per cent. of a **Lead Retailer's** staffed points of sale which are open at a **Station** must be **Impartial Points of Sale** unless the **Authority** agrees otherwise.
- (c) At any of the **Impartial Points of Sale** referred to in paragraph (b) above only certain types of **Rail Product** (for example, only **Season Ticket Fares** or **Fares** which are intended to be used on the day of **Purchase**) may be offered for **Sale** as long as at least half the **Impartial Points of Sale** which are open at the same **Station** (or any smaller proportion agreed by the **Authority**) **Sell** the full range of **Rail Products**. Each **Impartial Point of Sale** at which a restricted range of **Rail Products** is available must be clearly labelled with the type(s) of **Rail Product** that may be **Purchased** there.
- (d) **Operators** must accurately **Sell** to **Purchasers** the **Fares** appropriate for the journey described by the **Purchasers**.

(2) Specific requirements

(a) If more than one **Fare** is available that meets the requirements specified by a potential **Purchaser** and he does not specify which of the **Fares** he requires, the **Operator** must seek any additional information from him that is necessary to enable it to recommend (in an impartial manner) which of them is suitable for him.

(b) Where an **Operator** is asked to recommend a suitable **Fare** or paragraph (a) above applies, it must request sufficient additional information to enable it to make the recommendation. This may (for example) include any of the following:-

- (i) the departure and/or arrival time required;
- (ii) how important it is to the person requesting the **Fare** to minimise the journey time involved;
- (iii) the importance to him of the price of the **Fare**;
- (iv) whether he minds changing trains;
- (v) (if a return journey is to be made) the extent to which he needs flexibility in his choice of trains for that journey;
- (vi) whether he wants the flexibility of an **Inter-available Fare**; and
- (vii) any special requirements that he has.

(c) If more than one **Fare** is suitable, the **Operator** must explain the main features of the alternatives in an impartial manner.

(d) If, on a train or at an **Impartial Point of Sale**, a person asks to **Purchase** a particular **Fare** which is offered for **Sale** there, the **Operator** which operates that train or **Impartial Point of Sale** may **Sell** him that **Fare** without seeking any additional information unless it is reasonably apparent that he wants to make a journey which it is not possible to make with it.

(e) The **Operator** must not give any information which it knows to be inaccurate or misleading. The **Operator** must not give any opinion which is not based on verifiable fact.

(f) If, on the basis of the information it has, an **Operator** reasonably believes that the **Operator** which is due to provide the train services to which a **Fare** relates will be unable to provide them, it may take this into account when deciding whether to recommend that **Fare**.

(3) Requirement to offer a full range of **Fares**

(a) If an **Operator** offers a **Fare** for **Sale** at a **Ticket Office** at a **Station** at which it is the **Lead Retailer** or on a train or at an **Internet Site** or at a **Telephone Sales Office** or at a **Site** that is an **Impartial Point of Sale**, it must also offer for **Sale** all **Fares** relating to that **Flow** which have similar **Rights and Restrictions**, including those which entitle the **Purchaser** to use other **Operators'** trains.

(b) Unless the **Authority** agrees otherwise, if an **Operator** offers a **Fare** for **Sale** at a **Self-service TIM**, at a **Station** at which it is the **Lead Retailer**, it must also offer for **Sale** all **Fares** relating to that **Flow**, that are valid for travel from that **Station**, which have similar **Rights and Restrictions**, including those which entitle the **Purchaser** to use other **Operators'** trains.

(c) Paragraph (b) above also applies to a **Self-service TIM** located at a **Station** which is operated by an **Operator** that is not the **Lead Retailer** at that **Station** unless it is made clear to members of the public that such a range of **Fares** is not available from the **Self-service TIM**.

(d) Any written information that is displayed on a **Self-service TIM** to which paragraph (b) above applies must be impartial between the **Fares** of different **Operators**.

(4) Giving incentives

An **Operator** must not remunerate or otherwise reward its **Ticket Office**, **Information Centre**, **Internet Site**, **Telephone Sales Office** or **Site** staff by reference to **Sales** of the

Fares of one or more particular **Operators**, except in relation to **Sales** that take place at **Dedicated Points of Sale**.

6-31 **MATCHING OF FARES TO PRODUCE A THROUGH JOURNEY**

Where, at an **Impartial Point of Sale**, a person indicates that he wishes to make a journey for which a **Fare** is not available, the **Operator** which operates that **Impartial Point of Sale** must offer to **Sell** him a combination of two or more of the **Fares** offered for **Sale** at that **Impartial Point of Sale** which between them are valid for the whole journey unless such a combination is not possible using the **Fares** that are offered for **Sale** there. The **Operator** must use its reasonable endeavours to ensure that the combined **Fares** meet the **Purchaser's** requirements.

6-32 **SALE OF FARES THROUGH SELF-SERVICE TIMS**

An **Operator** must ensure that:-

- (a) every **Self-service TIM** it operates prominently displays:-
 - (i) the name of the **Operator**;
 - (ii) the **Fares** that are available from that **Self-service TIM**; and
 - (iii) the address to which a **Purchaser** of a **Fare** from that **Self-service TIM** must apply in order to claim a **Refund** in respect of that **Fare**; and
- (b) a notice stating any location(s) in the **Station** in which the **Self-service TIM** is situated where **Fares** may be **Purchased** otherwise than by using a **Self-service TIM** is prominently displayed on or nearby the **Self-service TIM**.

6-33 **PROVISION OF INFORMATION AT IMPARTIAL POINTS OF SALE AND IMPARTIAL INFORMATION CENTRES**

- (1) Obligation to provide information

Subject to sub-Clause (2) below, each **Operator** must provide the following information at each of its **Impartial Points of Sale** and **Impartial Information Centres**:-

- (a) each **Operator's** train times, as published in the **National Timetable**;
 - (b) any notified alterations or additions to those published train times, in particular those concerning engineering work and bank holidays;
 - (c) the on-train facilities that are available, including those relating to disabled travel, cycle conveyance, available classes of accommodation and catering arrangements;
 - (d) the facilities that are available at each **Station** (as described in the **National Timetable**);
 - (e) the **Fares** that may be **Purchased** at that **Impartial Point of Sale** or, as the case may be, about which information may be obtained at that **Impartial Information Centre**;
 - (f) **Station** and **TTL Station** interchange times and arrangements, as described in the **National Timetable** or other publications; and
 - (g) **Reservation** arrangements for seats, cycles, disabled customers, sleeper accommodation and accompanied articles and animals.
- (2) Exception

An **Operator** is only required to provide the information referred to in sub-Clause (1) above to the extent that it has been provided with it.

6-34 **ROUTEING GUIDE**

An **Operator** must ensure that:

- (a) a **Purchaser** and a potential **Purchaser** of a **Fare** can obtain information about the **Permitted Routes** for the corresponding **Flow**; and
- (b) the **Routeing Guide** can be viewed on an **Internet Site**.

6-35 **OPERATOR SUPPORT**

(1) **Obligations to provide support**

(a) Each **Operator** must make available information about its train services to each **Ticket Office** which has an **Impartial Point of Sale**, each **Internet Site** and each **Telephone Sales Office** and each **Site** which is an **Impartial Point of Sale** and each **Impartial Information Centre** (whether or not it is operated by another **Operator**) as soon as it is available. It must also make available to each of these **Ticket Offices**, **Internet Sites** and **Telephone Sales Offices** and **Sites** which are **Impartial Points of Sale** and **Information Centres** information about any of its **Rail Products** that are **Sold**, or about which information is provided, at that **Ticket Office**, **Internet Site** and **Telephone Sales Office** and **Site** which is an **Impartial Point of Sale**, or **Information Centre**.

(b) This information must be updated if it changes and must include information about engineering and bank holiday service variations.

(2) **Further information that may be supplied**

In addition to the information referred to in sub-Clause (1) above, an **Operator** may (for example) supply the following to a **Ticket Office**, an **Internet Site**, and a **Telephone Sales Office** and a **Site** which is an **Impartial Point of Sale** or **Information Centre**:-

(a) advance timetable information (once confirmed by Railtrack PLC), giving background details of future train service changes;

(b) retailing information (in the form of staff merchandisers, or other appropriate documents), including information about **Temporary Fares**;

(c) details of catering services on the trains of the **Operator** supplying the information;

(d) details of any personal help service that is offered in relation to **Reservations** during normal office hours;

(e) information about facilities for staff who are responsible for **Selling Rail Products** or providing information to customers to undertake familiarisation journeys on the relevant **Operator's** trains;

(f) a merchandising plan describing the publicity materials that are to be made available and display dates; and

(g) a promotions plan in relation to any merchandising support or retail training agreed with the **Operator** to which it is supplied.

6-36 SERVICE QUALITY

(1) Image

Each **Operator** must use its best endeavours to ensure that its staff at an **Impartial Point of Sale** or an **Impartial Information Centre** provide a professional, impartial, courteous and friendly image to customers.

(2) Reservations

When **Selling** a **Reservation** the **Purchaser's** preferences (for example, as to whether or not he prefers to face the direction of travel) must be sought and the appropriate **Reservation Sold** accordingly.

(3) Liability for information failures

An **Operator** will not be liable for supplying inaccurate information, or for failing to supply information, if this is caused by an error or omission in the information supplied by another **Operator** (unless it has been corrected by the issue of a supplement or other advice).

(4) Queueing times

(a) Each **Operator** must use its reasonable endeavours to ensure that no-one has to queue at its **Impartial Points of Sale** (that are not **Internet Sites, Telephone Sales Offices** or **Sites**) to **Purchase** a **Rail Product** for more than five minutes during times of peak demand or for more than three minutes at any other time (or any shorter period(s) specified in its **Passenger's Charter**).

(b) For these purposes, that **Operator** may determine, on a reasonable basis, the times of peak demand applicable to each of its **Impartial Points of Sale**.

(c) Unless the **Authority** agrees otherwise, the times of peak demand applicable to each **Impartial Point of Sale** must be prominently displayed at a location nearby that is accessible to members of the public at all times.

6-37 STAFF

(1) Competence

Each **Operator** must ensure that its staff who work at an **Impartial Point of Sale** or an **Impartial Information Centre**:-

(a) have received appropriate training in each **Operator's** timetable and about **Rail Products** which are offered for **Sale** there or about which information is available there; and

(b) are competent to advise customers correctly so as to achieve compliance with Clause 6-30 above.

(2) Customer service skills

Each **Operator** must ensure that all its staff who work at an **Impartial Point of Sale** or an **Impartial Information Centre** receive adequate training in customer service and sales skills, so as to achieve compliance with Clause 6-36(1) above.

(3) Dress code

Each **Operator** must establish and implement an appropriate dress code for its staff who work at an **Impartial Point of Sale** (that is not an **Internet Site**, **Telephone Sales Office** or **Site**) or an **Impartial Information Centre** and must ensure that they comply with that dress code and do not smoke, eat or drink in the view of customers.

(4) Staff briefings

Each **Operator** must ensure that its staff who work at an **Impartial Point of Sale** or an **Impartial Information Centre** receive periodic briefings with a view to communicating to them information about the **Operators'** products and businesses. This may include, for example:-

(a) making available other **Operators'** newsletters or other briefing material; and/or

(b) personal briefings by other **Operators** at times agreed with the **Operator** which is responsible for the relevant **Impartial Point of Sale** or **Impartial Information Centre**.

(5) Costs of in-depth briefings

Where an **Operator** requires an in-depth briefing of another **Operator's** staff pursuant to sub-Clause (4) above which cannot be accommodated within a routine briefing meeting or which needs all staff to attend within a short period, the means and costs of achieving that in-depth briefing will be agreed with the **Operator** that is responsible for those staff. Those costs will be paid for by the **Operator** requiring the briefing.

(6) Familiarisation trips

(a) If an **Operator** is reasonably requested by another **Operator** from time to time to do so, it will permit its staff who work at an **Impartial Point of Sale** or an **Impartial Information Centre** to undertake "familiarisation trips" on that other **Operator's** services in order to gain familiarity with the services provided and the key destinations served by that other **Operator**.

(b) Any reasonable costs incurred as a result by the **Operator** which is responsible for the **Impartial Point of Sale** or the **Impartial Information Centre** will be reimbursed by the **Operator** requesting the familiarisation trip.

(7) Supervision

Each **Operator** must introduce and enforce supervision procedures which are designed to ascertain whether its staff who work at an **Impartial Point of Sale** or an **Impartial**

Information Centre are complying with Clauses 6-30, 6-31, 6-33, 6-36 and sub-Clause (3) above.

PART VII: PROMOTIONAL MATERIAL

6-38 **ALLOCATION OF DISPLAY SPACE**

(1) **Percentage of space available**

(a) A reasonable proportion of any display space that is available at **Ticket Offices** which have an **Impartial Point of Sale** must be reserved for **Rail Products Created** pursuant to an **ATOC Scheme** (other than the **Ticketing and Settlement Scheme**) that are offered for **Sale** throughout Great Britain.

(b) The remaining display space at such a **Ticket Office** must be available on an impartial basis to the **Operators** on whose trains **Rail Products** that are offered for **Sale** at that **Ticket Office** are valid.

(2) **Allocation of space**

(a) The space referred to in sub-Clause (1)(b) above must be allocated to each of the **Operators** referred to in that sub-Clause in reasonable proportions, having regard to their respective shares of non-**Season Ticket Fare** revenue from **Sales** at that **Ticket Office** in the preceding financial year of the **RSP**.

(b) In the event of a dispute the matter must be referred to the **ATOC Schemes Committee**. Following such a referral, the **ATOC Schemes Committee** (or an expert or arbitrator appointed pursuant to the **ATOC Dispute Resolution Rules**) will determine, in accordance with the **ATOC Dispute Resolution Rules**, the proportion of display space that each such **Operator** is entitled to under paragraph (a) above.

(3) **Securing of additional space**

No **Operator** may increase the display space at a **Ticket Office** which has an **Impartial Point of Sale** beyond the space allocated to it under sub-Clause (2) above by securing additional space exclusively reserved for the display of promotional material which it has supplied.

6-39 USE OF DISPLAY SPACE

(1) Display of promotional material

Promotional material received by an **Operator** for the purpose of Clause 6-38 above must be prominently displayed in the condition received by that **Operator** and must not be obscured in any way.

(2) Monitoring of stocks

Each **Operator** must monitor the quantities of promotional material on display at its **Ticket Offices** and must notify the **Operator(s)** which supplied it in sufficient time to enable stocks to be re-ordered where this is necessary to meet customer demand.

(3) Changing of displays

Provided that promotional material has been received in time, the **Operator** which is responsible for a **Ticket Office** at which it is displayed pursuant to this Clause 6-39 must ensure that an **Operator's** displays are changed on each date reasonably specified by it.

(4) Size guidelines

(a) Each **Operator's** promotional material must conform to the size guidelines determined from time to time by the **Ticketing and Settlement Steering Group** (after considering any recommendations made by the **Retail Group**).

(b) No **Operator** will be required to display promotional material which does not comply with these guidelines unless its reasonable charges for doing so are paid in advance.

6-40 CONTACTS

Each **Operator** must notify every other **Operator** of the name and address of one or more persons who may be contacted to discuss the provision of promotional materials and one or more addresses to which all materials for display at the first **Operator's Ticket Offices** must be despatched. These notifications must be made through the **Retail Group**.

6-41 PROMOTIONAL MATERIAL AT INFORMATION CENTRES

Operators are not obliged to display promotional material at **Information Centres** but must make available to the public any promotional material that is reasonably supplied by other **Operators**. If an **Operator** does display promotional material at its **Information Centres**, it must do so in accordance with Clause 6-38(1) above.

PART VIII: MISCELLANEOUS

6-42 PERFORMANCE MONITORING

- (1) Each year the **Ticketing and Settlement Scheme Council** must commission an **Annual Survey** of retail performance by **Operators** to determine whether or not they are complying with their obligations under Clause 6-30.
- (2) Changes to the methodology to be adopted for the **Annual Survey** must be agreed by the **Ticketing and Settlement Scheme Council** and the **Authority**.
- (3) The **Threshold** for each year will be 96.5%. An **Operator** will be deemed to have met the **Threshold** if the sum of the weighted score achieved in the **Annual Survey** and the confidence interval of the **Operator** is equal to, or above the **Threshold**.
- (4) The **Threshold** may not be reduced without the prior consent of the **Authority** having been obtained.
- (5) The **Authority** shall have the right to verify whether the calculations made in producing the **Annual Survey** have been correctly made.

Fieldwork for the **Annual Survey** will be undertaken between 1 April and 31 October, unless the **Ticketing and Settlement Scheme Council** agrees otherwise. The **Retail Group** shall consider the results of the **Annual Survey** at the January meeting in the year following completion of the **Annual Survey** undertaken in the previous year.

6-43 REMEDIAL ACTIONS

- (1) The **Ticketing and Settlement Scheme Council** will require an **Operator** failing to meet the **Threshold** to take **Improvement Action** to remedy the failure. The **Operator** must document the **Improvement Action** in, and carry out the **Improvement Action** in accordance with, the **Plan**. The **Plan** must be formulated in accordance with Schedule 41 and the **PMMD**.
- (2) The **Plan** must be approved by **Retail Group**. In deciding whether to approve the **Plan**, **Retail Group** will act in accordance with the terms of reference set out at Schedule 42.

(3) An **Operator** who is required to prepare a **Plan** must submit it to the March meeting of the **Retail Group** in the year following completion of the **Annual Survey** to which the **Plan** refers.

(4) If an **Operator** fails to submit a **Plan** in accordance with Clauses 6-43(1) and 6-43(3), the **Ticketing and Settlement Scheme Council** shall be entitled to exercise whichever of the **Reserve Powers** as are set out in Clause 6-44(2) as it considers appropriate.

(5) During the currency of the **Plan**, the **Operator** must take **Improvement Action** and meet the **Improvement Milestones** in accordance with the **Plan**.

(6) An **Operator** required to prepare a **Plan** in accordance with Clauses 6-43(1) and 6-43(3) will submit a written report to **Retail Group** by 31 December in the year following completion of the **Annual Survey** for the previous year specifying the actions that have been taken to implement the **Plan**.

(7) If an **Operator** fails to submit a written report in accordance with Clauses 6-43(6), the **Ticketing and Settlement Scheme Council** shall be entitled to exercise whichever of the **Reserve Powers** as are set out in Clause 6-44(2) as it considers appropriate.

6-44 **RESERVE POWERS**

(1) If an **Operator** does not perform any **Improvement Action** activity in accordance with the **Improvement Milestone** set out in the **Plan** for that activity (as determined by the follow up survey carried out pursuant to the **Plan**), the **Ticketing and Settlement Scheme Council** shall be entitled to exercise whichever of the **Reserve Powers** as are set out in sub-Clause (2) as it considers appropriate. The **Ticketing and Settlement Scheme Council** shall have regard to the **Criteria** in order to determine which of the **Reserve Powers** is appropriate. For the purposes of this vote, each **Operator** (except the **Operator** who did not perform the **Improvement Action**) shall have one vote.

(2) The **Reserve Powers** are:

- (i) the withholding of commission; and/or
- (ii) a direction to carry out specified **Improvement Action**.

(3) The **Ticketing and Settlement Scheme Council** may exercise its **Reserve Powers** only to the extent that the cost to the **Operator** of compliance are equal to or less than the **Maximum Amount**.

(4) At the second meeting of the **Ticketing and Settlement Scheme Council** after the end of each financial year of the **RSP**, the **Ticketing and Settlement Scheme Council** will calculate the aggregate amount of commission withheld from **Operators** pursuant to Clause 6-44(2), and shall compare that aggregate amount with the estimated costs for the operation of the arrangements set out in this Part VIII and of operating the **Annual Survey** in the ensuing financial year. To the extent that there is any excess of sums withheld over the costs so calculated, the **Ticketing and Settlement Scheme Council** shall arrange for the excess to be distributed to **Operators** who are not subject to a requirement to carry out **Improvement Action** as at the end of the financial year in question in proportion to their **Voting Percentage**.

6-45 DELEGATION OF POWERS

The **Ticketing and Settlement Scheme Council** may delegate the performance of any of its rights under Clause 6-43 to the **Retail Group** and under Clause 6-44 to the **Ticketing and Settlement Steering Group** to the extent permitted pursuant to the **PMMD**.

6-46 DISPUTES

If any **Operator** considers that the **Ticketing and Settlement Steering Group** has failed correctly to apply the **Criteria**, the **Operator** may, within 10 **Business Days** of the decision of the **Ticketing and Settlement Steering Group** appeal to the **Ticketing and Settlement Scheme Council** in writing to reverse the decision of the **Ticketing and Settlement Steering Group**. The **Ticketing and Settlement Scheme Council** shall consider the appeal at its next meeting and the decision of the **Ticketing and Settlement Steering Group** shall be confirmed only if the **Ticketing and Settlement Scheme Council** votes by a two thirds majority to approve the decision. For the purposes of this vote, each **Operator** (except the **Operator** making the appeal) shall have one vote. The decision of the **Ticketing and Settlement Steering Group** shall be suspended pending the vote of the **Ticketing and Settlement Scheme Council**.

6-47 REFERRAL TO THE AUTHORITY

Any **Operator** that has failed to perform any **Improvement Action** in accordance with an **Improvement Milestone** by the later of:

- (i) the time that the next following **Annual Survey** commences; and
- (ii) a date twelve months after the date of any follow up survey provided for in the relevant **Plan**

shall be referred to the **Authority** by the **Ticketing and Settlement Scheme Council** in order for the **Authority** to consider whether any action under Section 55 of the **Act** is appropriate in respect of that **Operator**.

6-48 **DUPLICATE TICKETS AND DUPLICATE DISCOUNT CARDS**

(1) **Issue of Duplicate Tickets and Duplicate Discount Cards**

(a) An **Operator** must issue a **Duplicate Ticket** or a **Duplicate Discount Card** in respect of a **Fare** or, as the case may be, a **Discount Card** which it has **Sold** if the **Purchaser** of the **Fare** or **Discount Card** is entitled to one under the **National Rail Conditions of Travel**, the **CIV Rules** or any other conditions of which it is aware to which the **Fare** or **Discount Card** is subject.

(b) An **Operator** must also issue a **Duplicate Ticket** in exchange for a **Ticket** which is malfunctioning so that the information on it cannot be read electronically.

(c) If the **National Rail Conditions of Travel**, the **CIV Rules** or such other conditions state that a **Duplicate Ticket** or a **Duplicate Discount Card** may be available from an **Operator** which has **Sold** a **Fare** or, as the case may be, a **Discount Card**, that **Operator** has discretion whether or not to issue the **Duplicate Ticket** or **Duplicate Discount Card**.

(d) In issuing a **Duplicate Ticket** or a **Duplicate Discount Card**, the **Operator** must comply with any security measures specified by the **RSP** from time to time.

(2) **Ability of the Operator to make an administrative charge**

(a) An **Operator** which issues a **Duplicate Ticket** or **Duplicate Discount Card** may make a reasonable administrative charge to the person to whom it is issued, except in the case of a **Duplicate Ticket** which is issued in exchange for a **Ticket** which is damaged or is malfunctioning.

(b) An **Operator** which makes such a charge must make the same charge for all **Duplicate Tickets** that it issues and the same charge (which may be different from the charge for **Duplicate Tickets**) for all **Duplicate Discount Cards** that it issues.

6-49 **REFUNDS**

(1) **Entitlements to Refunds**

An **Operator** must make a **Refund** in respect of any **Rail Product** it has **Sold** if the **Purchaser** of the **Rail Product** is entitled to the **Refund** under the **National Rail Conditions of Travel**, the **CIV Rules**, or any other conditions of which it is aware to which the **Rail Product** is subject.

(2) **Discretionary Refunds**

(a) An **Operator** may make a **Refund** in respect of any **Rail Product** it has **Sold** if that **Operator** reasonably believes that:-

(i) the related **Ticket** or **Reservation Voucher**, or the relevant **Discount Card**, was lost, stolen or accidentally destroyed before it was fully used or expired (or the application for the **Refund** relates to a **Rail Product** which was obtained from that **Operator** to provide a replacement for the **Ticket**, **Reservation Voucher** or **Discount Card** that was lost, stolen or accidentally destroyed); and

(ii) either:-

(1) the circumstances of the loss, theft or accidental destruction prevent the subsequent use of the relevant **Rail Product** or an application for another **Refund** in respect of it; or

(2) a refusal of the application would cause hardship.

(b) An **Operator** may also make a Refund in respect of any **Rail Product** it has **Sold** if the applicant was prevented from using that **Rail Product** when he wished to as a result of a severe disruption to any **Operator's** services.

(c) The amount of any **Refund** that is made in respect of a **Season Ticket Fare** must be reasonably proportional to the extent to which the **Purchaser** of that **Fare** was prevented from using it.

(3) Processing applications for **Refunds**

If the **Purchaser** of a **Rail Product** asks an **Operator** which did not **Sell** that **Rail Product**, that **Operator** must:-

(a) provide the **Purchaser** with a form on which he can make a claim for a **Refund** and give him reasonable assistance in completing it; and

(b) promptly forward any such completed form (together with the related **Ticket**, **Discount Card** or **Reservation Voucher**) to the **Operator** which **Sold** the relevant **Rail Product**.

(4) Administrative charges

(a) An **Operator** which makes a **Refund** may make an administrative charge to the person applying for the **Refund** if it is expressly permitted to do so under the **National Rail Conditions of Travel**, the **CIV Rules** and/or, as the case may be, any other conditions to which the relevant **Rail Product** is subject.

(b) An **Operator** which makes any such charge must make the same charge in respect of all amounts in respect of **Fares** which it refunds, all amounts in respect of **Discount Cards** which it refunds, all amounts in respect of **Reservations** which it refunds and all amounts in respect of **Upgrades** which it refunds. However, the charge for **Fares**, **Discount Cards**, **Reservations** and **Upgrades** respectively may be different.

(c) Any administrative charge that is made must reasonably reflect the cost of processing the application for the relevant refund.

6-50 **SEASON TICKET FARE EXTENSIONS**

(1) **Making extensions**

Extensions to the validity of a **Season Ticket Fare** may only be made with the consent of all the **Operators** which receive a **Credit** in respect of that **Fare** unless reasonable compensation is paid to those other **Operators**. The extension must be given by the **Operator** which **Sold** the **Season Ticket Fare**.

(2) **Obligation to notify**

(a) An **Operator** whose services result in a passenger having a claim under its **Passenger's Charter** for a discount against the **Price** of a **Season Ticket Fare** or an extension to the validity of a **Season Ticket Fare** must, as soon as reasonably practicable after becoming aware of this, notify the details to the **RSP**.

(b) As soon as reasonably practicable after receiving these details, the **RSP** will provide the other **Operators** with the information they need for the purpose of **Selling** the **Season Ticket Fares** to which the discount relates.

CHAPTER 7: METHODS OF PAYMENT

PART I: GENERAL

7-1 REQUIREMENT TO ACCEPT CERTAIN METHODS OF PAYMENT

(1) Generally applicable methods of payment

Each **Operator** must accept the following methods of payment for **Rail Products**:-

- (a) cash denominated in pounds sterling;

- (c) **Warrants** (in the circumstances set out in Clause 7-21 below);
- (d) **Vouchers** (in the circumstances set out in Clause 7-35 below);
- (e) **Permits to Travel** (in the circumstances set out in Clause 7-39 below); and

- (b) Where, in respect of a **Regulated Station**, more than one **Credit Card Company** issues **Credit Cards** of the type specified in Schedule 17 against the name of that **Station**, the particular **Credit Cards** of that type which are accepted at that **Station** are at the discretion of each **Operator** which **Sells Rail Products** there.

7-2 ABILITY TO ACCEPT OTHER METHODS OF PAYMENT

Subject to any other agreement that is binding on it, an **Operator** may (in addition to the methods of payment referred to in Clause 7-1 above) accept any other method of payment for **Rail Products**.

7-3 PAYMENT DEFAULTS

An **Operator's** obligations to account for revenues arising from the **Sale** of **Rail Products** in accordance with Chapter 12 (or any other settlement arrangements that prior to 1 February 2001 have been approved by the **Regulator** and the **Franchising Director** and on or after 1 February 2001 have been approved by the **Authority**) is not affected by the method of payment used. Accordingly, the risk of a default by the **Purchaser** of a **Rail Product** (and/or any other person who is due to pay the **Operator**) is borne by the **Operator Selling the Rail Product**.

PART II: NOMINATED CREDIT CARDS

7-4 DESIGNATION OF CREDIT CARDS AS NOMINATED CREDIT CARDS

(1) Notification to the RSP

Any **Operator** (the "**Nominating Operator**") may from time to time notify the **RSP** in writing that it would like the **RSP** to designate a **Credit Card** as a **Nominated Credit Card** in respect of that **Operator**.

(2) Designation by the RSP

Following the receipt of such a notification, the **RSP** will designate that **Credit Card** as a **Nominated Credit Card** in respect of the **Nominating Operator** if:-

7-5 NOMINATED CREDIT CARDS AT THE DATE OF THIS AGREEMENT

At the date of this Agreement each of the **Credit Cards** listed in Schedule 20 is a **Nominated Credit Card** and the British Railways Board is deemed to be the **Nominating Operator** in respect of them.

7-6 REMOVAL OF A CREDIT CARD'S DESIGNATION AS A NOMINATED CREDIT CARD

A **Nominated Credit Card** will cease to be designated as such if the **Nominating Operator** in respect of it submits a written request to this effect to the **RSP** at least one month in advance. A

Nominating Operator must submit such a request if its authority to accept the **Credit Card** as a method of payment for the goods and/or services specified in the notice referred to in Clause 7-5 above is terminated or expires.

(c) If the **RSP** does not have all the information which is necessary to be able to decide whether the applicant meets the **Credit Criteria** it will, within five **Business Days** of receiving the relevant application form or, if later, any required information previously requested by the **RSP** which relates to that application, ask the **Retail Agents Scheme Management Group** to obtain that required information.

(3) Request for additional information

If the **Retail Agents Scheme Management Group** does not have enough information about the applicant to be able to decide whether it meets the **Suitability Criteria** or is notified by the **RSP** that it does not have enough information about the applicant to be able to decide whether it meets the **Credit Criteria**, the **Retail Agents Scheme Management Group** will ask the applicant to provide the additional information that is required.

(1) Authority of the **Retail Agents Scheme Management Group**

An **ATOC Licence** or **New ATOC Licence**, giving the relevant applicant such authority as the **Retail Agents Scheme Management Group** may from time to time decide, will be granted by the **Operators** if:-

(a) the **Retail Agents Scheme Management Group** believes that the applicant meets the **Suitability Criteria**;

(b) on the basis of such notification(s) as the **Retail Agents Scheme Management Group** has received from the **RSP**, the **Retail Agents Scheme Management Group** believes that the applicant meets the **Credit Criteria**; and

(b) As soon as reasonably practicable after receiving such a notification, the **Retail Agents Scheme Management Group** will consider whether the **ATOC Travel Agent** concerned can reasonably be expected to make available all of the publicity material required by the **Operators** and if not, will act fairly as between **Operators** in deciding which publicity material the **ATOC Travel Agent** should be required to make available and the outlets at which this requirement should apply. The **Retail Agents Scheme Management Group** will then notify the relevant **ATOC Travel Agent** of its decision in accordance with the terms of the relevant **ATOC Licence**.

9-6 **THE RSP AS A PARTY TO THE ATOC LICENCE OR NEW ATOC LICENCE**

The **RSP** will enter into an **ATOC Licence** or **New ATOC Licence** with each person to whom the **Retail Agents Scheme Management Group** has decided to grant an **ATOC Licence** or **New ATOC Licence** in accordance with Clause 9-5 above. (a) If, at any time, the **Retail Agents Scheme Management Group** believes that an **ATOC Travel Agent** or **ATOC Retail Agent** does not meet the **Suitability Criteria** or has failed to comply with its **ATOC Licence** or **New ATOC Licence**, it will:-

- (i) notify that **ATOC Travel Agent** or **ATOC Retail Agent** accordingly; and

 - (b) This notification will ask the **ATOC Travel Agent** or **ATOC Retail Agent** to provide an explanation, within any period that is specified, of these matters. If no explanation is provided, or if the explanation is not satisfactory to the **Retail Agents Scheme Management Group**, it will terminate the **ATOC Travel Agent's ATOC Licence** or the **ATOC Retail Agent's New ATOC Licence** in accordance with its provisions unless it believes that it is in the **Operators'** best interests not to do so.
 - (c) At the same time as requesting any explanation under paragraph (b) above and of giving any notice to an **ATOC Travel Agent** of the termination of its **ATOC Licence** or to the **ATOC Retail Agent** of the termination on its **New ATOC Licence**, the **Retail Agents Scheme Management Group** will inform the **RSP** in writing that it has made the request or given the notice. In the latter case, the **Retail**

Agents Scheme Management Group will also specify the date on which the termination of the **ATOC Travel Agent's ATOC Licence** or the **ATOC Retail Agent's New ATOC Licence** is to take effect. (b) If any event occurs which is capable of affecting two or more trains of an **Operator** and is likely to result in passengers who are using or wish to use those trains being delayed by more than an hour, every other **Operator** must use its reasonable endeavours to enable the passenger to complete his journey on its trains at no extra charge.

(2) Exception

The obligation in sub-Clause (1)(b) above only applies if the affected **Operator** could not reasonably have been expected to make alternative arrangements to prevent the passengers referred to in that sub-Clause being delayed by more than an hour, having regard to the length of any notice it had of the event which affected its train(s).

Each **Operator** which is entitled to commission pursuant to Clause 6-21 above in respect of a **Rail Product** or a **Non-Rail Product** which it has **Sold** (or which would be entitled to it but for Clause 12-12(1)(b) below) will receive a **Credit** equal to the amount of that commission (plus any **VAT** payable in respect of it).

(2) **Corresponding Debits**

Each **Operator** which received (or is due to receive) a **Credit** following the **Sale** of a **Rail Product** or a **Non-Rail Product** will receive a **Debit** in respect of the commission (plus any **VAT** payable in respect of it) that is due (or which would be due but for Clause 12-12(1)(b) below) in respect of that **Sale**, whether it is due to an **Operator**, an **ATOC Travel Agent** or an **Approved Third Party**.

(3) **Calculation of the Debit**

Subject to sub-Clause (4) below, the **Debit** to be received by such an **Operator** is:-

- (b) multiplied by the rate at which commission is due (or would be due but for Clause 12-12(1)(b) below) in respect of the **Sale** under Chapter 6 or, as the case may be, the relevant **ATOC Licence** or **ATP Agreement**;

(4) **Calculation of the Debit in respect of commission on free Reservations and other products**

The **Debit** to be received by such an **Operator** in respect of any commission that is due under an **ATOC Licence** or **ATP Agreement** in respect of the **Sale** of a **Rail Product** or a **Non-Rail Product** free of charge is:-

11-10 **REFUNDS**

(1) **Information regarding Refunds**

- (a) Each **Operator** which has made a **Refund** pursuant to Clause 6-49 above or makes an authorised **Refund** in respect of a **Non-Rail Product** must record the information set out in Clause 12-8 in respect of each such **Refund**.
- (b) Each **Operator** shall, in respect of the information recorded under sub-Clause (1)(a) above, either:
 - (i) retain such information in its records; or
 - (ii) provide such information to the **RSP** with the request that the **RSP** retain such information in the **RSP's** records; or
 - (iii) provide such information to the **RSP** with the request that the **RSP** settle the relevant **Refund** in accordance with Chapter 12 and retain such information in the **RSP's** records.

(2) **Entitlement to a Credit**

Each **Operator** which has made a **Refund** pursuant to Clause 6-49 above or makes an authorised **Refund** in respect of a **Non-Rail Product** is entitled to receive a **Credit** equal to the amount of the **Refund** and will receive such a **Credit** provided that the **Operator** makes the request referred to in sub-Clause (1)(b)(iii) above.

(3) Corresponding Debits

Each **Operator** which received (or is due to receive) a **Credit** following the **Sale** of a **Rail Product** or a **Non-Rail Product** will receive a **Debit** if a **Refund** is made in respect of that **Rail Product** or **Non-Rail Product**, whether by an **Operator**, an **ATOC Travel Agent**, an **ITX Travel Agent**, an **ATOC Self-ticketing Licensee** or an **Approved Third Party**.

(4) Calculation of the Debit

11-11 PERMITS TO TRAVEL

(1) Entitlement to a Credit

(a) An **Operator** which accepts a **Permit to Travel** that was issued by another **Operator** as a method of payment for a **Fare**, may forward that **Permit to Travel** to the issuing **Operator** (or a person nominated by it for this purpose) and, if so, will send the **RSP** any document(s) that the **RSP** requires from time to time.

(b) If this is done in accordance with any procedures specified by the **RSP** from time to time (either generally or in any particular case), the **Operator** which accepted the **Permit to Travel** will receive a **Credit** equal to the face value of the **Permit to Travel**.

(2) Corresponding Debit

The **Operator** which issued a **Permit to Travel** that is forwarded in accordance with sub-Clause (1) above, will receive a **Debit** equal to the face value of that **Permit to Travel**.

11-12 VOUCHERS

(1) Entitlement to a **Credit**

(a) An **Operator** which accepts a **Voucher** that was issued by another **Operator** as a method of payment for a **Rail Product**, a **Non-Rail Product** or other goods or services may forward that **Voucher** to the **RSP** or a person nominated by it for this purpose.

(b) If this is done in accordance with any procedures specified by the **RSP**, from time to time (either generally or in any particular case), the **Operator** which accepted the **Voucher** will receive a **Credit** equal to the face value of the **Voucher**.

(2) Corresponding **Debit**

The **Operator** which issued a **Voucher** that is forwarded to the **RSP** (or the person nominated by it), as described in sub-Clause (1) above, will receive a **Debit** equal to the face value of that **Voucher**.

11-13 **PRIVATE SETTLEMENT CREDITS**

(1) Existence of a **Private Settlement Credit**

Following the **Sale** of a **Fare** which includes rights to goods or services (other than a journey on the **Network** using only the trains of the **Operators**), a **Private Settlement Credit** will arise.

(2) Recipient of the **Private Settlement Credit**

(a) If the rights comprised in the **Fare** involve a right to make a journey on any trains or buses run by **TTL**, its subsidiaries or **TTL Third Parties**, the **Private Settlement Credit** will be received by **TTL**.

(b) If the rights consist of a right to make a journey on the trains of a **European Operator**, the **Private Settlement Credit** will be received by **EPS**.

(c) If the rights are rights against an **Approved Third Party** (other than **TTL** or **EPS**), the **Private Settlement Credit** will be received by that **Approved Third Party**.

(d) In any other case, the **Private Settlement Credit** will be received by the **Operator** which **Created** the relevant **Fare**.

(3) Amount of the **Credit**

The **Private Settlement Credit** to be received pursuant to sub-Clause (2) above is:-

(a) in the case of **TTL**, subject to sub-Clause (4) below, the amount determined in accordance with the **Clearance Agreement** between **TTL** and the **RSP**;

(b) in the case of **EPS**, the amount determined in accordance with the **Clearance Agreement** between **EPS** and the **RSP**;

(c) in the case of an **Approved Third Party** (other than **TTL** or **EPS**), the amount determined in accordance with its **ATP Agreement**; and

(d) in any other case, the amount notified to the **RSP** pursuant to Clause 4-11(4)(f) above by the **Operator** which **Created** the relevant **Fare** or, as the case may be, the amount calculated by the **RSP** in accordance with the formula notified to it pursuant to Clause 4-11(4)(f) above.

(4) Lump sum payments to **TTL**

Sub-Clauses (1) to (3) above do not apply to **Fares** involving a right to make a journey on any trains or buses run by **TTL**, its subsidiaries or a **TTL Third Party** in respect of which the payment that is due to **TTL** is not calculated by reference to each **Fare** that is **Sold**. Instead, in respect of each **Settlement Period**:-

(a) **TTL** will receive a **Credit** that is equal to the amount that is required to be taken into account under the **Clearance Agreement** with **TTL** in respect of these **Fares**; and

(b) each **Operator** will receive a **Debit** of an amount calculated by applying the percentage specified from time to time pursuant to the **LRT Scheme** and notified to the **RSP** to the amount of the **Credit** received by **TTL**.

11-14 SEASON TICKET FARES

(1) Maintenance of Season Ticket Suspense Accounts

The **RSP** will maintain, with respect to each **Operator**, a "memorandum account" in its books known as that **Operator's "Season Ticket Suspense Account"**. Each **Season Ticket Suspense Account** will be broken down by reference to the **Settlement Periods** to enable the **RSP** to debit or, as the case may be, credit the amounts referred to in this Clause 11-14 against the appropriate **Settlement Period**.

(2) Crediting of sums to the Season Ticket Suspense Accounts

(a) As soon as reasonably practicable after determining the amount of any **Credit** that is to be received by an **Operator** in respect of a **Season Ticket Fare**, the **RSP** will determine, with respect to each **Settlement Period** during which (or during any part of which) the **Season Ticket Fare** is valid (other than the one in which it was **Accepted for Clearing**), that **Operator's Suspense Amount** for that **Settlement Period** and that **Season Ticket Fare**.

(b) The **Suspense Amount** will be calculated in accordance with the following formula:-

$$\text{Suspense Amount} = \text{Current Credit} \times \frac{\text{Settlement Period Validity}}{\text{Total Validity}}$$

For the purposes of this calculation:-

"**Current Credit**" means the sum of the **Credits** received (or to be received) pursuant to Clauses 11-4 by the relevant **Operator** in respect of the **Season Ticket Fare**;

"**Settlement Period Validity**" means the number of journeys which the **Purchaser** of the **Season Ticket Fare** is estimated to have made with that **Fare** (determined in accordance with sub-Clause (5) below) during the relevant **Settlement Period**; and

"**Total Validity**" means the total number of journeys which the **Purchaser** of the **Season Ticket Fare** is estimated to make with that **Fare** (determined in accordance with sub-Clause (5) below).

(c) The **Suspense Amount** calculated in respect of each **Settlement Period** will then be credited to the **Operator's Season Ticket Suspense Account** against the equivalent **Settlement Period**.

(3) Calculating the Adjustment Amount

(a) At the same time as determining the **Credits** that are to be received by the **Operators** in respect of **Season Ticket Fares** that have been **Accepted for Clearing** in a particular **Settlement Period** (referred to as the "Current Settlement Period"), the **RSP** will determine, in respect of each **Season Ticket Fare** which is still valid at that time but which was **Accepted for Clearing** in a previous **Settlement Period**, each **Operator's Adjustment Amount** (if any) in relation to that **Fare**.

(b) An **Operator's Adjustment Amount** will be calculated in accordance with the following formula:-

$$\text{Adjustment} = (\text{New Credit} - \text{Original Credit}) \times \frac{\text{Remaining Validity Amount}}{\text{Total Validity}}$$

For the purposes of this calculation:-

"New Credit" means the sum of the **Credits** that would be received by the relevant **Operator** in respect of the **Season Ticket Fare** if they were calculated at the time that the determinations referred to in paragraph (a) above were made, on the basis of the **Percentage Allocations** in force at that time;

"Original Credit" means the sum of the **Credits** that were in fact received by that **Operator** in respect of the **Season Ticket Fare** pursuant to Clauses 11-4 or, if any **Adjustment Amounts** have previously been calculated in respect of that **Fare**, the **New Credit** that was used in the last such calculation;

"Remaining Validity" means the number of journeys which the **Purchaser** of the **Season Ticket Fare** is estimated to make from (and including) the first

day of the **Current Settlement Period** to (and including) the last day on which the **Fare** is valid; and

“**Total Validity**” means the total number of journeys which the **Purchaser** of the **Season Ticket Fare** is estimated to make with that **Fare** (determined in accordance with sub-Clause (5) below).

(4) **Additional Credits and Debits**

(a) In the case of each **Adjustment Amount** which is greater than zero a **Credit** of an equal sum will be received by the **Operator** to which it relates, in addition to any **Credits** which arise under Clause 11-4 above.

(b) In the case of each **Adjustment Amount** which is less than zero a **Debit** of an equal sum (expressed as a positive value) will be received by the **Operator** to which it relates, in addition to any **Debits** which arise under Clause 11-4 above.

(5) **Estimating the number of journeys made with a Season Ticket Fare**

For the purposes of sub-Clauses (2) and (3) above, the **Purchaser** of a **Season Ticket Fare** is estimated to make the number of journeys specified in Schedule 28 in the **Settlement Periods** listed in that Schedule.

PART III: DETERMINING THE PERCENTAGE ALLOCATIONS

11-15 OPERATORS WHICH HAVE A PERCENTAGE ALLOCATION

Each **Operator's Percentage Allocation** for a particular **Rail Product** or **Excess Fare** will be determined in accordance with the following table:-

1. Fares for Compulsory Inter-available Flows

<u>Type of Fare</u>	<u>Percentage Allocation</u>
A Fare Created by a Lead Operator	The relevant Operator's manual Allocation , if it has one. Otherwise, its ORCATS Allocation , if it has one. Otherwise, the Operator's Default Allocation for that Fare , if it has one. If it has none of them, zero.

PART IV: MANUAL ALLOCATIONS

11-16 DISPUTES AS TO PERCENTAGE ALLOCATIONS

(1) Income Allocation Dispute Rules

The **ATOC Scheme Committee** shall establish and maintain an **Income Allocation Disputes Sub-Committee**, together with **Income Allocation Dispute Rules** in accordance with which disputes as to **Percentage Allocations** shall be resolved.

11-17 ABILITY TO CHANGE THE PERCENTAGE ALLOCATIONS

(1) Service of a notice requesting a change

An **Operator** which is bound to honour a **Fare**, an **Excess Fare**, a **Reservation** or an **Upgrade** may dispute the **Percentage Allocations** for that **Fare**, **Excess Fare**, **Reservation** or **Upgrade** by serving a notice in accordance with the **Income Allocation Dispute Rules** on the persons entitled to receive such notice under those Rules.

Such notice may cover several **Fares**, **Excess Fares**, **Reservations** and/or **Upgrades**.

(2) Exception

Sub-clause (1) above does not apply to **Manual Allocations** which have existed for less than six months. These may not be disputed.

(3) Introduction of Dedicated Fare

On the **Creation** by an **Operator** of a **Dedicated Fare** in respect of a **Compulsory Inter-Available Flow**, unless all the **Operators** which have a **Percentage Allocation** in respect of any **Fare** that relates to the **Flow** agree otherwise in writing, that **Operator** must serve a notice on all such other **Operators** and (in the case of a notice pursuant to sub-paragraph (b)) to the **RSP** either:

- (a) on the same basis as set out in accordance with the **Income Allocation Dispute Rules**; or

(b) in the form of a **Product Implementation Form** agreeing not to change the **Percentage Allocations** in respect of that **Compulsory Inter-Available Flow**.

(4) Introduction of a **Through Fare** and/or **Inter-Available Fare**

On the **Creation** of a **Through Fare** and/or **Inter-Available Fare** in respect of a **Compulsory Inter-Available Flow** between two or more **Operators** pursuant to sub-Clause 4-16 above, those **Operators** must nominate one of their number in accordance with the **Income Allocation Dispute Rules** to serve either of the notices set out in sub-paragraphs (a) or (b) below on all the other **Operators** which have a **Percentage Allocation** in respect of any **Fare** that relates to that **Flow** unless those other **Operators** agree otherwise in writing.

A notice sent pursuant to sub-paragraph (b) below must also be sent to the **RSP**. The notices referred to above are either:

(a) a notice sent out on the same basis as that referred to in sub-Clause (1) above in accordance with the **Income Allocation Dispute Rules**; or

(b) a notice in the form of a **Product Implementation Form** agreeing not to change the **Percentage Allocations** in respect of that **Compulsory Inter-Available Flow**.

(5) Disputes in relation to previous **Percentage Allocations**

An **Operator** may not dispute **Percentage Allocations** that applied during any period before the service of a notice pursuant to sub-Clause (1) above unless:

(a) the notice arises as a result of the correction of an error in the **National Timetable** or a **Permanent Fare** in the circumstances specified in sub-Clause 16.1 of Schedule 4 below; and

(b) is served within 6 weeks of the **Timetable Change Date**, or the end of the **Fares Setting Round** in which the **Permanent Fare** referred to in (a) above, when the error took effect,

in which case any changes to the **Percentage Allocations** which result from such notice shall take effect from that **Timetable Change Date** or the end date of the **Fares Setting Round**.

11-18 RESOLUTION OF INCOME ALLOCATION DISPUTES

Disputes initiated by the service of a notice pursuant to Clause 11-17 above shall be resolved in accordance with the **Income Allocation Dispute Rules**.

11-19 IMPLEMENTATION OF PERCENTAGE ALLOCATION CHANGES

(1) Implementation

(a) The resolution of disputes in accordance with the **Income Allocation Dispute Rules** shall take effect as specified in those Rules.

(b) Changes to **Percentage Allocations** in respect of a **Compulsory Inter-Available Flow** shall take effect on the later of

(i) the date specified by the relevant **Operator(s)** on the notice served pursuant to sub-Clause 11-17(3)(b) or 11-17(4)(b) above and

(ii) a date four weeks after receipt of such notice by the **RSP**,

unless the **RSP** reasonably requires a longer period to implement the terms of the notice, in which case it will notify the **Operators** whose **Percentage Allocations** are to be changed when the change will be implemented.

(c) When the change is implemented the percentages so implemented will be **Manual Allocations** for the relevant **Operators** in respect of the relevant **Fare, Excess Fare, Reservation or Upgrade**.

(2) Systems Limitations

No change to any **Percentage Allocations** may be made that the **RSP** is unable to implement. The **RSP** will explain any such limitations which apply on request by an **Operator**.

11-20 AWARDS FROM THE DATE OF SERVICE OF THE NOTICE

(1) Calculating the adjustment amount

(a) If an agreement is reached following the service of a notice pursuant to Clause 11-17 above, or an order is made pursuant to the **Income Allocation Dispute Rules**, that the **Percentage Allocations** for a **Fare**, an **Excess Fare**, a **Reservation** or an **Upgrade** should be changed, unless the relevant **Operators** agree otherwise, the **RSP** will calculate, in respect of each **Operator**:-

(i) the sum of the **Credits** that such **Operator** would have received in respect of that **Fare**, **Excess Fare**, **Reservation** or **Upgrade** on the basis of the **Percentage Allocations** that have been agreed or, as the case may be, specified under the **Income Allocation Dispute Rules** from the date on which the notice referred to in Clause 11-17 above was served to the date on which the new **Percentage Allocations** are implemented; less

(ii) the sum of the **Credits** that the **Operator** did receive in respect of that **Fare**, **Excess Fare**, **Reservation** or **Upgrade** from the date on which the notice was served to the date on which the new **Percentage Allocations** are implemented.

(b) The **RSP** will then notify the relevant **Operators** of the results of these calculations.

(2) Payment

Each **Operator** or former **Operator** in respect of which the amount calculated pursuant to sub-Clause (1) above is greater than zero will receive a payment equal to that amount from the **RSP**. Each **Operator** or former **Operator** in respect of which the amount calculated is less than zero must make a payment equal to that amount to the **RSP**.

(3) Costs

The **Operator** which served the relevant notice pursuant to Clause 11-17 above must pay the **RSP** its reasonable costs for calculating any payment that is due pursuant to sub-Clause (2) above.

11-21 AGREEMENTS INVOLVING ONLY SOME OF THE OPERATORS

(1) Type of agreement that may be reached

(a) An agreement reached, following the service of a notice pursuant to Clause 11-17 above, may involve only some of the **Operators** which receive **Percentage Allocations** in respect of the **Fare, Excess Fare, Reservation** or **Upgrade** which is the subject of the agreement as long as they include the **Operator** which served the notice. However, where two or more **Operators** agree to vary their **Percentage Allocations** for a **Fare**, an **Excess Fare**, a **Reservation** or an **Upgrade** and one or more other **Operators** also receive a **Percentage Allocation** in respect of the **Fare, Excess Fare, Reservation** or **Upgrade**, the sum of the percentages agreed must equal the sum of the **Percentage Allocations** of the **Operators** which are parties to the agreement.

(b) The agreement must be substantially in the form of Schedule 30.

(2) Effect on other **Operators**

Each **Operator** which is not a party to the agreement referred to in Sub-Clause (1) above will continue to receive the **Percentage Allocations** it would have received in the absence of the agreement.

11-22 AUTOMATIC ADJUSTMENTS TO THE MANUAL ALLOCATIONS

(1) Effect of a change in the **Percentage Allocations**

If, after an agreement has been reached between only some of the **Operators** which receive **Percentage Allocations** in respect of a **Fare, Excess Fare, Reservation** or **Upgrade**, as referred to in Clause 11-21 above, the sum of the **Percentage Allocations** that would be received by those **Operators** in respect of that **Fare, Excess Fare, Reservation** or **Upgrade** but for the agreement changes (whether or not as a result of an **ORCATS Run**), the agreement will continue to have effect in respect of the sum of the **Percentage Allocations** received by those **Operators** after the change unless they agree otherwise (in which case Clause 11-21 above will apply). However, the agreement will relate only to the sum of those **Percentage Allocations** immediately after the change. The **Operators' Manual Allocations** will therefore be adjusted by the **RSP** accordingly.

(2) Example

For example, if the **Manual Allocations** to be received by two **Operators** in respect of a particular **Fare** in total represent 100 per cent. of all the **Percentage Allocations** in respect of such a **Fare**, which they agree to divide in equal proportions, but the sum of the **Percentage Allocations** to be received by them is subsequently reduced to 80 per cent., each **Operator's Manual Allocation** will automatically be reduced to 40 per cent.

11-23 MANUAL ALLOCATIONS FOR DISCOUNT CARDS

Clause 4-45(1)(b) above requires any **Operators** which **Create** a **Discount Card** to specify the **Percentage Allocations** that are to be received in respect of that **Discount Card** (unless it relates solely to the **Dedicated Fares** of the **Operator Creating** it) or a formula acceptable to the **RSP** that will enable the **RSP** to calculate them. These are referred to as "Manual Allocations" for that **Discount Card**.

11-24 EXISTING MANUAL ALLOCATIONS

The percentages specified on the **Manual Allocation Files** are **Manual Allocations** for the **Operators** and the **Rail Products** listed on it. In the case of **Fares**, **Reservations** or **Upgrades**, they may, however, be changed pursuant to Clause 11-17 above.

11-25 MANUAL ALLOCATIONS IN RESPECT OF TRAVELCARDS

(1) Ability to change Manual Allocations

The **Manual Allocations** in respect of **Sales** of **Travelcards** may only be changed pursuant to a resolution of the **Travelcard Scheme Management Group**. Such a change may take place at any time and Clauses 11-16 to 11-20 above do not apply. Notice of the change must, however, be given to the **RSP** in accordance sub-Clause (2) below and the change will come into effect at the time specified in sub-Clause (3) below.

(2) Notice of change

Operators reaching an agreement in accordance with sub-Clause (1) above must give at least four week's written notice of the proposed change to the **RSP** (or any other period of notice that the **RSP** reasonably requires), together with evidence satisfactory to the **RSP** of each such **Operator's** agreement to the change. The **RSP** is not required to implement the change unless it is provided with all the details of the terms of the agreement that it reasonably requires.

(3) Time at which agreement takes effect

The percentages agreed pursuant to sub-Clause (1) above will come into effect on the date agreed between the relevant **Operators** (provided that this is not earlier than the expiry of the notice period referred to in sub-Clause (2) above), unless the **RSP** has notified any of the **Operators** submitting the notice that it has not been provided with sufficient evidence of the relevant agreement or sufficient details of its terms. In this event, the agreed percentages will come into effect four weeks after the **RSP** has been provided with all the evidence and details of the terms and of the relevant agreement that it needs. The agreed percentages are referred to as “Manual Allocations” with effect from the date on which they come into effect.

PART V: ORCATS ALLOCATIONS AND DEFAULT ALLOCATIONS

11-26 INPUT OF THE INFORMATION ABOUT THE NATIONAL TIMETABLE INTO ORCATS

(1) Information to be input

As soon as reasonably practicable after receiving details of the **National Timetable** which is to apply with effect from the next **Timetable Change Date** the **RSP** will input into **ORCATS** the following information about that **National Timetable**:-

- (a) the **Station** at which each passenger train service is due to commence;
- (b) the **Station** at which that service is due to terminate;
- (c) each intermediate **Station** at which the trains providing the service are due to stop;
- (d) whether the **National Timetable** states that passengers are to be picked up by those trains at each such **Station**;
- (e) whether the **National Timetable** states that passengers are to be set down by those trains at each such **Station**;
- (f) the publicly advertised times at which the trains providing the service are due to arrive at and, where relevant, leave from each such **Station**;
- (g) the publicly advertised days and dates on which the trains providing the service are due to run;
- (h) the **Service Code(s)** to which that service has been allocated;
- (i) the **Route Code** for the passenger train service; and
- (j) the **National Classes of Accommodation** available on the passenger train service.

(2) The agreement between the **RSP** and Railtrack PLC

(a) The input will take place by the electronic transfer of data ultimately from the Train Services Database (via the "Common Interface File") (which the **RSP** has a licence to use) by Railtrack PLC, as specified in the **Train Services Data Agreement** or any other agreement entered into between the **RSP** and Railtrack PLC from time to time to modify, supplement or replace that agreement.

(b) Each **Operator** must comply with the **Service Level Agreement** relating to the input and checking of data provided to Railtrack PLC in connection with the train planning process (and with the contract for computer services it has entered into with Railtrack PLC).

(c) Each **Operator** must also otherwise ensure that it does everything in its power that is necessary to ensure that the **RSP** complies with its obligations to Railtrack PLC, as set out in the agreement referred to in sub-Clause (2)(a) above.

11-27 OBTAINING THE OUTPUTS

(1) Choice of dates

(a) The **Ticketing and Settlement Scheme Council** will select the dates in the **National Timetable** on the basis of which each **ORCATS Run** is to take place and will notify the **RSP** accordingly. One of these dates must be a Wednesday, one must be a Saturday and one must be a Sunday.

(b) The **Ticketing and Settlement Scheme Council** will also select the date on which the **National Timetable** is to be supplied to the **RSP** for that purpose and will notify the **RSP** accordingly.

(2) The **ORCATS Run**

As soon as reasonably practicable after inputting the information referred to in Clause 11-25 above, the **RSP** will:-

(a) run ORCATS on the basis of that information and the dates notified to it by the **Ticketing and Settlement Scheme Council** pursuant to sub-Clause (1) above; and

(b) record each of the outputs, expressed as a percentage, generated by **ORCATS** for each **Service Code**, specifying, in relation to each output, whether it relates to:-

(i) a **Full Fare** that involves a single journey;

(ii) a **Full Fare** that involves a return journey;

(iii) a **Full Fare** that is a **First Class Fare** involving a single journey where part of that journey includes only standard class accommodation;

(iv) a **Full Fare** that is a **First Class Fare** involving a return journey where part of that journey includes only standard class accommodation;

(v) a **Season Ticket Fare**;

(vi) an **Advance Purchase Train-specific Fare**; or

(vii) a **Fare** which does not fall into any of the above categories.

11-28 MAINTENANCE OF RECORDS

The records made pursuant to Clause 11-27(2)(b) above may be held by the **RSP** in written form, on microfiche or on computer disc in any format that the **RSP** determines from time to time. These records will be retained by the **RSP** for at least 18 months after they are made.

11-29 DETERMINING THE ORCATS ALLOCATIONS

An **Operator's ORCATS Allocation** in respect of a **Fare** for a particular **Flow** is the percentage (if any) generated by **ORCATS** pursuant to sub-Clause 11-27(2) above in respect of that **Operator** which relates to:-

(a) that **Flow**; and

- (b) whichever of the categories referred to in paragraph (i) to (vii) of sub-Clause 11-27(2)(b) above that **Fare** falls into.

11-30 CHANGES TO ORCATS AND CAPRI / LENNON

(1) Circumstances in which changes can be made

(a) The **RSP** may make a change to **ORCATS** or **CAPRI / Lennon** only if it is authorised by the **Ticketing and Settlement Scheme Council** to do so, unless it reasonably believes that an immediate change is required to ensure the continued functioning of **ORCATS** or, as the case may be, **CAPRI / Lennon**.

(b) If such an immediate change is made, details of the change must be notified by the **RSP** to the **Ticketing and Settlement Scheme Council** as soon as reasonably practicable, which will then resolve whether or not to approve the change.

(c) If the **Ticketing and Settlement Scheme Council** resolves not to approve the change, the change will be reversed by the **RSP** as soon as reasonably practicable.

(2) Records of changes

The **RSP** will make a record of any change to **ORCATS** and **CAPRI / Lennon** which is made by it, as set out in sub-Clause (3) below. The record will be kept until at least six years after each of the **Operators** has ceased to be bound by this Agreement and will be open to inspection by any **Operator** at all times during normal business hours.

(3) Copy of amended ORCATS programme

(a) Within 20 **Business Days** after the date of execution of this Agreement and within ten **Business Days** after 31 March in each subsequent calendar year the **RSP** will deliver to the **Custodian** for safekeeping a copy, signed on behalf of the **RSP**, of the current version of **ORCATS** and **CAPRI / Lennon**, together with a copy of all data necessary to operate **ORCATS** and **CAPRI / Lennon**.

(b) Within ten **Business Days** after the end of each successive three month period and on any other occasion specified by the **RSP** from time to time, the **RSP**

will deliver to the Custodian for safekeeping a copy, signed on behalf of the **RSP**, of the versions of **ORCATS** and **CAPRI / Lennon** that are in production on that date, together with detailed information about the changes that have been undertaken since the last deposit, in such format as it may determine from time to time. On each such occasion the **RSP** will also deliver to the **Custodian** a statement on a floppy disk of any **Manual Allocations** made since the last such deposit.

(c) The **RSP** will require the **Custodian** to make a copy of **ORCATS** and/or **CAPRI / Lennon** and any data necessary to operate **ORCATS** and **CAPRI / Lennon** available for testing by the **RSP Auditors** at the request of any **Operator**. Any costs (including any irrecoverable **VAT**) incurred by the **RSP**, and any reasonable fees charged by the **RSP Auditors**, in doing so will be borne by that **Operator**.

(4) Changes to the environment

(a) If any change is made to **ORCATS** and/or **CAPRI / Lennon** or to any part of the environment in which **ORCATS** and/or **CAPRI / Lennon** operate which would, or might reasonably be expected to, render the copies of **ORCATS** and/or **CAPRI / Lennon** held by the **Custodian** invalid in their existing form and incapable of re-creating **ORCATS** and/or **CAPRI / Lennon** on the production systems.

(b) The **RSP** will notify the **Ticketing and Settlement Scheme Council** as soon as reasonably practicable of any such change that is made.

(c) When the **RSP** next delivers material to the **Custodian** for safekeeping, it will include a copy of all data necessary to operate **ORCATS** and **CAPRI / Lennon** signed on behalf of the **RSP**.

11-31 TIMETABLE CHANGES

If the **RSP** becomes aware of a modification to the **National Timetable** that will be in effect after a particular **Timetable Change Date** but before an **ORCATS Run** has taken place on the basis of that **National Timetable**, it will input the information into **ORCATS** before that **ORCATS Run** occurs. The **ORCATS Run** will accordingly take place on the basis of the revised information.

11-32 DETERMINING THE DEFAULT ALLOCATIONS

(1) Circumstances in which **Default Allocations** are calculated

If no **ORCATS Allocations** are recorded for any **Operator**, in respect of a **Fare**, the **RSP** will determine the **Operators' Default Allocations** for that **Fare**.

(2) Calculation

An **Operator's Default Allocation** in respect of a **Fare** is the proportion (expressed as a percentage) of the **Credits** relating to **Relevant Fares** which were **Accepted for Clearing** in the previous **Settlement Period** that is represented by **Credits** received by that **Operator**.

(3) Definition of "**Relevant Fares**"

For the purposes of sub-Clause (2) above, the term "**Relevant Fares**" means:-

- (a) all **Fares** which were **Sold** at the same issuing office as the **Fare** in question and were **Accepted for Clearing** in the **Settlement Period** before the one in which that **Fare** was **Accepted for Clearing**; or
- (b) (if these figures are not available) all **Fares** which were **Accepted for Clearing** in the **Settlement Period** in which the **Fare** in question was **Accepted for Clearing**.

**PART VI: TRANSITIONAL PROVISIONS FOLLOWING THE TERMINATION OF A
FRANCHISE**

11-33 **ADJUSTMENTS TO THE DEBITS AND CREDITS**

In the circumstances described in Clause 4-65 above, the **RSP** will ensure that any **Debits** and **Credits** that would otherwise have been received by the outgoing **Franchise Operator** are received by the new **Franchise Operator** instead.

CHAPTER 12: SETTLEMENT

PART I: AVAILABILITY OF THE RSP'S SERVICES

12-1 CLEARANCE OF RAIL PRODUCTS AND NON-RAIL PRODUCTS

(i) the arrangements are consistent with this Agreement (apart from this Chapter);

(ii) to the extent that they relate to **Rail Products**, they have been approved by the **Regulator** and the **Franchising Director** prior to 1 February 2001, and approved by the **Authority** on or after 1 February 2001; and

(iii) the **RSP** has been given the amount of notice that it reasonably requires that such **Operator** does not wish to be bound by this sub-Clause (1) (or only wishes to be bound by it in relation to the **Rail Products** or the **Non-Rail Products** specified by it).

(2) Payments involving a single Operator

(a) Revenues arising from the **Sale** of a **Rail Product**, and expenses incurred in the making of a **Refund**, by an **Operator** which is the only person who is bound to honour that **Rail Product** or, as the case may be, the **Rail Product** to which the **Refund** relates, are not required to be cleared or settled through the **RSP**.

(b) Similarly, revenues arising from the **Sale** of a **Non-Rail Product** by an **Operator** which **Created** that **Non-Rail Product** are not required to be settled through the **RSP**.

The **Operator** must use its reasonable endeavours to provide the information referred to in sub-Clause (1) above as soon as reasonably practicable after the relevant **Refund** was made.

12-9 FORMAT IN WHICH INFORMATION IS TO BE PROVIDED

(1) The **RSP's** requirements

(a) The information referred to in Clauses 12-3 to 12-8 above must be provided to the **RSP**:-

(i) in the case of an **RSP-settled Product** which was issued (or the document evidencing which was issued) on an **Approved TIM**, electronically from the **Approved TIM**; and

(ii) in the case of an **RSP-settled Product** which was issued (or the document evidencing which was issued) in any other way, or an **RSP-settled Refund**, in the format notified by the **RSP** to the **Operators** from time to time.

(b) The format in which the information is to be provided to the **RSP** may include a code in which the information is to be provided.

(c) In each case the information must be provided in accordance with the procedures notified by the **RSP** to the **Operators** from time to time, generally or in any particular case. These may include procedures that are intended to be used if it is impossible or impractical to provide the information in the usual way.

(d) The format in which the information is, at the date of this Agreement, to be provided in respect of **RSP-settled Refunds** is set out in Schedule 31.

(2) Polling

(a) The procedures referred to in sub-Clause (1) above may require an **Operator** to make the information held by **Approved TIMs** under its control available for electronic communication to the **RSP** by a process initiated by the **RSP**. If so, provided that the **Operator** follows these procedures, the

RSP will use its reasonable endeavours to obtain the information from the **Approved TIMs** within any time limits specified in the procedures.

(b) If the **RSP** fails to obtain the information within these time limits it will inform the **Operator** accordingly as soon as reasonably practicable.

(c) Each **Operator** must use its reasonable endeavours to comply with any reasonable instructions given by the **RSP** to enable the **RSP** to obtain information held by any **Approved TIMs** within that **Operator's** control.

12-10 ISSUE OF TICKETS AND RESERVATION VOUCHERS

(1) The time of issue

For the purposes of Clauses 12-3 to 12-8 above, if the **Ticket** or **Reservation Voucher** which evidences the **Sale** of a **Rail Product** is issued on an **Approved TIM**, that **Rail Product** is treated as having been **Sold** at the moment that the **Ticket** or **Reservation Voucher** is printed by the **Approved TIM**.

(2) Debts are due only to and from the RSP

(a) For the avoidance of doubt, the **Sale** of an **RSP-settled Product** or the making of an **RSP-settled Refund** does not give rise to any debt or payment due between the **Operator** which **Sold** the **RSP-settled Product** or made the **RSP-settled Refund** and (apart from any liability to HM Customs & Excise that may arise as a result of such a **Sale** or **Refund**) any other person (other than the **Purchaser** or person to whom the **Refund** is due).

(b) Nor does it give rise to an individual debt or payment due, in respect of the amount (inclusive of any **VAT**) charged for the **RSP-settled Product**, or the amount of the **RSP-settled Refund**, between that **Operator** and the **RSP** or between the **RSP** and any **Operators** which are to receive a **Credit** in respect of the **RSP-settled Product** or **RSP-settled Refund**.

(c) The only debts arising, and the only payments which are due, in respect of **RSP-settled Products** and **RSP-settled Refunds** are those which are calculated and expressed to be payable in accordance with this Chapter.

12-11 INFORMATION SUPPLIED INCORRECTLY IN RELATION TO RSP-SETTLED PRODUCTS AND RSP-SETTLED REFUNDS

(1) **The RSP has a discretion whether or not to Accept for Clearing**

(a) The **RSP** has a discretion whether or not to **Accept for Clearing** an **RSP-settled Product** or an **RSP-settled Refund** if the information that is provided to it about that **RSP-settled Product** or **RSP-settled Refund** is incomplete or is provided in a different format or using a different procedure from that specified by the **RSP**.

(b) This sub-Clause (1) applies whether the information is provided by an **Operator** or on its behalf pursuant to Clauses 12-3 to 12-8 above, by an **ATOC Travel Agent** or an **ITX Travel Agent**, or to an **ATOC Self-ticketing Licensee** pursuant to its **ATOC Licence** or by an **Approved Third Party** pursuant to an **ATP Agreement** entered into by it.

(2) **Notification by the RSP and re-submission of information**

(a) If the **RSP** elects not to **Accept for Clearing** an **RSP-settled Product** or an **RSP-settled Refund** it will notify the **Operator**, **ATOC Travel Agent**, **ITX Travel Agent**, **ATOC Self-ticketing Licensee** or **Approved Third Party** in question as soon as reasonably practicable by means of a notice substantially in the form of Schedule 33.

(b) Any **Operator** which receives such a notice must then re-submit the relevant information, together with any missing information, as soon as reasonably practicable, in accordance with Clause 12-9 above.

(c) The **RSP** will also require any **ATOC Travel Agent**, **ITX Travel Agent**, **ATOC Self-ticketing Licensee** or **Approved Third Party** which receives such a notice to re-submit the information in accordance with its **ATOC Licence** or, as the case may be, **ATP Agreement**.

12-12 INFORMATION SUPPLIED LATE

(1) **Loss of entitlement to commission**

(a) This sub-Clause (1) applies where an **Operator** fails to provide the information referred to in Clauses 12-3 to 12-8 above by the time it is required to do so pursuant to those Clauses in accordance with Clause 12-9 above and, as a result, any **RSP-settled Products** issued by that **Operator** are not **Accepted for Clearing** until after the end of the **Settlement Period** in which they were **Sold**. This power is without prejudice to any other remedy that is available to the **RSP** or the **Ticketing and Settlement Scheme Council**.

(b) The **RSP** may calculate the amount of commission to which that **Operator** would otherwise be entitled pursuant to Clause 6-21 above in respect of those **RSP-settled Products**. If the **RSP** decides to make this calculation, that **Operator** will not receive a **Credit** in respect of commission on those **RSP-settled Products**. Sub-Clauses 11-9(1) above and 12-33(a)(i) below are to be construed accordingly.

(c) Each **Operator** which is bound to honour the **RSP-settled Products** (or, in the case of a **Non-Rail Product**, which **Created** the **Non-Rail Product**) will continue to receive a **Debit** in respect of commission on them but any amount recovered by the **RSP** in respect of that **Debit** will be retained by it and used to defray its expenses.

(2) The costs of the **RSP**

If the cost (including any **VAT** for which the **RSP** is not entitled to a credit under the **VAT Act**) to the **RSP** of calculating the amount of the commission referred to in sub-Clause (1)(a) above exceeds the amount of that commission (together with any applicable **VAT**), the excess (including any applicable **VAT**) will be payable by the **Operator** referred to in that sub-Clause to the **RSP** on demand.

12-13 **DATA RE-CREATION IN RELATION TO RSP-SETTLED PRODUCTS**

(1) Notification by the **Operator** to the **RSP**

(a) If any information which is due to be provided by an **Operator** or on its behalf under Clauses 12-3 to 12-8 above is lost, destroyed or corrupted while under its control, that **Operator** must notify the **RSP** accordingly as soon as reasonably practicable.

(b) If any information which has been provided by an **Operator** or on its behalf under Clauses 12-3 to 12-8 above is lost, destroyed or corrupted while under the **RSP's** control, the **RSP** will notify that **Operator** accordingly as soon as reasonably practicable.

(2) Methods of re-creation

(a) As soon as reasonably practicable after the **RSP** becomes aware that any of the information referred to in sub-Clause (1)(a) above has been lost, destroyed or corrupted, the **RSP** will use its reasonable endeavours to obtain the missing information (or any part of it that it needs for the purposes of Clause 12-33 below) from any alternative sources available to it. If the **RSP** is unable to do so, it will estimate the part of the missing information that it needs for these purposes.

(b) The relevant **Operator** must co-operate with the **RSP**, and provide it with any further information that it reasonably requires, to enable the **RSP** to obtain or estimate this missing information.

(c) The **RSP** will notify that **Operator** of the results of any estimates it makes under this sub-Clause (2).

(3) The **RSP's** estimates are binding on the **Operators**

Any missing or corrupted information which is obtained from an alternative source or is estimated by the **RSP** is deemed to have been provided by the relevant **Operator** unless there has been fraud, negligence, wilful default or a manifest error by the **RSP**.

(4) The **RSP's** charges for data re-creation

(a) The **RSP** may charge for its services for data re-creation. These charges are payable by the relevant **Operator** to the **RSP** on demand, together with any applicable **VAT**.

(b) However, if the information was lost, destroyed or corrupted while under the **RSP's** control, the cost of providing these services will be borne by the **RSP**.

12-14 **EFFECT OF ACCEPTANCE FOR CLEARING OF RSP-SETTLED PRODUCTS**

Following the **Acceptance for Clearing** of an **RSP-settled Product** or an **RSP-settled Refund**, the **RSP** will:-

- (a) take the **Credits** and **Debits** which under Chapter 11 or Clause 12-50 below are to be received by each **Operator** in respect of that **RSP-settled Product** or **RSP-settled Refund** into account, in accordance with Clause 12-33, for the purpose of determining the payment due to or from that **Operator** under Clause 12-35 below; and
- (b) take the **Acceptance for Clearing** of that **RSP-settled Product** or **RSP-settled Refund** into account for the purpose of determining the payment(s) due to or from each **Approved Third Party** under its **ATP Agreement**.

PART III: OPTIONAL CLEARANCE OF INTER-USER PAYMENTS

12-15 **PAYMENTS WHICH QUALIFY AS INTER-USER PAYMENTS**

(1) **Definition of "Inter-User Payments"**

(a) From time to time an **Operator** may, with the consent of the **RSP**, elect to have any sums which it wishes to pay to another person (referred to as "**Inter-User Payments**") cleared through the **RSP**. The election must be made substantially in the form of Schedule 32 or in any other form that the **RSP** reasonably requires from time to time, either generally or in any particular case.

(b) The **RSP's** consent may be given generally or subject to any conditions specified by it, generally or in any particular case (including conditions as to the type of **Inter-User Payment** that may be capable of being **Accepted for Clearing** and the persons to whom **Inter-User Payments** may be made).

(c) An **Operator's** election to clear a particular **Inter-User Payment** through the **RSP** must be made by providing the information specified by the **RSP** from time to time, generally or in any particular case, in the format and in accordance with the procedures so specified. The format may include a code in which the information is to be provided.

(d) Unless otherwise notified to the **RSP**, any **Inter-User Payment** that is **Accepted for Clearing** will be deemed to include any applicable VAT.

(2) **Payments which may not be treated as Inter-User Payments**

(a) An election under sub-Clause (1) above may not be made in respect of revenues relating to **RSP-settled Products** or **RSP-settled Refunds**. These must be settled in accordance with Clauses 12-3 to 12-14 above.

(b) However, this does not prevent an **Operator** which receives a **Credit** in respect of a **Fare** or a **Non-Rail Product** from electing to treat a payment which it wishes to make to another person in respect of that **Credit** as an **Inter-User Payment**.

12-16 INFORMATION SUPPLIED INCORRECTLY IN RELATION TO INTER-USER PAYMENTS

- (1) The **RSP** has a discretion whether or not to **Accept for Clearing**

If the information supplied by an **Operator** pursuant to Clause 12-15 above is incomplete or is supplied in a different format or using a different procedure from that specified by the **RSP**, the **RSP** will have a discretion whether or not to **Accept for Clearing** the relevant **Inter-User Payment(s)**.

- (2) Notification by the **RSP** to the **Operator(s)**

If the **RSP** elects not to **Accept for Clearing** the relevant **Inter-User Payments**, it will notify the **Operator(s)** concerned accordingly by means of a notice substantially in the form of Schedule 33.

12-17 EFFECT OF ACCEPTANCE FOR CLEARING OF INTER-USER PAYMENTS

- (1) Calculations by the **RSP**

Following the **Acceptance for Clearing** of an **Inter-User Payment** that an **Operator** (referred to as the "**Paying Operator**") wishes to make, the **RSP** will:-

- (a) take the principal amount of that payment (or its sterling equivalent, determined in accordance with Clause 12-19 below, if it is not denominated in sterling), together with any applicable **VAT**, into account when calculating the **Paying Operator's Supplementary Settlement Amount** for the **Settlement Period** in which the **Inter-User Payment** was **Accepted for Clearing**;
- (b) if the person to which the **Inter-User Payment** is to be made (referred to as the "**Recipient**") is an **Operator**, take that principal amount (or its sterling equivalent, determined in accordance with Clause 12-19 below), together with an amount equal to any applicable **VAT**, into account when calculating its **Supplementary Settlement Amount** for that **Settlement Period**; and
- (c) if the **Recipient** is not an **Operator**, pay that principal amount (or its sterling equivalent, determined in accordance with Clause 12-19 below), together with an

amount equal to any applicable **VAT**, to it on the **Settlement Date** for that **Settlement Period**.

(2) Extinguishing of **Inter-Operator** claims

If the **Recipient** is an **Operator** or Rail Staff Travel Limited, immediately and automatically upon the **Acceptance for Clearing** of an **Inter-User Payment** (other than a **Post-liquidation Payment** payable to the **Recipient**), any claim that it has against the **Paying Operator** for the payment of that **Inter-User Payment** shall be extinguished (and replaced by the rights and obligations referred to in sub-Clause (1) above) unless the **Paying Operator** and the **Recipient** expressly agree otherwise.

12-18 MATCHING OF NOTIFICATIONS

(1) Requirement for joint notifications

The **RSP** may make the **Acceptance for Clearing** of a particular type of **Inter-User Payment** (including **Inter-User Payments** which are payable to a particular person) conditional on:-

- (a) the person to which it is payable confirming that it is to receive the payment; and
- (b) the **RSP** being able to verify that this confirmation is consistent in all material respects with the information provided pursuant to Clause 12-15(1)(a) above by the **Operator** submitting the **Inter-User Payment** for clearing.

(2) Effect of failure to provide identical information

If the **Acceptance for Clearing** of an **Inter-User Payment** is conditional on the matters referred to in sub-Clause (1) above but the **RSP** is unable for any reason (including a failure by the person which is to receive the payment to provide the confirmation) to effect the verification that is required, the **Inter-User Payment** will not be eligible to be cleared through the **RSP**. In this event, the **RSP** will notify that person and the **Operator** which submitted the **Inter-User Payment** for clearing accordingly.

12-19 **INTER-USER PAYMENTS NOT DENOMINATED IN STERLING**

(1) The rate of exchange

If the **RSP** agrees to **Accept for Clearing Inter-User Payments** which are denominated in a currency other than pounds sterling, it will make available to the **Operators** the rate of exchange from time to time that it will apply for the purposes of this Chapter to determine the sterling equivalent of these payments.

(2) Currency conversion

As soon as reasonably practicable after **Accepting for Clearing** an **Inter-User Payment** which is denominated in a currency other than pounds sterling, the **RSP** will determine the amount in pounds sterling which could be purchased with the principal amount of that payment at the last such rate of exchange which the **RSP** has made available. The amount to be taken into account in the calculations referred to in Clause 12-17(1) above will be the pounds sterling amount so determined by the **RSP**.

PART IV: PRESERVATION OF INFORMATION

12-20 PRESERVATION BY THE **RSP**

The **RSP** will preserve for as long as the **Ticketing and Settlement Scheme Council** directs (not being less than the periods referred to in Clause 12-62 below) any parts of the information received by it under this Chapter that it needs to be able to perform the calculations referred to in Clauses 12-30 to 12-35 below. The information may be preserved in written form, on microfiche or on computer disk in any format decided upon by the **RSP**.

12-21 PRESERVATION BY THE **OPERATORS**

Each **Operator** must keep counterfoil copies of receipts issued in connection with the **Sale** of an **RSP-settled Product** for which a **Credit Card** was used as the method of payment, in accordance with Clause 7-13(3) above.

PART V: SETTLEMENT WITH PERSONS WHO ARE NOT OPERATORS

12-22 **ATOC TRAVEL AGENTS AND ITX TRAVEL AGENTS**

(1) **Provision of clearing and settlement facilities by the RSP**

The **RSP** will provide facilities for the receipt by it of:-

(a) information relating to **Rail Products** and **Non-Rail Products** that are **Sold** by **ATOC Travel Agents**, **ITX Travel Agents** and to **ATOC Self-ticketing Licensees** and **Refunds** that are made by **ATOC Travel Agents** and **ITX Travel Agents**; and

(b) revenues (net of any commission or other sums due to the relevant **ATOC Travel Agents**, **ITX Travel Agents** or **ATOC Self-ticketing Licensees** but including any applicable **VAT** relating to the revenues) relating to those **Rail Products**, **Non-Rail Products** and **Refunds**.

(2) **Effect of Acceptance for Clearing**

Clause 12-14 above will apply to any **Rail Products** and **Non-Rail Products** that are **Sold** by an **ATOC Travel Agent**, an **ITX Travel Agent** or to an **ATOC Self-ticketing Licensee** and any **Refunds** that are made by an **ATOC Travel Agent** or an **ITX Travel Agent** (where they are **Accepted for Clearing** by the **RSP**).

12-23 **EPS**

(1) **RSP-settled Products Sold by the Operators**

An **Operator** which **Sells** an **RSP-settled Product** or makes a **Refund** in respect of an **RSP-settled Rail Product** must provide the **RSP** with the information referred to in Clauses 12-3 to 12-8 above in relation to the **Sale** or **Refund** even if **EPS** or the **EPS Partners** are bound to honour it (in whole or in part). For this purpose,

"**RSP-settled Products**" includes rights to travel on the services of **EPS** and "**RSP-settled Refunds**" includes refunds in respect of such products.

(2) **Rail Products Sold by EPS**

Pursuant to an agreement between **EPS** and the **Operators**, **EPS** is permitted to **Sell Rail Products** which **Operators** are bound to honour. When **EPS** **Sells** a **Rail Product** which an **Operator** is bound to honour, or makes a **Refund** in respect of such a **Rail Product**, **EPS** will provide the **RSP** with the information referred to in the **Clearance Agreement** between **EPS** and the **RSP** in relation to the **Sale** or **Refund**.

(3) Settlement in respect of **Sales** by **EPS**

The **RSP** will, in accordance with the **Clearance Agreement** between **EPS** and the **RSP**, pay **EPS** any sums that become due to it under that agreement as a result of the **Sale** of **RSP-settled Products** or the making of **RSP-settled Refunds** that (in either case) are **Accepted for Clearing** by the **RSP**. For this purpose, "**RSP-settled Products**" includes rights to travel on the services of **EPS** and "**RSP-settled Refunds**" includes refunds in respect of such products.

(4) Effect of **Acceptance for Clearing**

Clause 12-14 above will apply to any **Rail Products** that are **Sold**, and any **Refunds** that are made, by **EPS** provided that they are **Accepted for Clearing** by the **RSP**.

12-24 **INTERNATIONAL MARKETING AGENTS**

(1) **RSP-settled Rail Products** sold by **International Marketing Agents**

Pursuant to sales and marketing agreements between **International Marketing Agents** and the **Operators**, the **International Marketing Agents** are permitted to **Sell Rail Products** which the **Operators** are bound to honour.

(2) Provision of information

(a) When an **International Marketing Agent** **Sells** a **Rail Product** which an **Operator** is bound to honour but which does not involve the services of a **European Operator**, or makes a **Refund** in respect of such a **Rail Product**, the relevant **International Marketing Agent** will provide the **RSP** with the information specified in the **Clearance Agreement** between the **RSP** and the relevant **International Marketing Agent**.

(b) When the relevant **International Marketing Agent** sells a **Rail Product** which one or more **Operators** and one or more **European Operators** are bound to honour, or makes a **Refund** in respect of such a **Rail Product**, the relevant **International Marketing Agent** will provide **ISSP**, or such other person as the **RSP** may designate with the information required pursuant to the rules that are made by the UIC from time to time.

(3) Settlement

The **Rail Products** and **Refunds** referred to in sub-Clause (2)(a) and (2)(b) above will be settled in the way described in Clause 12-25(5) below, as applicable.

12-25 **ISSP**

(1) **RSP-settled Rail Products Sold by Operators**

(a) An **Operator** which **Sells** an **RSP-settled Rail Product** or makes a **Refund** in respect of such an **RSP-settled Rail Product**, must provide the **RSP** with the information referred to in Clauses 12-3 to 12-8 above in relation to the **Sale** or **Refund** even if a **European Operator** or a **Foreign Railway** is bound to honour it.

(b) Where a **European Operator** or a **Foreign Railway** is so bound it must also provide **ISSP**, or such other person as the **RSP** may designate with the information about the **Sale** or **Refund** that is required pursuant to the rules that are published by the UIC from time to time in the format specified by the **RSP** from time to time.

(2) **RSP-settled Rail Products Sold by European Operators**

(a) Under the Agreement for the provision of international clearance service between **ISSP** and the **RSP**, **ISSP** has agreed to provide the **RSP** with information about, **Sales** of **Rail Products** by the **European Operators** (other than the **Foreign Railways**) of which it is, or should reasonably be, aware, together with information identifying the **Operator** to which that revenue is attributable.

(3) **Rail Products Sold by Foreign Railways**

A **Foreign Railway** which **Sells** a **Rail Product** which an **Operator** is bound to honour or makes a **Refund** in respect of such a **Rail Product** is required to provide **ISSP** with the information about the **Sale** or **Refund** that is required by the bilateral agreement between the **British Railways Board** and that **Foreign Railway** or the **RSP** and that **Foreign Railway**.

(4) **RSP-settled Rail Products that are Accepted for Clearing**

Clause 12-14 above will apply to any **RSP-settled Products** and **RSP-settled Refunds** involving a **European Operator** that are **Accepted for Clearing** by the **RSP**.

(5) **RSP-settled Rail Products that are not Accepted for Clearing**

Following the receipt by the **RSP** of information from **ISSP** pursuant to the **Clearance Agreement** between the relevant **International Marketing Agent** and the **RSP**, the **RSP** will:-

- (a) take the **Debits** and **Credits** which under Chapter 11 are to be received by each **Operator** in respect of the **Rail Product** or **Refund** into account, in accordance with Clause 12-33 below for the purpose of determining the payments due to or from that **Operator** pursuant to Clause 12-35 below; and
- (b) take the amount which **ISSP** notifies the **RSP** is due to **European Operators** into account, in accordance with the **Clearance Agreement** with the relevant **International Marketing Agent**, for the purpose of determining the payment(s) due to or from **European Operators** under the rules that are made by the UIC from time to time.

12-26 **TTL**

(1) **Exchange of information**

TTL has entered into a **Clearance Agreement** with the **RSP** in which **TTL** has agreed to provide the **RSP** with certain information about **Sales of Fares** by **TTL**, its subsidiaries and the **TTL Third Parties** pursuant to the **Travelcard Agreement** and the **Through Ticketing (Non-Travelcard) Agreement**.

(2) **RSP-settled Rail Products that are Accepted for Clearing**

Clause 12-14 above will apply to any **RSP-settled Rail Products** and **RSP-settled Refunds** involving **TTL**, its subsidiaries or **TTL Third Parties** that are **Accepted for Clearing** by the **RSP**.

(3) **Fares Sold by TTL and its subsidiaries and TTL Third Parties**

Following the receipt by the **RSP** of information from **TTL** pursuant to its **Clearance Agreement** about the **Sale of Fares** or the making of **Refunds**, the **RSP** will:-

- (a) take the **Debits** and **Credits** which under Chapter 11 are to be received by each **Operator** in respect of those **Fares** and **Refunds** into account, in accordance with Clause 12-33 below for the purpose of determining the payments due to or from that **Operator** pursuant to Clause 12-35 below; and
- (b) take the amount which is due to **TTL** pursuant to its **Clearance Agreement** in respect of the **Fares** and **Refunds** into account, in accordance with that **Clearance Agreement**, for the purpose of determining the payment(s) due to or from **TTL** under the **Clearance Agreement**.

12-27 **OTHER APPROVED THIRD PARTIES**

(1) **Provision of clearance and settlement facilities by the RSP**

Where an **ATP Agreement** authorises the relevant **Approved Third Party** to **Sell Rail Products** and/or to make **Refunds**, the **RSP** will provide clearance services in relation to those **Rail Products** and **Refunds** on the terms of that **ATP Agreement**.

(2) **Effect of Acceptance for Clearing of Inter-User Payments**

- (a) Following the **Acceptance for Clearing** by the **RSP** of an **Inter-User Payment** payable by Rail Staff Travel Limited, the **RSP** will take the principal amount of that payment (including any applicable **VAT**) into account when calculating:-

(i) the amount(s) due to or from Rail Staff Travel Limited under its **ATP Agreement** in respect of the **Settlement Period** in which the **Inter-User Payment** was **Accepted for Clearing**; and

(ii) the **Supplementary Settlement Amount** of the **Operator** to which the **Inter-User Payment** is to be paid in respect of that **Settlement Period**.

(b) Immediately and automatically upon the **Acceptance for Clearing** of such an **Inter-User Payment** (other than a **Post-liquidation Payment** payable to an **Operator**), any claim that such **Operator** has against Rail Staff Travel Limited for the payment of that **Inter-User Payment** shall be extinguished (and replaced by the rights and obligations referred to in paragraph (a) above) unless Rail Staff Travel Limited and the **Operator** expressly agree otherwise.

(c) Paragraph (b) above applies in favour of Rail Staff Travel Limited. Accordingly, the agreement represented by that paragraph is entered into between each **Operator** and the **RSP**, acting for this purpose as the agent of Rail Staff Travel Limited as well as for its own account.

12-28 **FARES SOLD TOGETHER WITH OTHER RIGHTS TO GOODS OR SERVICES**

(1) Responsibility to account to a third party

(a) Where a **Fare Created** by an **Operator** includes rights to goods or services (other than a journey on the **Network**), that **Operator** will be responsible for settling any sums due between it and any other person who provides such goods or services, including any **VAT** on these sums. Any sums which are due to any person who provides the rights which are comprised in a **Non-Rail Product** must also be settled by the **Operator** which **Created** the **Non-Rail Product**.

(b) The **Operator** which is responsible for settling these sums may, subject to obtaining the **RSP's** consent, elect to treat them as **Inter-User Payments**. In this event, they will be paid by the **RSP** direct to the person specified by that **Operator**.

(2) Settlement through the RSP

(a) Until 23 July 1997 each **Operator** which receives a **Private Settlement Credit** in respect of which a payment is due from it to a person who has agreed to provide goods or services (other than travel on the **Network** in Great Britain using only the trains of the **Operators**) is deemed to have elected to settle that payment through the **RSP** as an **Inter-User Payment**.

(b) For the purpose of Clause 12-15(1)(a) above, the **RSP's** consent to the clearance of that payment through the **RSP** is hereby given. No further action on the part of any of the **Operators** is required for it to be **Accepted for Clearing**.

(c) Until 23 July 1997, the **RSP** is not required to record the amount of the **Private Settlement Credit** received by each **Operator** as long as it records the aggregate amount of the **Private Settlement Credits** that are received by the **Operators** taken together in each **Settlement Period** in respect of each person to whom the payments referred to in paragraph (a) above are due.

(3) Reclassification of information

(a) If the **RSP** determines that any information it has received pursuant to Clause 12-3 above about a **Fare** that has been **Sold** by or on behalf of an **Operator**, an **ATOC Travel Agent**, an **ITX Travel Agent** or an **Approved Third Party**, or to an **ATOC Self-ticketing Licensee**, wrongly fails to indicate that the **Fare Sold** included rights to goods or services (other than a journey on the **Network**), it may treat the information as if it related to the **Fare** which the **RSP** believes was actually **Sold**.

(b) If it does either of these things, the calculations referred to in Clause 12-33 below will be made on the basis of the information that the **RSP** believes it ought to have received.

(c) The **RSP** is not required to make this determination in the **Settlement Period** in which the **Fare** that was **Sold** is **Accepted for Clearing**. If it makes it in a later **Settlement Period**, it will recalculate, in respect of each **Operator**, the **Final Payments** that were payable to or by the **Operators** in respect of the **Settlement Period** in which the relevant **Fare** was **Accepted for Clearing**.

(d) Where in respect of any **Operator**, there is a difference between the **Final Payment** recalculated in this way and the **Final Payment** that was notified to that

Operator, the **RSP** will adjust the **Final Payment** that would otherwise be due to or from that **Operator** in the **Settlement Period** in which the recalculation is made. Clause 12-35 below will be construed accordingly.

12-29 **ATOC SCHEME EXPENSES**

Any sums (including any applicable **VAT**) that are due from any of the **Operators** under an **ATOC Scheme** may be cleared through the **RSP**. These sums are deemed to be **Inter-User Payments** which are **Accepted for Clearing** at the time the **RSP** is notified by the **ATOC Secretariat** that they have become due.

PART VI: CALCULATION OF PAYMENTS DUE

12-30 NOTIFICATION OF SETTLEMENT PERIODS, SETTLEMENT DATES AND INTERIM PAYMENT DATES

- (1) The period from 23 July 1995 to 31 March 1996

For the period from 23 July 1995 to 31 March 1996, the **Settlement Periods**, **Settlement Dates** and **Interim Payment Dates** shall be as specified in Part I of Schedule 34.

- (2) 1 April 1996 to 31 March 1997 and subsequent years

On or before 31 December in each year (starting in 1996), the **RSP** will determine the **Settlement Periods** and **Interim Payment Dates** in the 12 month period commencing on 1 April in the following year and shall notify them to the **Operators** in writing substantially in the form of Part II of Schedule 33.

12-31 INTERIM PAYMENTS

- (1) Calculation of the Interim Payments

- (a) On or before the first day of each **Settlement Period**, the **RSP** will calculate:-

(i) each **Operator's Historical Settlement Amount** for that **Settlement Period**; and

(ii) the **Interim Payments** which will be due to or from that **Operator** in that **Settlement Period** (apart from those due under sub-Clause (4) below), each calculated in accordance with the following formula:-

$$\text{Interim Payment} = \frac{\text{Historical Settlement Amount} \times 70\%}{\text{Number of Payments}}$$

where "**Number of Payments**" means the number of **Interim Payments** (as determined by the **RSP**) that are to be made in that **Settlement Period** otherwise than under sub-Clause (4) below.

(b) If the amount of any **Interim Payment** calculated under paragraph (a) above has a positive value it is payable by the **RSP** to the **Operator**. If it has a negative value it is payable by the **Operator** to the **RSP**.

(c) The percentage referred to in paragraph (a)(ii) above may, at the discretion of the **RSP**, be increased to not more than 100 per cent. if the **Operator** has failed to pay any amount due under this Chapter when payable and such payment remains outstanding at the date the relevant calculation is made.

(2) Notification to the Operators of Interim Payments

As soon as reasonably practicable, and in any event within three **Business Days** after the first day of each **Settlement Period**, the **RSP** will notify each **Operator** of the **Interim Payments** payable to or by that **Operator** under sub-Clause (1) above in that **Settlement Period**.

(3) Payment

On each **Interim Payment Date**:-

(a) each **Operator** will pay to the **RSP** the **Interim Payment** (if any) payable by that **Operator** on that date, less any **Unpaid Amounts** payable to that **Operator** by the **RSP**; and

(b) subject to Clause 12-36 below, the **RSP** will pay to each **Operator** the **Interim Payment** (if any) payable to that **Operator** on that date, less any **Unpaid Amounts** payable to the **RSP** by that **Operator**.

(4) Interim Payments in respect of ATOC Travel Agent, ITX Travel Agent and ATOC Self-ticketing Licensee receipts

(a) On or before the eighth business day of each **Settlement Period**, the **RSP** will estimate, in respect of each **Operator**, the sum of the **Credits** which that **Operator** is to receive in respect of **Fares Sold** by the **ATOC Travel Agents**, **ITX Travel Agents** or to **ATOC Self-ticketing Licensees** which were **Accepted for Clearing** in the previous **Settlement Period**.

(b) On or before the ninth **Business Day** of that **Settlement Period**, the **RSP** will notify each **Operator** of the amount that has been estimated with respect to it.

(c) On or before the 14th **Business Day** of that **Settlement Period**, the **RSP** will pay 90 per cent. of that amount to that **Operator**, less any **Unpaid Amounts** that are payable by it to the **RSP**.

12-32 TIME AT WHICH ITEMS ARE ACCEPTED FOR CLEARING

(1) The **RSP**'s discretion

(a) The **RSP** may elect to treat an **RSP-settled Product** or an **RSP-settled Refund** in relation to which the information referred to in Clause 12-22 above was received by it in a particular **Settlement Period** from an **ATOC Travel Agent**, an **ITX Travel Agent** or an **ATOC Self-ticketing Licensee** via an **Approved TIM** as having been **Accepted for Clearing** in the following **Settlement Period**.

(b) The **RSP** may also elect to treat an **RSP-settled Product**, or **RSP-settled Refund** or an **Inter-User Payment** in relation to which the information supplied to the **RSP** by the person submitting it for clearing was incomplete or supplied in a format or in accordance with a procedure which is different from that specified by the **RSP** as not having been **Accepted for Clearing** until the **Settlement Period** in which complete information was supplied in the format and in accordance with the procedure so specified.

(2) Effect of an election by the **RSP**

If the **RSP** makes one of the elections referred to in sub-Clause (1) above, the relevant **RSP-settled Product**, **RSP-settled Refund** or **Inter-User Payment** will be treated for all purposes as having been **Accepted for Clearing** in the **Settlement Period** so elected by the **RSP**.

12-33 THE COMPULSORY SETTLEMENT AMOUNT

An **Operator's Compulsory Settlement Amount** in relation to a **Settlement Period** is the amount (whether positive or negative) calculated by the **RSP** as follows:-

(a) the sum of:-

- (i) the **Credits** which are to be received by that **Operator** in respect of **RSP-settled Products** and **RSP-settled Refunds** which were **Accepted for Clearing** in that **Settlement Period** (including any **Credits** which are to be received by it in respect of commission or pursuant to Clause 12-50(1) below); less
 - (ii) the **Debits** which are to be received by that **Operator** in respect of **RSP-settled Products** and **RSP-settled Refunds** which were **Accepted for Clearing** in that **Settlement Period** (including any **Debits** which are to be received by it in respect of commission);
- (b) plus:-
 - (i) any **Interim Payments** payable by that **Operator** to the **RSP** under Clause 12-31 above in relation to that **Settlement Period**; less

- (c) plus:-
 - (i) any amounts allocated to that **Operator** in that **Settlement Period** under Clause 12-47 below in relation to defaulted payments that have since been received (to the extent that the payment was borne by the **Operator** under Clause 12-43, 12-45 or 12-46 below); less
 - (ii) the amount that the **RSP** determines is to be borne by that **Operator** in that **Settlement Period** under Clause 12-43, 12-45 or 12-46 below in respect of a default by another **Operator**, an **ATOC Travel Agent**, an **ITX Travel Agent**, an **ATOC Self-ticketing Licensee** or an **Approved Third Party**.

12-34 THE SUPPLEMENTARY SETTLEMENT AMOUNT

An **Operator's Supplementary Settlement Amount** in relation to a **Settlement Period** is the amount (whether positive or negative) calculated by the **RSP** as follows:-

- (a) the sum of:-

- (i) the principal amount (including any applicable **VAT**) of any **Inter-User Payments** payable to that **Operator** which were **Accepted for Clearing** in that **Settlement Period**, other than any **Post-liquidation Payments** payable to that **Operator**; less
- (ii) the principal amount (including any applicable **VAT**) of any **Inter-User Payments** payable by that **Operator** which were **Accepted for Clearing** in that **Settlement Period**, other than any **Post-liquidation Payments** payable to another person;
- (b) plus:-
 - (i) any amount allocated to that **Operator** in that **Settlement Period** under Clause 12-47 below in relation to defaulted payments that have subsequently been received (to the extent that the payment was borne by the **Operator** under Clause 12-44 below); less
 - (ii) the amount that the **RSP** determines should be borne by that **Operator** under Clause 12-44 below in respect of a default by another **Operator** in that **Settlement Period** or an **Approved Third Party**.

12-35 **THE FINAL PAYMENT**

(1) **Calculation of the Final Payment**

- (a) An **Operator's** Final Payment in relation to a **Settlement Period** will be calculated by the **RSP** in accordance with the following formula:-

$$\begin{array}{rcl}
 \textbf{Final} & = & \textbf{Compulsory} + \textbf{Supplementary} \\
 \textbf{Payment} & & \textbf{Settlement} \quad \textbf{Settlement} \\
 & & \textbf{Amount} \quad \textbf{Amount}
 \end{array}$$

- (b) If the **Final Payment** has a negative value, the relevant **Operator** must pay it (expressed as a positive value) to the **RSP**, together with any **Unpaid Amounts** that are payable to the **RSP** by that **Operator** but less any **Unpaid Amounts** that are payable to that **Operator** by the **RSP**.

(c) If the **Final Payment** has a positive value, subject to Clause 12-36 below, the **RSP** must pay it to the relevant **Operator**, together with any **Unpaid Amounts** that are payable to that **Operator** by the **RSP** but less any **Unpaid Amounts** that are payable to the **RSP** by that **Operator**.

(2) Notification of the **Final Payment** to the **Operators**

At or before close of business on the **Advice Date** for each **Settlement Period**, the **RSP** will notify each **Operator** of its **Final Payment** for that **Settlement Period**, indicating whether it represents a sum due to or from the **Operator**. The notification will also state the amount of the **Final Payment** which consists of the **Operator's Compulsory Settlement Amount** and the amount which consists of its **Supplementary Settlement Amount**.

(3) Payment of the **Final Payment**

Subject to Clause 12-36 below, each **Final Payment** must be paid by close of business on the first **Settlement Date** after the end of the **Settlement Period** to which it relates in accordance with Clause 12-39 below.

12-36 EFFECT OF INSOLVENCY EVENT ON PAYMENTS BY THE **RSP**

(1) Conditions precedent to payment

The payments due to an **Operator** under Clauses 12-31 and 12-35 above are subject to the condition precedent that none of the events specified in paragraphs (a) to (i) of Clause 12-55 below has occurred and is continuing in relation to that **Operator**.

(2) Following the occurrence of such an event

(a) On the second **Settlement Date** after notice of the occurrence of any of the events referred to in sub-Clause (1) above has been given to the **RSP**, the **Final Payment** for the relevant **Operator** in relation to that second **Settlement Date** will be determined in accordance with Clause 12-35 above. However, for this purpose the amounts referred to in Clauses 12-33 and 12-34 above will be calculated by reference to the **RSP-settled Products**, **RSP-settled Refunds** and **Inter-User Payments** which were **Accepted for Clearing** in the **Settlement Period** in which such event(s) first

occurred and every subsequent **Settlement Period** ending before that second **Settlement Date**.

(b) If the **Final Payment** calculated in accordance with paragraph (a) above has a negative value, the relevant **Operator** must pay it to the **RSP**, together with any **Unpaid Amounts** that are payable to the **RSP** by that **Operator** but less any **Unpaid Amounts** that are payable to that **Operator** by the **RSP**.

(c) If the **Final Payment** has a positive value, the **RSP** must pay it to the relevant **Operator**, together with any **Unpaid Amounts** that are payable to that **Operator** by the **RSP** but less any **Unpaid Amounts** payable to the **RSP** by that **Operator**.

12-37 NON-PAYMENT BY AN OPERATOR

If an **Operator** is in default in the payment of any sum due from it to the **RSP** under this Chapter and Clause 12-36 above does not apply, the **RSP** may set off against such sum any or all sums payable from the **RSP** to that **Operator** under this Chapter.

12-38 OVERPAYMENTS

(1) Overpayment by the RSP or by an Operator

(a) If at any time an **Operator** or the **RSP** pays more than is due from it at that time under this Chapter, whether as a result of a miscalculation by the **RSP** or otherwise, the **RSP** and/or, as the case may be, the relevant **Operator** must repay to the other on demand the amount of the overpayment.

(b) The **RSP** or, as the case may be, the relevant **Operator** must also pay on demand interest on the amount of the overpayment, calculated by the **RSP** at the **Standard Rate** from (and including) the day on which the overpayment was made to (but excluding) the day on which it is repaid, unless the amount of interest payable would be less than £1,000.

(c) The **RSP** or, as the case may be, the relevant **Operator** may, however, deduct from any sum which it is obliged to pay under this sub-Clause (1) the amount of any tax that is imposed on it in respect of the payment, whether or not under English law.

(2) Status of amounts overpaid

Any amount payable under sub-Clause (1) above is a debt due from the **RSP** or, as the case may be, the **Operator** to which the overpayment was made. Whether or not a demand for its repayment has been made, the **RSP** may (to the extent that it remains unpaid) treat it as an **Unpaid Amount** for the purposes of calculating the amount due to or from that **Operator** on any **Settlement Date**.

(3) Claims against third parties

Each of the **Operators** acknowledges and agrees that its only remedy (whether under contract, tort or otherwise and whether or not caused by the negligence of the **RSP**, its employees or agents) in respect of any repayment to be made by the **RSP** under sub-Clause (1)(a) above shall be as set out in sub-Clause (1) above. Accordingly, each of the **Operators** agrees not to make or pursue any claim against any third party relating to or in connection with any such repayment if this would result in the **RSP** being required to make any payment in addition to that due under sub-Clause (1) above.

12-39 PAYMENTS

(1) Payments to the **RSP** from **Operators**

(a) Any amounts due from an **Operator** under this Chapter must be paid by direct debit under a mandate granted to the **RSP** over a pounds sterling account with a bank in the United Kingdom unless the **RSP** agrees to an alternative method of payment.

(b) No **Operator** may terminate or vary the terms of any such mandate that it grants to the **RSP** without the **RSP's** prior consent.

(2) Payments to **Operators** from the **RSP**

Payments due to an **Operator** from the **RSP** under this Chapter will be made in pounds sterling by the transfer of immediately available funds for value on the day they become due to such pounds sterling account with a bank in the United Kingdom as that **Operator** notifies to the **RSP** from time to time.

12-40 APPLICATION OF MONEYS

(1) General

Any moneys received by the **RSP** from an **Operator** under this Chapter will, despite any statement by that **Operator** to the contrary, be applied:-

- (a) first, in the payment of any interest accrued on sums due from, or other charges incurred by, that **Operator** to the **RSP** under this Agreement;
- (b) second, in the payment of any **Unpaid Amounts** due from the **Operator** in respect of previous **Settlement Periods**, in accordance with sub-Clause (2) below;
- (c) third, in the payment of any other sums due from the **Operator** to the **RSP** under this Chapter in respect of the current **Settlement Period**, pari passu and rateably; and
- (d) fourth, on account of any future liability of the **Operator** to the **RSP**.

(2) Unpaid Amounts

Moneys which under sub-Clause (1) are to be applied in respect of any **Unpaid Amounts** will be applied:-

- (a) first, to the **Shared Loss**;
- (b) second, to the **Supplementary Settlement Amount**; and
- (c) third to any other **Unpaid Amounts**.

PART VII: DEFAULTS

12-41 NON-PAYMENT BY AN OPERATOR

(1) Liability to pay interest

(a) If an **Operator** fails to pay any amount payable by it under this Chapter when due, it must pay interest on the amount from time to time outstanding in respect of that overdue sum for the period beginning on its due date and ending on the date of its receipt in cleared funds by the **RSP** (both before and after any judgement) at the **Default Rate**.

(b) Interest accrued under this sub-Clause (1) will be payable by the **Operator** on the receipt of a demand from the **RSP** but, if not previously demanded, will be payable on the last day of the **Settlement Period** in which the default occurred. If not paid when due, the interest will be added to the overdue sum and will itself bear interest accordingly.

(2) Indemnity by the Operator

Each **Operator** will on demand indemnify the **RSP** (on an after-tax basis) against any cost, loss, expense or liability sustained or incurred by the **RSP** (including any **VAT** for which a credit is not available under the **VAT Act**) as a result of a failure by that **Operator** to pay any amount payable by it under this Chapter when due, including the costs and expenses of any proceedings brought against the **Operator** to recover the amount due.

12-42 NOTIFICATION OF THE DEFAULT

(1) Notifications by the RSP

If an **Operator** fails to pay any amount payable by it under this Chapter when due, on the fifth **Business Day** after the default occurred the **RSP** will, if the default is continuing on that date, use its reasonable endeavours to notify each of the other **Operators**, the **Approved Third Parties** and the **Authority** of:-

- (a) the amount and nature of the default;
- (b) the date on which the payment was due; and

(c) any reason given by the defaulting **Operator** for the default.

(2) Further notification of payment received

If any such defaulted payment is subsequently paid, in whole or in part, the **RSP** will use its reasonable endeavours to notify each of the other **Operators**, the **Approved Third Parties** and the **Authority** accordingly within one **Business Day** of the receipt of such payment.

12-43 ALLOCATION OF LOSS IN RESPECT OF THE COMPULSORY SETTLEMENT AMOUNT FOLLOWING A DEFAULT

(1) Calculation by the **RSP** of the **Shared Loss**

If an **Operator** (the "**Defaulting Operator**") fails to pay in full any **Interim Payment** or **Final Payment** that is due from it and the default is continuing on the last day of the **Settlement Period** after the one in which the relevant **Interim Payment Date** falls (in the case of an **Interim Payment**) or to which the payment relates (in the case of a **Final Payment**), the **RSP** will determine:-

- (a) the aggregate amount that is outstanding from the **Defaulting Operator** on that day in respect of these payments (the "**Overdue Amount**"); and
- (b) the **Shared Loss**, calculated in accordance with the following formula:-

$$\text{Shared Loss} = \text{Overdue Amount} \times \text{Compulsory Proportion}$$

where "**Compulsory Proportion**" means the proportion of the **Final Payment** referred to in this sub-Clause (1) that consists of a **Compulsory Settlement Amount**.

(2) Allocation of the **Shared Loss**

After the deduction of the proportion of the **Shared Loss** (if any) that is to be borne by the **Approved Third Parties** (as described in sub-Clause (3) below), the remainder of the **Shared Loss** will be borne by the **Operators** (the "**Non-Defaulting Operators**") other than the **Defaulting Operators** and any **Operators** which at the time that the **Shared Loss** arises are in the course of being wound up, in proportion to their **Turnover** for the previous

financial year of the **RSP**. However, the amount to be borne by each **Operator** will be due only in accordance with Clause 12-35 above.

(3) Proportion to be borne by the **Approved Third Parties**

The proportion of the **Shared Loss** which is to be borne by each **Approved Third Party** is the amount calculated in accordance with its **ATP Agreement** or, as the case may be, **Clearance Agreement**. Subject to sub-Clause (4) below, this is:-

(a) the proportion that the **Overdue Amount** bears to the sum of the **Interim Payments** and the **Final Payments** referred to in sub-Clause (1) above;

(b) multiplied by:-

(i) the amount that would be due to that **Approved Third Party** if it were calculated solely on the basis of the **Rail Products** and **Non-Rail Products Sold** and **Refunds** made by the **Defaulting Operator** (or on its behalf by an agent appointed solely by the **Defaulting Operator**) which were **Accepted for Clearing** in the **Settlement Period** to which the **Shared Loss** relates; less

(ii) the **Final Payment** that would be due to the **Defaulting Operator** if it were calculated solely on the basis of the **Rail Products** and **Non-Rail Products** which were **Sold** and the **Refunds** which were made by or on behalf of that **Approved Third Party** (or, in the case of **TTL**, any other person for whose **Sales** and **Refunds** it is due to account) in that **Settlement Period**.

(4) Limitation of **TTL's liability**

Under the **Clearance Agreement** entered into by **TTL**, **TTL** is liable to bear a proportion of the **Shared Loss** only to the extent that it relates to **Fares Sold** and **Refunds** made by the **Defaulting Operator** that were **Accepted for Clearing** in the two **Settlement Periods** after:-

(a) the one in which the default took place (in the case of an **Interim Payment**);
or

- (b) the one to which the default related (in the case of a **Final Payment**).

However, slightly different provisions are contained in that **Clearance Agreement** in respect of partial defaults and defaults in respect of which the portion that is due to be borne by **TTL** does not exceed £40,000.

12-44 ALLOCATION OF LOSS IN RESPECT OF THE SUPPLEMENTARY SETTLEMENT AMOUNT FOLLOWING A DEFAULT

- (1) Who bears the loss

After deduction of the **Shared Loss**, the remainder of the **Overdue Amount**, if any, will be borne by the **Non-Defaulting Operators** in the proportions set out in sub-Clause (2) below.

- (2) Allocation of the loss

- (a) The amount to be borne by each of the **Non-Defaulting Operators** is the proportion of such remainder of the **Overdue Amount** that is referable to that **Non-Defaulting Operator**, as determined by the **RSP**. For the purpose of making this determination, amounts which represent a payment to be made to the **Non-Defaulting Operator** will be deducted from those which represent a payment to be made by it.

- (b) The amount to be borne by each **Non-Defaulting Operator** will be reflected in that **Operator's Supplementary Settlement Amount** in accordance with Clause 12-34(b) above and will be due only in accordance with Clause 12-35 above.

12-45 ALLOCATION OF LOSSES FOLLOWING A DEFAULT BY AN ATOC RETAIL AGENT, ATOC TRAVEL AGENT, AN ITX TRAVEL AGENT, AN ATOC SELF-TICKETING LICENSEE OR AN APPROVED THIRD PARTY

(1) Who bears the loss

If an **ATOC Retail Agent**, **ATOC Travel Agent**, an **ITX Travel Agent**, an **ATOC Self-ticketing Licensee** or an **Approved Third Party** fails to pay in full any sums that are due from it under its **Clearance Agreement** with the **RSP** and the default is continuing on the last day of the **Settlement Period** after the one in which it first occurred, the shortfall will be borne by the **Operators**, other than any **Operators** that at the time that the default occurs are in the course of being wound up.

(2) Allocation of the shortfall

(a) The amount to be borne by each of those **Operators** is the proportion of the shortfall that is referable to that **Operator** (calculated on the basis set out in Chapter 11 by reference to the **RSP-settled Products** and **RSP-settled Refunds** to which the default relates), as determined by the **RSP**.

(b) The amount to be borne by each **Operator** will be reflected in that **Operator's Compulsory Settlement Amount** and will be due only in accordance with Clause 12-35 above.

12-46 ALLOCATION OF LOSSES FOLLOWING A DEFAULT IN RESPECT OF A WARRANT ACCEPTED BY A PERSON OTHER THAN AN OPERATOR

(1) Who bears the loss

If the **RSP** has not received in full the face value of any **Warrant** which has been received by the **RSP** for processing in accordance with sub-Clause 7-21(3) above, before the last day of the **Settlement Period** after the one in which the relevant **Warrant** was first submitted to the **RSP**, the shortfall shall be borne by the **Operators**, other than any **Operators** that at the time that the default occurs are in the course of being wound up.

(2) Allocation of the shortfall

- (a) The amount to be borne by each of those **Operators** is the proportion of the shortfall that is referable to that **Operator** as determined by the **RSP** in accordance with (b) below.
- (b) The **RSP** will determine the proportion of the shortfall that is referable to each **Operator**:-
 - (i) on the basis set out in Chapters 11 and 12 by reference to the **RSP-settled Product** for which the relevant **Warrant** was delivered up, if the relevant **Warrant** was delivered up in exchange for an **RSP-settled Product**; or
 - (ii) if the relevant **Warrant** was not delivered up in exchange for an **RSP-settled Product** on the same basis as is set out in Clause 15-46(1) below.
- (c) The amount to be borne by each **Operator** will be reflected in that **Operator's Compulsory Settlement Amount** and will be due only in accordance with Clause 12-35 above.

12-47 ALLOCATION OF RECOVERED MONEYS

Any amount referred to in Clauses 12-43 to 12-46 above that is subsequently recovered by the **RSP**, and any interest that is received by the **RSP** in respect of the default, will be allocated to the **Operator(s)** and/or the **Approved Third Parties** which bore the cost of the default under the relevant Clause pro rata to the proportion borne by each of them. The allocation will be taken into account in determining the **Compulsory Settlement Amounts** and the **Supplementary Settlement Amounts** of such **Operator(s)** in respect of the then current **Settlement Period**, in accordance with Clauses 12-33 and 12-34 above.

12-48 EFFECT OF NON-RECEIPT OF PAYMENT BY AN OPERATOR

Any amount expressed to be due and payable by an **Operator** to the **RSP** under Clause 12-31 or 12-35 above will be due and payable regardless of whether the **Operator** has received payment from the persons to whom it has Sold **RSP-settled Products** in the relevant **Settlement Period**.

12-49 DEFAULTING OPERATOR NOT DISCHARGED

Nothing in this Chapter is to be construed as releasing any **Operator** that is in default in the payment of any sum due under this Chapter from its obligation to make that payment.

PART VIII: OTHER ALLOCATIONS IN RESPECT OF MONEYS RECEIVED BY THE RSP

12-50 **ENTITLEMENT OF OPERATORS TO RECEIVE OTHER AMOUNTS**

(1) **Entitlement of Operators to receive interest**

Where, in respect of **RSP-settled Products** which have been **Accepted for Clearing** in a particular **Settlement Period**, the **RSP** receives a payment from an **ATOC Travel Agent**, an **ITX Travel Agent** or an **ATOC Self-ticketing Licensee** before the **Settlement Date** for that **Settlement Period**, each **Operator** which is to receive a **Credit** in respect of those **RSP-settled Products** (referred to as an "**ATOC Travel Agent Credit**") will receive an additional **Credit**, calculated in accordance with sub-Clause (2) below.

(2) **Calculation of interest**

The **Credit** to be received by an **Operator** pursuant to sub-Clause (1) above will be equal to the amount of interest that would have accrued (calculated at the **Standard Rate**) if an amount equal to the **ATOC Travel Agent Credit** had been deposited in an interest-bearing account from (and including) the day on which the **RSP** receives the payment from the relevant **ATOC Travel Agent**, **ITX Travel Agent** or **ATOC Self-ticketing Licensee** in cleared funds to (but excluding) the first **Settlement Date** thereafter.

(3) **Entitlement of Operators to receive surplus amounts from ITX Travel Agents**

Where the **RSP** has received a payment from an **ITX Travel Agent** in respect of **Ticket** stock which is not subsequently issued as evidence of the **Purchase** of an **ITX Fare** from that **ITX Travel Agent** and **Accepted for Clearing** during the term of the relevant **ATOC Licence**, each **Operator** which received a **Credit** in respect of an **ITX Fare** issued by that **ITX Travel Agent** will receive an additional **Credit**, calculated in accordance with sub-Clause (4) below.

(4) **Calculation of surplus**

The **Credit** to be received by an **Operator** pursuant to sub-Clause (3) above will be:-

- (a) the amount of the payment referred to in sub-Clause (3) above;

(b) multiplied by the aggregate of the **Credits** received by that **Operator** in respect of **ITX Fares** issued by the relevant **ITX Travel Agent** during the term of its **ATOC Licence**;

(c) divided by the aggregate of the **Credits** received by all of the **Operators** in respect of those **ITX Fares** during that period.

This **Credit** will be received in the first **Settlement Period** after the relevant **ITX Travel Agent's ATOC Licence** has been terminated.

PART IX: PROVISION OF INFORMATION BY THE RSP

12-51 **PROVISION OF INFORMATION THAT IS AVAILABLE TO ALL OPERATORS**

(1) **Type of information available**

Subject to sub-Clause (2) below, at the request of an **Operator**, the **RSP** will make the following information available to that **Operator**:-

(2) **Exception**

An **Operator** will not be entitled to any information under sub-Clause (1) above if it does not run scheduled passenger rail services at the time it asks for the information.

(3) Format in which information is to be supplied

The information referred to in sub-Clause (1) above will be made available in writing or in any other format specified by the **Operator** to which it is to be made available. However, if that format is one in which the information is not usually used by the **RSP**, any additional costs incurred by the **RSP** in doing so will be borne by the **Operator** requesting the information.

12-52 PROVISION OF INFORMATION ABOUT EARNINGS

(4) Earnings of other **Operators**

An **Operator** is not entitled to receive any of the information referred to in this Clause in respect of other **Operators**.

12-53 PROVISION OF OTHER SERVICES

(1) Provision of consolidated information

(a) If the **RSP** and an **Operator** so agree, that **Operator** may from time to time provide the **RSP** with any information that it agrees with the **RSP** about sums the **Operator** has paid and/or received in respect of which a payment is not due to another person.

(b) These sums will not be included in the calculation of the amounts due to or from the **Operator** under this Chapter. However, the **RSP** will consolidate the information provided to it in each **Settlement Period** into such categories as it may agree with the **Operator** and will supply the consolidated figures to the **Operator** on the date(s) agreed by it with the **Operator**.

(2) Miscellaneous services

(1) Provision of information to the Authority

(a) At the request of the **Authority** the **RSP** will, as soon as reasonably practicable, provide him with any information it has received or compiled in relation to an **Operator** under this Agreement (and each **Operator** must, insofar as it is within its power, ensure that it does so).

- (c) The costs of supplying the information will be borne by that **Operator**.

PART X: NOTIFICATION OF CERTAIN EVENTS

12-55 **NOTIFICATION TO THE RSP**

An **Operator** must notify the **RSP** immediately if it:-

- (a) becomes insolvent or is unable to pay its debts or fails or admits in writing its inability generally to pay its debts as they become due;
- (b) makes a general assignment, arrangement or composition with or for the benefit of its creditors;
- (c) has a secured party take possession of all or substantially all its assets or has a distress, execution, attachment, sequestration or other legal process levied or enforced against all or substantially all its assets where:-
 - (i) the secured party maintains possession of the assets for at least 30 days; or
 - (ii) the legal process is not dismissed, discharged, stayed or restrained within 30 days;
- (d) seeks or becomes subject to the appointment of an administrator, special railways administrator (as defined in the **Act**), provisional liquidator, receiver, trustee, custodian or other similar official for it or for all or substantially all its assets;
- (e) institutes or has instituted against it a proceeding seeking a judgement of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors' rights, or a petition is presented for its winding-up or liquidation, and, in the case of a proceeding that is instituted or a petition that is presented against the **Operator**, it:-
 - (i) results in a judgement of insolvency or bankruptcy, the entry of an order for relief or the making of an order for the winding-up or liquidation of the **Operator**; or
 - (ii) if earlier, is not dismissed, discharged, stayed or restrained within 30 days of the institution of the proceeding or the presentation of the petition;

- (h) receives notice from the **Regulator** that its **Licence** has been or is to be terminated or suspended, surrenders its **Licence** or gives notice to the **Regulator** of its intention to do so; or
- (i) takes any action in furtherance of, or which indicates its consent to, approval of, or acquiescence in, any of the events specified in paragraphs (a) to (h) above.

12-56 NOTIFICATIONS BY THE RSP

As soon as reasonably practicable after receiving a notification from an **Operator** under Clause 12-55 above, the **RSP** will send details of the notification to:-

- (a) the other **Operators** and the **Approved Third Parties**;
- (b) the **Authority**; and
- (c) the **Regulator**.

PART XI: MISCELLANEOUS

12-57 **BANKING ARRANGEMENTS**

(1) **Banking facilities**

The **RSP** may borrow money to fund any payment that is to be made by it under this Chapter or otherwise to finance its activities on any terms it considers appropriate but in doing so will act for its own account rather than as agent for the **Operators**. It may also, as a principal, enter into agreements which entitle it to borrow money from any person(s) on demand or otherwise.

(2) **Investments**

The **RSP** may deposit money with any of the persons listed in Part I of Schedule 35 on any terms it considers appropriate, with or without security. It may also purchase and sell any sterling-denominated investments described in Part II of Schedule 35. These transactions will be entered into for the account of the **RSP** rather than as agent for the **Operators**.

12-58 **DETERMINATIONS BY THE RSP**

All determinations and estimates made by the **RSP** under or pursuant to this Chapter will be final and binding on the **Operators** in the absence of manifest error, negligence, wilful default or fraud.

12-59 **THE RSP'S SYSTEMS**

In making the calculations referred to in this Chapter and Chapter 11, the **RSP** will use **CAPRI / Lennon** or such other computer system(s) as may be agreed between the **RSP** and the **Operators** from time to time. Subject to Clause 12-61 below, the **Operators** will be bound by the calculations made by **CAPRI / Lennon** or any such other computer systems.

12-60 **ACCOUNTS**

Each **Operator** must prepare in accordance with accounting principles, standards and practices (including the historical cost basis) applicable from time to time in the United Kingdom and submit to the **RSP** in such format as the **RSP** may reasonably require within four months after the end of its

accounting period, audited accounts in relation to itself, consolidated as well as unconsolidated if it has subsidiaries, as at the end of and for that accounting period. The accounts of each **Operator** except British Railways Board must be prepared in accordance with the Companies Act and any accounting standards which are generally applicable in the United Kingdom.

12-61 AUDITS

(1) Periodic audit by the RSP

(a) At least once each year the **RSP** will instruct the **RSP Auditors** to audit its procedures (and those of its delegates) with a view to determining whether they are consistent with its obligations under this Chapter. The **RSP** will instruct the **RSP Auditors** to prepare a written report on those matters, which will be addressed to the **RSP**, the **Operators**, the **Approved Third Parties** and the **Authority**. The **RSP** will send a copy of the report prepared by the **RSP Auditors** to the **Operators** within ten **Business Days** after it becomes available.

(b) The **Operators** do not have the right to audit the procedures of the **RSP** or its delegates except as referred to in sub-Clause (2) below.

(2) Suspected errors

(a) If an **Operator** disputes the accuracy of the calculation of any **Interim Payment** or **Final Payment** due to or from it the **RSP** will consult in good faith with that **Operator** and use its reasonable endeavours to agree the calculation.

(b) If agreement cannot be reached and the **Operator** reasonably suspects that the calculation is inaccurate it may, by giving written notice to the **RSP**, require the calculation to be verified by the **RSP Auditors**. As soon as reasonably practicable and, in any event within three **Business Days**, after receiving such a request the **RSP** will instruct the **RSP Auditors** to verify the calculation and (after taking account of any representations that the **Operator** wishes to make) make a written report to the **Operator** and the **RSP** of their conclusions as soon as reasonably practicable. The **RSP** will send a copy of the report to the **Authority**.

(c) The cost of this verification (including any **VAT** for which credit is not available to the **RSP** under the **VAT Act**) will be borne by the **Operator** unless the

RSP's calculation is shown to be inaccurate by more than £1,000, in which case it will be borne by the **RSP**.

12-62 LIMITATION PERIOD

(1) Requirement to give notice

If an **Operator** wishes to dispute the accuracy of any calculation required under this Chapter or Chapter 11 it must give written notice of this fact to the **RSP**:-

(a) in the case of a calculation which relates to an **RSP-settled Product** or an **RSP-settled Refund**, within 120 days after the date on which the calculation was made; and

(b) in any other case, within 12 months after the date on which it was made.

(2) Effect of not giving notice

Any claim that an **Operator** would otherwise have in respect of such a calculation will become void, and Clause 12-61(2) above will not apply, unless written notice of the claim is given to the **RSP** within the period specified in sub-Clause (1) above.

12-63 VERIFICATION BY THE **RSP** OF INFORMATION SUPPLIED TO IT BY **OPERATORS**

(1) Right of the **RSP** to inspect etc.

Each **Operator** must permit the **RSP** or anyone authorised by it, after giving at least two **Business Days'** notice, to observe that **Operator's** procedures for the **Sale** of **RSP-settled Products** and the making of **RSP-settled Refunds** and to inspect any records, **Approved TIMs** or other property that the **RSP** or anyone so authorised reasonably requires to verify that that **Operator** has performed and is capable of performing its obligations under this Chapter.

(2) Obligations of **Operators** to assist the **RSP**

Each **Operator** must give every reasonable assistance to the **RSP** and anyone so authorised, and must comply with all their reasonable requests (including a request to take copies or extracts from the **Operator's** records).

12-64 PAYMENTS FREE AND CLEAR OF SET-OFF

Except as expressly required or permitted by this Chapter or as required by law, all sums payable under this Chapter must be paid free and clear of any deductions, withholdings, set-offs or counterclaims.

CHAPTER 13: REVIEW OF THE OPERATION OF THIS AGREEMENT

13-1 SCOPE OF THE REVIEW

(1) Contents of the two-year review

(a) The **Ticketing and Settlement Scheme Council** will, by the date which falls two years after the date of this Agreement, commence a full review of:-

(i) the practical operation of this Agreement; and

(ii) any connected matters that the **Regulator** and/or the **Franchising Director** notified in writing to the **Ticketing and Settlement Scheme Council** by the date which falls two years after the date of this Agreement or the **Authority** notifies in any subsequent review of this Agreement as described in sub-Clause (2) below.

(b) In particular, the review will consider:-

(i) the procedures for **Creating Fares** contained in Chapter 4;

(ii) the retailing rights and obligations contained in Chapter 6 and the obligation to accept certain **Credit Cards** as a method of payment for **Rail Products**;

(iii) the rates of commission payable in respect of **Sales of Rail Products**;

(iv) the mechanisms and procedures for the calculation of the **Credits** and **Debits** referred to in Chapter 11; and

(v) the way in which the **Operators' Voting Percentages** are calculated.

(2) Subsequent five-yearly reviews

The **Ticketing and Settlement Scheme Council** will carry out further reviews of the practical operation of this Agreement at least once every five years. The first of these reviews

will commence not later than the fifth anniversary of the completion of the review referred to in sub-Clause (1) above.

13-2 OBJECTIVES OF REVIEW

(1) The objectives

Each review will be carried out for the purposes of making detailed recommendations as to whether the operation of this Agreement is achieving the objectives set out below and, if not, the respects (if any) in which this Agreement, or the underlying operating procedures, should be changed. These objectives are:-

- (a) those stated in Section 4(1)(a), (c) and (e) of the **Act**;
- (b) those stated in any relevant instructions or guidance given by the Secretary of State to the **Authority** under Section 5 of the **Act** (or any modification or replacement of it);
- (c) the discharge of the **Operators'** obligations under their **Licences**; and
- (d) the regulation of the **Operators'** relationships with one another to their reasonable satisfaction.

(2) Percentage Allocations

Each review will involve the making of detailed recommendations as to how the allocation of revenues between the **Operators** could be altered or replaced so as better to reflect the Principle that **Operators** should receive an income allocation which reflects the number of **Passenger Miles** that, in respect of each **Rail Product**, are travelled on that **Operator's** trains. This may involve a recommendation to replace or modify **ORCATS**.

13-3 WRITTEN REVIEW

The review will be made in writing and will contain:-

- (a) the conclusions and recommendations of the **Ticketing and Settlement Scheme Council**;

- (b) a detailed timetable for the implementation of each of its recommendations;
- (c) a full explanation of how its recommendations are to be implemented, together with the objectives which they are intended to achieve, the work involved, the resources required and the amendments likely to be required to this Agreement and to any other agreement entered into by the **RSP** and/or the **Operators** pursuant to, or as permitted by, this Agreement;
- (d) a detailed breakdown of the costs of implementing each of the recommendations and a cost/benefit analysis in relation to them;
- (e) a summary of the agreements which would have to be altered or entered into to implement these recommendations; and
- (f) any other matters that are necessary or reasonably desirable.

13-4 CONSIDERATION OF THE REVIEW

(1) Submission of drafts to the **Authority**

A draft of the written form of the review will be submitted by the **Ticketing and Settlement Scheme Council** to the **Authority** at least eight weeks before it is finalised. The **Ticketing and Settlement Scheme Council** will consider any written comments made by the **Authority** and the **RSP** within a period of four weeks from the receipt of the draft by them.

(2) Consideration of the **Authority's** suggestions

If the **Ticketing and Settlement Scheme Council** does not accept all the recommendations or comments made by the **Authority**, any subsequent draft that is prepared and the final form of the review will specify why such comments or suggestions have been rejected.

(3) Last date for the finalisation of the recommendations

The final form of the review must be available not later than six months after the dates referred to in Clause 13-1(1)(a) and (2) above.

13-5 APPROVAL OF THE RECOMMENDATIONS

A 85 per cent. majority is required in respect of any resolution of the **Ticketing and Settlement Scheme Council**:-

- (a) approve the contents of the submission to the **Authority** pursuant to Clause 13-4(1) above;
- (b) reject any recommendations or comments made by the **Authority**; and
- (c) approve the final written form of the review.

13-6 IMPLEMENTATION OF THE REVIEW

Subject to the approval of the **Authority**, where this is required, the **Ticketing and Settlement Scheme Council** will implement the recommendations of the review. Each of the **Operators** and the **RSP** will be bound by the **Ticketing and Settlement Scheme Council's** decision as to how these are to be implemented.

13-7 FINANCING THE REVIEW

The cost of conducting the review and the implementation of any recommendations that are made will be borne by the **Operators** in the proportions determined by the **Ticketing and Settlement Scheme Council**.

CHAPTER 14: BREACHES OF THIS AGREEMENT

PART I: MONITORING OF COMPLIANCE

14-1 MONITORING ARRANGEMENTS

The **Ticketing and Settlement Scheme Council** will establish arrangements to monitor the compliance of **Operators** with their obligations under this Agreement. From time to time it will also review these arrangements and may change them as a result. These arrangements (as modified from time to time) are referred to as the "**Monitoring Arrangements**". These are set out in Schedule 38.

14-2 OBLIGATIONS OF THE RSP

(1) Monitoring

The **RSP** will monitor the compliance of **Operators** with their obligations under this Agreement to the extent that it is required to do so under the **Monitoring Arrangements**.

(2) Reporting

If the **RSP** becomes aware (in the course of carrying out its functions under sub-Clause (1) above or otherwise) of a **Material Breach** by an **Operator** of the **Ticketing and Settlement Scheme** or the **Retail Agents Scheme**, it will notify the **Ticketing and Settlement Scheme Council** or, as the case may be, the **Retail Agents Scheme Council** accordingly.

14-3 POWERS OF INVESTIGATION

(1) General

Each **Operator** must allow the following persons reasonable access to its premises, personnel and records for the purpose of monitoring compliance by the **Operator** with this Agreement:-

(a) the persons authorised by the **Ticketing and Settlement Scheme Council** pursuant to the **Monitoring Arrangements**; and

(b) the employees and Agents of the **RSP**.

(2) Agents

Each **Operator** must ensure that the persons referred to in sub-Clause (1) above are allowed reasonable access to the premises, personnel and records of its agents who fall within Clause 9-1(1)(b) above.

PART II: MEANS OF DETERMINING DISPUTES

14-4 **PROCEDURE**

(1) **Forum for the resolution of disputes**

Subject to Clause 14-5 below, disputes or claims between **Operators** or between one or more **Operators** and the **RSP** arising out of, or in connection with, this Agreement will, unless previously resolved by agreement between the parties involved, be resolved by the **ATOC Schemes Committee**, followed, if necessary, by arbitration (unless the parties involved agree to submit the dispute to expert determination). In each case this will take place pursuant to the **ATOC Dispute Resolution Rules**.

(2) **Initiation of proceedings**

Such a dispute or claim may be referred to the **ATOC Schemes Committee** by one or more **Operators**, the **RSP** and/or the **Ticketing and Settlement Scheme Council** or, as appropriate, the **Retail Agents Scheme Council**. However, subject to Clauses 14-8 and 14-10 below, an **Operator's** rights and/or obligations under this Agreement may not be suspended or terminated without the agreement of that **Operator** unless the dispute or claim was referred by the **Ticketing and Settlement Scheme Council** or, as appropriate, the **Retail Agents Scheme Council**.

14-5 **THE REGULATOR AND THE AUTHORITY**

(1) **Enforcement actions by the Regulator or the Authority**

(a) Clause 14-4 above does not prevent an **Operator** or the **RSP** from asking the **Regulator** and/or the **Authority** to take enforcement action against an **Operator** for breach of its **Licence** or, as the case may be, its **Franchise Agreement**.

(b) Nor does the fact that the **Regulator** and/or the **Authority** has taken such enforcement action prevent a dispute or claim from being referred to the **ATOC Schemes Committee** or for arbitration or expert determination.

(2) **Consideration of enforcement actions**

The **ATOC Schemes Committee** and, where relevant, the arbitrator or expert, will have regard to any such enforcement action that has been taken and may, if it or he considers it appropriate, adjourn or stay any dispute that has been referred to it or him in the light of any such action.

14-6 COURT PROCEEDINGS

Clause 14-4 above does not prevent a party issuing proceedings in court for summary judgement. However, if the application for a summary judgement is rejected, the parties must follow the procedure referred to in that Clause.

14-7 PAYMENT OF COMPENSATION AND COSTS

(1) Settlement through the **RSP**

(a) Any compensation or costs (including any **VAT** payable in respect of them) which are ordered to be paid pursuant to the **ATOC Dispute Resolution Rules** will be deemed to be an **Inter-User Payment** unless either the **Operator** to which the payment is to be made or the **Operator** which is to make the payment is not bound by Chapter 12 at the relevant time.

(b) The **Inter-User Payment** will be deemed to have been **Accepted for Clearing** on the day the terms of the agreement or order are notified to the **RSP** by any of the **Operators** or, if the relevant compensation or costs are payable to the **RSP**, on the day determined by the **RSP**.

(2) Alternative settlement provisions

(a) If either of the **Operators** referred to in sub-Clause (1) above is not bound by Chapter 12 at the relevant time, the compensation or, as the case may be, costs referred to in that sub-Clause will be paid by transfer to a sterling denominated bank account in the United Kingdom nominated by the **Operator** to which the payment is to be made.

(b) The transfer must take place not later than five **Business Days** after the day on which the compensation or, as the case may be, costs are agreed or ordered.

14-8 TERMINATION AND SUSPENSION

(1) Requirement for a resolution

(a) Subject to sub-Clauses (2) and (3) below, an **Operator's** rights or obligations under the **Ticketing and Settlement Scheme** may be terminated or suspended if the **Ticketing and Settlement Scheme Council** passes a resolution to that effect.

(b) Subject to sub-Clauses (2) and (3) below, an **Operator's** rights or obligations under the **Retail Agents Scheme** may be terminated or suspended if the **Retail Agents Scheme Council** passes a resolution to that effect.

(c) On such a resolution the **Operator** whose rights and obligations are under consideration may not vote and any votes it casts will be disregarded.

(2) Circumstances in which termination is possible

A resolution to terminate any rights or obligations of an **Operator** under the **Ticketing and Settlement Scheme** or the **Retail Agents Scheme** may be proposed and voted upon only if that **Operator**:-

(a) is in **Material Breach** of the **Ticketing and Settlement Scheme** or, as the case may be, the **Retail Agents Scheme**;

(b) is notified in writing by the **Ticketing and Settlement Steering Group** or, as the case may be, the **Retail Agents Scheme Management Group** at least 20 clear **Business Days** before the resolution is proposed of the nature of that **Material Breach** and any action required to remedy that **Material Breach**; and

(c) continues to be in **Material Breach** at the time the resolution is proposed and voted upon, having failed to take the action required of it to remedy the breach or deliver to the **Ticketing and Settlement Steering Group** or, as the case may be, the **Retail Agents Scheme Management Group** any explanation for its failure to take such action which is reasonably satisfactory to the **Ticketing and Settlement Steering Group** or, as the case may be, the **Retail Agents Scheme Management Group**.

(3) Appeal to arbitration

(a) Subject to sub-Clause (4) below, any resolution passed by the **Ticketing and Settlement Scheme Council** or, as the case may be, the **Retail Agents Scheme Council** under sub-Clause (1) above will take effect ten **Business Days** after the resolution is voted on unless the **Operator** whose rights or obligations are to be terminated or suspended:-

(i) disputes that the conditions specified in sub-Clause (2)(a) to (c) above were satisfied at the time the resolution was proposed and voted upon; and

(ii) refers the dispute for resolution by arbitration in accordance with the **ATOC Dispute Resolution Rules** by serving a written notice of arbitration in accordance with the **ATOC Dispute Resolution Rules** within seven **Business Days** of the resolution being voted upon.

(b) In this event, the resolution will only take effect if the arbitrator resolves pursuant to the **ATOC Dispute Resolution Rules** to make an award confirming that the **Ticketing and Settlement Scheme** or, as the case may be, the **Retail Agents Scheme** should be terminated or suspended with respect to the relevant **Operator** in accordance with the resolution.

(c) In calculating the periods referred to in paragraphs (a) and (b) above the day on which the relevant resolution is voted upon and the day on which the period expires are to be disregarded.

(4) Systems limitations

If the **RSP** is unable to implement a resolution that is passed pursuant to sub-Clause (1) above in accordance with its usual procedures on the date on which it would otherwise be due to take effect, the resolution will take effect on the first day thereafter on which the **RSP** can implement it in accordance with its usual procedures.

(5) Accrued rights and obligations

Any rights or obligations which have accrued under this Agreement at the time of the termination referred to in this Clause will continue to be enforceable on the terms of this Agreement.

PART III: ENFORCEMENT OF DISPUTES ARISING UNDER CHAPTER 12
(SETTLEMENT)

14-9 **OBLIGATION TO MAKE PAYMENTS NOTIFIED BY THE RSP**

(1) **Payments required**

(a) If the **RSP** notifies an **Operator** that a stated amount is due from it to the **RSP** under this Agreement that **Operator** must pay the amount claimed on or before the date that the **RSP** states that it is due.

(b) This amount is payable even if the **RSP** has made a mistake in calculating it, whether as a result of negligence or otherwise. However, that **Operator** may, after making this payment, bring a claim against the **RSP** to recover all or part of the amount paid.

(2) **Ability to dispute payments demanded**

(a) Notwithstanding sub-Clause (1) above, an **Operator** may dispute any amount claimed by the **RSP** under this Agreement by following the procedure set out in Clause 14-4 above.

(b) In determining whether the amount claimed by the **RSP** was incorrect, the **ATOC Schemes Committee** or, as the case may be, any arbitrator or expert which decides the dispute, will disregard sub-Clause (1) above.

14-10 **TERMINATION BY THE RSP**

(1) **Circumstances in which termination may take place**

(a) An **Operator's** rights and obligations under this Agreement may be terminated by the **RSP** if:-

(i) that **Operator** is in default in the payment of any sum in excess of £3,000,000 that is due from it to the **RSP** under this Agreement (or, if lower, 30 per cent. of its **Turnover** in the preceding financial year of the **RSP**); and

(ii) the default continues for more than three **Business Days**.

- (b) The termination will take effect immediately on the receipt of written notice from the **RSP**.

(2) Accrued rights and obligations

Any rights or obligations which have accrued under this Agreement at the time that any notice is given pursuant to sub-Clause (1) above will continue to be enforceable on the terms of this Agreement.

14-11 CLAIMS AGAINST DEFAULTING OPERATORS AND OTHER PERSONS

The **RSP** will bring a claim against any **Operator** which is in default under Chapter 12, any **ATOC Travel Agent**, **ITX Travel Agent** or **ATOC Self-ticketing Licensee** which is in default under the settlement provisions of its **ATOC Licence**, any **Approved Third Party** which is in default under the settlement provisions of its **ATP Agreement** and any person which is in default under a **Warrant Agreement** to enforce the terms of Chapter 12, the **ATOC Licence**, the **ATP Agreement** or, as the case may be, the **Warrant Agreement** if it has been:-

- (a) directed to do so in writing by any **Operator(s)** which, pursuant to Clauses 12-43 to 12-46 above have borne all or part of the cost of the default; and
- (b) provided by the relevant **Operators** with such security or indemnification for the costs of bringing such claim as it considers appropriate.

14-12 COSTS OF ENFORCEMENT BY THE RSP

(1) Who bears the costs

All costs, charges, liabilities and expenses reasonably incurred by the **RSP** or its delegates, agents or employees in making any claim against any of the persons referred to in Clauses 14-2 and 14-11 above (including any **VAT** for which credit is not available to the **RSP** under the **VAT Act**) and which have not been recovered from the person against which that claim is made will be borne:-

- (a) in the case of a claim which the **RSP** institutes after having been directed to do so under Clause 14-11(a) above, by the **Operator(s)** which gave the direction; and

(b) in the case of any other claim, by the **Operator(s)** which have borne, or are liable to bear, the cost of the relevant default under Clauses 12-43 to 12-46 above in the same proportions as those in which they have borne or are liable to bear that cost.

(2) Payment of costs

The costs, charges, liabilities and expenses referred to in sub-Clause (1) above must be paid or discharged by such **Operator(s)** on demand.

14-13 ADVANCE PAYMENT OF COSTS

(1) Upon notice from the **RSP**

(a) The **RSP** may, by notice to any **Operator** which the **RSP** believes will be liable under Clause 14-12 above to reimburse it for any cost, charge, liability or expense incurred by it (including any **VAT** for which credit is not available under the **VAT Act**), require that **Operator** to pay it any sum that the **RSP** considers appropriate.

(b) This sum will not exceed the **RSP's** estimate of the amount of the **Operator's** liability under Clause 14-12 above.

(2) Reducing the **Operator's** eventual liability

(a) The **Operator's** eventual liability under Clause 14-12 above will be reduced by the amount of any such payment.

(b) If the liability is less than the amount paid by the **Operator** pursuant to sub-Clause (1) above, a sum equal to the excess will be repaid by the **RSP** to that **Operator** as soon as reasonably practicable after the amount of the liability is finally determined.

14-14 LIABILITY OF THE **OPERATORS** IS JOINT AND SEVERAL

Where two or more **Operators** are liable under Clauses 14-11, 14-12 or Clause 14-13 above in respect of a cost, charge, liability or expense (whether actual or anticipated), their liability to the **RSP**

is joint and several. However, if their payments in respect of this liability are not in the same proportions as any award that is made, they will have a claim against each other accordingly.

PART II: THE TICKETING AND SETTLEMENT SCHEME COUNCIL

15-3 **CONSTITUTION**

The **Ticketing and Settlement Scheme Council** consists of each person that is an **Operator** at the date of this Agreement or that becomes an **Operator** by signing an **Accession Agreement** under which it agrees to be bound by all or part of the **Ticketing and Settlement Scheme**. However, it excludes any **Operator**:-

- (a) which signs a **Cessation Agreement** the effect of which is that no part of the **Ticketing and Settlement Scheme** will be binding on it, as from the date on which it ceases to be bound; or
- (b) whose rights and obligations under this Agreement are terminated pursuant to Chapter 14 of this Agreement, as from the date on which the relevant resolution takes effect.

15-4 **CONTROL OF THE RSP**

(1) **Shareholders of the RSP**

- (a) Each of the **Operators** at the date of this Agreement, or an **Associate** of it, is a shareholder of the **RSP**.
- (b) Unless a share is transferred to it under sub-Clause (2) below applies, each person which becomes a party to the **Ticketing and Settlement Scheme** after the date of this Agreement must, as soon as reasonably practicable thereafter, offer to subscribe for one share in the **RSP**, or procure that an **Associate** of it does so.
- (c) If its offer is accepted, that person or, as the case may be, its **Associate** must apply for the registration of the share that is issued to it in the name of that person or its **Associate**.

(2) **Transfer of shares upon ceasing to be an Operator**

- (a) Each time an **Operator** signs a **Cessation Agreement** and thereby ceases to be bound by the whole of the **Ticketing and Settlement Scheme** or an **Operator's** rights and obligations under this Agreement are terminated pursuant to Chapter 14 of

this Agreement, the **Ticketing and Settlement Scheme Council** will nominate a person to whom that **Operator** will be required to transfer its share(s) in the **RSP**, and the share(s) in the **RSP** held by its **Associates**, when the **Ticketing and Settlement Scheme** ceases to be binding on that **Operator**.

(b) If all the rights and obligations under the **Ticketing and Settlement Scheme** of the **Operator** referred to in paragraph (a) above are transferred to a single person the **Ticketing and Settlement Scheme Council** will nominate that person as the transferee under paragraph (a) above.

(c) The board of directors of the **RSP** will direct each such **Operator** which ceases to be bound by the whole of the **Ticketing and Settlement Scheme** to transfer and to procure that its **Associates** transfer all their respective shares in the **RSP** to a person nominated by the **Ticketing and Settlement Scheme Council**. An **Operator** which is directed to do so by the directors of the **RSP** must comply with that direction.

(3) Exercise of shareholder rights

(a) Each **Operator** which is a party to the **Ticketing and Settlement Scheme** must exercise the rights attached to its shares in the **RSP**, and must procure the exercise of the rights attached to any shares in the **RSP** that are held by its **Associates**, in a manner that is consistent with the decisions of the **Ticketing and Settlement Scheme Council**.

(3) Initial bands
